Talks With U.S. on Captive Airmen Approved by Chou

Approve Proposal

Local School Men See Benefits From State Aid Changes

By JOHN ROBSON

If the recommendations of the School Survey Committee of the Ohio Legislature, as made public last week, are enacted into law, they definitely will benefit Marion city and county schools, according to the superintendents of the two school systems.

The plan calls for a number of revisions in the method of distributing state money for public school education. The major provisions are:

1. Payments under the state foundation aid program would be changed from a per-pupil basis to a "teaching unit" basis. The teaching unit would be one teacher and 30 pupils. This is to discourage schools from creating large classes so as to reduce costs by skimping on the number of teachers employed.

2. Every school system must offer 12 grades of education in order to qualify for state aid.

3. It would raise the minimum rate of taxation for the foundation program in every school district from 5½ mills to 10 mills.

—:—

AT PRESENT, the foundation aid program is figured on a flat rate basis and an "additional aid" basis. Every school system receives flat rate payments and in this county all schools except Grand Prairie and Green Camp receive the "additional aid", including the Marion City Schools.

The flat rate, paid to all public school districts in the state, is $30 per kindergarten pupil, $60 per elementary pupil, and $70 per high school pupil regardless of the size of the school system.

The "additional aid" payments are figured on a more complicated scale. Here's how it works:

First, the state guarantees that each school district in the state will receive at least $68.75 a year for each kindergarten pupil, $137.50 for each elementary pupil, and $160 for each high school pupil in high schools with over 180 students. (In high schools with fewer than 180 students, the guarantee is more than $160 according to a scale drawn up by the State Department of Education. In one Marion County School it is $197).

The state also guarantees part of the transportation costs of the district.

—:—

THE FUNDS to cover this guarantee come from the state flat rate payments, from local taxes and from the state's "additional aid."

If the total of the flat rate, and 5½ mills of local taxation do not equal or exceed the state guarantee, the difference is made up with "additional aid."

As an example of how the state aid program works, here is the chart of one school in the county system.

This school has 19 kindergarten pupils for which the school is guaranteed $68.75 each for a total of $1,306.25.

It has 246 elementary school pupils at $137.50 each for another

Japan Gives Firm Support To Hatoyama

Record Vote Assures Premier of 2-1 Sweep In General Elections

TOKYO (AP) — Conservative Prime Minister Ichiro Hatoyama's Democrats won Japan's biggest election yesterday and headed toward a new, stronger administration.

Hatoyama, waging an unprecedented American-style campaign for friendship with both sides in the East-West cold war, led the Democrats to a nearly 2-1 conservative sweep.

7-year Reign Ends

They ended seven years' domination in the House of Representatives by the equally conservative Liberal party of former Prime Minister Shigeru Yoshida.

The Liberals, hurt by charges of corruption, lost about 70 seats —most of them to the Democrats but a few to the Socialists. This may strengthen the drive by leftist parties to block rearmament of Japan.

The Communists, with 60 candidates, elected two members.

With all seats decided, Hatoyama's party had elected 185 of the 467 members of the House. The Liberals elected 112, Left Socialists 89, Right Socialists 67, Farmer-Laborites (leftist) 4, Communists 2, minor parties 2, and independents 6, of whom 5 are regarded as conservative.

Voting Record Set

The government reported a record 37,332,137 votes, 75.8 per cent of registration. The former record 35,288,755 was set in April 1953.

The strong Democratic victory means Hatoyama, 72 and partly paralyzed, will be renominated for prime minister when the Diet (Parliament) reconvenes — within two weeks, party leaders said. He is virtually assured of re-election by conservatives.

Taketora Ogata, chief of the beaten Liberals, conceded his party would back Hatoyama because "the next Prime Minister should naturally be a member of the first party."

"Maybe the people have been tired of the Liberals because of our long administration," said the party secretary general, Misujiro Ishii.

Took Office Dec. 10

Hatoyama became prime minister Dec. 10 after his Democrats formed a temporary coalition with the Socialists to drive Yoshida from office. Yoshida had tried to face down a government shipbuilding subsidy scandal and had refused to consider any treaties or substantial trade with Communist regimes.

Hatoyama then made himself Japan's most popular political figure with an unprecedented handshaking, nationwide stumping tour.

RELEASED FROM RED PRISON. Malcolm Bersohn (left) of New York City and Mrs. Adele Austin Rickett of Yonkers, N. Y., are shown on their arrival in Hong Kong following their release from a Peiping prison on espionage charges. Sentenced only 10 days ago after being confined in prison nearly four years, both said they were "full of shame and remorse for their crimes against the Chinese peoples."

Burma Takes Hand in Bid For Meeting

Premier U Nu Claims Peiping Would Agree To Unofficial Parley

RANGOON, Burma (AP)—Burmese Premier U Nu announced today that Communist Chinese Premier Chou En-Lai is willing to receive an unofficial U.S. mission to discuss the case of imprisoned American airmen and tensions between the United States and Peiping.

Nu told newsmen he had conveyed Chou's approval of such a conference to U.S. Secretary of State Dulles. The Burmese Premier declined to discuss Dulles' reaction.

Pays 36-Hour Visit

Dulles stopped off in Rangoon Saturday for a 36-hour visit after attending the Manila Pact conference in Bangkok. He left yesterday for Laos and was due in Saigon later today, en route to Manila.

The idea for the conference between Chou and an unofficial U.S. group apparently was advanced by the Burmese Premier, who has proposed recently that the five "neutral" Colombo Powers serve as mediators between the Chinese Reds and the Western Powers.

U Nu declined to say more about the proposal today, explaining: "I do not think I should discuss this."

Following Peiping's announcement that the 13 Americans had been sentenced to jail terms on spy charges, the U.N. General Assembly at U.S. request directed Secretary General Dag Hammarskjold to try to get them released.

U. S. Bars Trip

Hammarskjold flew to Peiping just after Christmas, returning with a report on the condition of the prisoners and of four other American airmen held by the Reds. Subsequently, he transmitted an offer from Chou for the men's families to visit them in China, but the State Department declined to let the relatives make the trip.

Since then Hammarskjold has been working on the case through diplomatic channels. A report from U.N. headquarters last weekend said the secretary general was of the opinion that the time had not

VOTING FOR GERMAN REARMAMENT. West German Chancellor Konrad Adenauer (center) casts his vote at Bonn as the lower house of parliament approves the Paris treaties which included the rearming of West Germany for the Atlantic alliance against Communism. Flanking Adenauer are Heinrich von Brentano, with glasses, Christian Democrats' leader in parliament, and Gerhard Schroeder, minister of the interior. In a later vote, the Bundestag gave final approval for the creation of a 500,000-man West German army to be integrated into NATO. The upper house of parliament still has to act.

Win House Okay

4 Paris Pacts Pass First German Test

BONN, Germany (AP) — National rearmament treaties to join half a million West German soldiers to the 14-nation Atlantic defense forces moved today to Parliament's upper house. Final ratification is expected there within three weeks.

Parliament's Bundestag (lower house) voted for the four interlocking treaties last night after 42 hours of grueling debate that dragged through four days.

The vote overwhelmingly favored the Western alliance. The House also agreed reluctantly — under Chancellor Konrad Adenauer's dogged insistence — to Europeanize the coal-rich Saar that Germany has lost twice in world wars.

Results of Voting

Here is last night's vote:

The key accord to end the Western occupation of West Germany, restore its sovereignty and lift the ban against rearmament —324-151.

To authorize the United States, Britain and France to station 400,000 troops in the Bonn republic —321-153.

The joint bill to admit West Germany to the North Atlantic Treaty Organization and the West European Military Union—314—157.

The Saar Pact—263-202.

Seven of the 14 NATO nations have approved German rearmament.

In Final Stage

The French National Assembly approved it under former Premier Pierre Mendes-France, but France's upper house, the Council of the Republic, has to give final approval. It could delay the process by sending amendments back to the Assembly, but France's new Premier, Edgar Faure, has promised to push through ratification.

Italy's ratification is in the final stage. The remaining nations are sure to approve but are hanging back to see what France does.

The prospects of French approval were not improved by the German Parliament's attitude to the Saar agreement.

Opposition to separating indefinitely the disputed German-speaking border territory from Germany provoked a split in the ruling Adenauer coalition and also aroused strong disapproval from the opposition Socialists.

By arguing that West Germany's comeback depended on this sacrifice, Adenauer wrung a grudging majority for the pact.

But in apparent appeasement of the coalition rebels, the lower house approved by a show of hands a supplementary motion affirming that the agreement does "not affect that attachment of the Saar to Germany."

Death Claims Retired School Teacher Here

Grace Cunningham, Descendant of Early County Family, Dies

Miss Grace Cunninham of 707 Mt. Vernon Ave. died at 12:10 a.m. Sunday in General Hospital. In failing health for the past several years, she was critically ill nine days.

A descendant of one of the county's oldest families, her death brought to a close a career of 45 years of teaching in the local and Cleveland Schools. Her career was not confined to teaching but included interests in church, cultural and civic life of the community.

Graduating from the old Marion High School in 1888, she began her teaching in the fall of that year. The graduation exercises were held in the old Wigwam located where the First Presbyterian Church now stands at the corner of Church and Prospect Streets.

Traffic Crashes Kill at Least 18 Over Weekend

Toll Is Ohio's Top So Far in 1955; Woman Loses Life Near Kenton

By The Associated Press

The heaviest traffic death toll so far this year was recorded in Ohio last weekend as at least 18 persons lost their lives on the state's highways.

Four persons lost their lives in one accident alone. That was at Oberlin Saturday when a car missed a curve and hit a tree. Killed in that crash were Ervil Rutter, 41, and his wife, Evelyn, 37; William Wheeler, 27, and Larry Moore, 25, all of Oberlin.

One man was killed and the body of a second man is sought after two automobiles plunged into Green Creek in Sandusky County Saturday night. Robert Eckstein, 44-year-old Fremont jeweler, was killed and his body recovered.

The state highway patrol is still searching for the body of Jack Grote, 25, of Green Springs, whose car they say may have struck a corner of the 60-foot-long span and caused the bridge to collapse.

The heaviest toll recorded previously this year was during the three-day New Year's weekend, when 14 traffic fatalities were reported. A week ago the toll was 13 persons.

Five persons were killed last weekend in fires and five others died in miscellaneous accidents, bringing to 28 the total number of

(Turn to TRAFFIC, Page 10)

New Auto Tags Go on Sale in City Tomorrow

License plates go on sale here and over the rest of the state Tuesday and motorists were reminded today they have only until April 1 to purchase the new plates and get them displayed on their vehicles.

The new plates have white numerals on a blue background.

Main license bureau in Marion is located at 124 Court St. Deputy registrar there is Mrs. Corah Weber. Other workers at the local bureau are Mrs. Velma Koons and Mrs. Alta Sheehe.

Besides the Marion bureau, plates will also be sold in the villages in the county.

Deputy registrars named for the rest of the county are Virgin a J. Timson of N. Elm St. in Caledonia; Elizabeth J. O'Hara at the corner of County and Beach Sts. in Green Camp; Ethel L. Carter of Front St. in LaRue; Leona V. Ferguson of Green St. in Morral; and Grace L. Redmon of 608 Park Ave. in Prospect.

Hours at the Marion bureau will be 9 a.m. to 5 p.m. Monday through Friday and 9 a.m. to 3 p.m. on Saturdays. In addition, the office will also be opened from 7 p.m. to 9 p.m. Monday through Friday beginning Tuesday.

Once again the license fees are $10 per set of two plus a 25 cent fee for the registrar.

It is against the law for anyone to drive a motor vehicle without the new plates after March 31.

TOMORROW IS THE LAST day to pay Marion County real estate taxes for the first half of the year.

Chinese Free Two

Americans Suffer Red Brainwashing

HONG KONG (AP)—Two Americans expelled from Red China as spies repeated today that they consider communism the best possible way of life and believe the whole world will someday adopt it.

The pair, Malcolm Bersohn, 29, of New York City, and Mrs. Adele Austin Rickett, 35, formerly of Seattle, Wash., arrived by train from Peiping yesterday after 3½ years in jail or under close detention.

U. S. Officials Astonished

They astonished U.S. consulate officials by proclaiming they had spied for the United States, deserved their punishment and got "wonderful treatment" from their captors in Peiping.

The woman said her husband Walter A. Rickett is still in a Peiping prison. The couple went to China in 1948 as Fulbright scholars. Bersohn, a graduate of Harvard University who also studied at the University of Chicago, had been a medical student at the Peiping Union Medical College.

There was no immediate official comment from Washington on their remarks. But the pair's families in America and some U.S. officials credited the Red Chinese with having done a thorough job of brainwashing.

Interviewed today at the Hong Kong YWCA after a night's rest, both Bersohn and Mrs. Rickett replied to most questions with partyline answers.

Both said they "have not the honor" to be Communists. Mrs. Rickett explained:

"Only the best people can join. I am not worthy. I have committed a crime."

"We believe all nations will adopt the Communist society of their own free will," Bersohn declared.

Bersohn described the Peiping regime as "democratic because it represents the people and is interested in peace."

Both he and Mrs. Rickett said they were going home to "be upright and honest and because peace is endangered by the warmongers of Wall Street and Washington."

Accuses U. S. of Lies

"Once in 1946, I told a lie to the people," Bersohn continued. "I said the Americans wanted peace in China. That was a lie."

The man said he and Mrs. Rickett, when they returned to America, "might get out petitions for peace and to do away with the atom bomb."

"We might help form delega-

(Turn to BRAINWASH, Page 10)

Dulles Taking Quick Tour of Southeast Asia

SAIGON, Viet Nam (AP) —U. S. Secretary of State Dulles pushed his whirlwind tour of Southeast Asia capitals across non-Communist sections of Indochina today. After an overnight visit to Laos, he flew on today to Cambodia and South Viet Nam.

In Vientiane, the administrative capital of Laos, he told Crown Prince Tiao Savang Vatthana and other officials the forces the Manila Pact nations have in the Pacific will deter possible Communist invaders from neighboring China and North Viet Nam.

Talks Reassuring

Spokesmen said both Dulles and the Laotians were reassured by their talks. The secretary reportedly had been depressed by pessimistic reports he had received from the land-locked jungle kingdom of two million persons.

The Laotians, given their independence from France at the end of the Indochina war, have been fearful both of Red invasion and of subversive activities by the dissident Pathet Laos movement. That Communist-supported group was left in the two northern provinces of Phong Saly and Sam Neua by the Indochina armistice.

To Train in Thailand

Dulles was reported to expect Laos to seek admission to SEATO, the Manila Pact defense setup for Southeast Asia, sometime within the next two or three years.

Dulles was told that Laos would send military men to Thailand for training soon. Though the Geneva armistice prohibits Laos from receiving an American military training mission, the Laotans can be trained in Bangkok by Thai officers who have been instructed by the U. S. military mission there.

Heavy Fog Covers Much of Country

Heavy fog blanketed much of the eastern half of the country, including Marion and the area, early today, accompanied by a light drizzle.

Cloudy with some drizzle is the forecast for tonight with the low temperature expected to be between 38 and 45. For Tuesday, the outlook is for considerable cloudiness and warm with scattered afternoon thundershowers.

In the country today, the northern Great Plains had subzero temperatures and the Sierra ranges of the Far West lay under the winter's heaviest snowfall. Temperatures ranged from the 50s to the 30s or slightly lower through the foggy area while skies were generally clear and temperatures in the 60s in the South.

Former Council President

Charles Merkel, Retired Bank Head, Inventor Dies

Charles Emanuel Merkel, 82, retired Marion industrialist, inventor and banker, died at 6:15 a.m. yesterday in General Hospital. He was ill two months. At one time he was City Council president and was a director of the Chamber of Commerce. His home was at 325 Mt. Vernon Ave.

Born Sept. 28, 1872, in York, Neb., he was the son of Jacob and Mary Emig Merkel, natives of Baden, Germany. On Sept. 7, 1905, he married Florence Gracia Foye, who died in Marion Feb. 14, 1946. Her father was William B. Foye, who owned and operated one of the first drug store chains in Ohio.

Mr. Merkel was the holder of four patents on agricultural implements, two of which were manufactured and sold by the Merkel Implement Co. of Marion.

At one time he was president of the Houghton Merkel Co., which manufactured buggies, and for many years was president of the Marion Savings Bank, which is no longer in existence. He was

Cause of Inflation

Humphrey Attacks Tax Cut Plans of Democrats

WASHINGTON (AP)—Secretary of the Treasury Humphrey said today the $20 tax cut approved by the House to help "little folks" might cause inflationary price rises that would cost the small taxpayer most.

In testimony prepared for the Senate Finance Committee, Humphrey did not mention a compromise tax cut being pushed by some Senate Democrats. It would make the $20-a-person tax cut effective July 1, 1956, instead of next Jan. 1, as provided in the House bill. Also, it would extend present corporation and excise tax rates for 15 months instead of 12. They are now due to drop April 1.

Humphrey, the only witness called by the Finance Committee in its consideration of the House bill, told the senators:

"It can start us right back on the reckless road of inflation, with all it cruel thievery . . . Let us always remember that it is not the rich who need protection from inflation. It is the little folks who suffer the most when inflation takes hold."

The House bill, vigorously opposed by President Eisenhower, would give each taxpayer a tax reduction of $20 for himself, his wife and each dependent. Humphrey said it would take about five million taxpayers completely off the federal tax rolls and would cost the government over a full year approximately $2,300,000,000 in revenue.

He assailed the manner in which the proposal had been raised and

(Turn to TAXES, Page 10)

Position Unchanged

Lausche Budget Address Will Oppose New Taxes

COLUMBUS, Ohio (AP)—Democrat Gov. Frank J. Lausche says his budget message to the Republican-controlled Legislature tonight will reflect his stand against new taxes.

"My position never has deviated," the five-term governor asserted.

Money matters overshadowed a heavy schedule of committee hearings as tax-conscious legislators returned today for their eighth week of work.

They have waited a month past the deadline for Lausche's state operating budget because of the death of Finance Director H. D. Defenbacher.

Lausche said he personally would present his two-year budget, drafted by John M. Wilcoxon, to a joint Senate-House session.

That will give legislators their first official look at Lausche's estimate of revenues and recommendations for spending to run the state in the next biennium.

Despite official silence, reports hinted that a general fund total of around 800 million dollars together with earmarked funds for highways and the like would boost the budget into the billion dollar bracket.

Two years ago Lausche presented what he termed a balanced budget requesting a record 831 millions for general operations, up 79 millions from the previous biennium.

The Legislature boosted the requested sum by five millions. But

Senate Group Calls Matusow

Ex-Red Quizzed on Turnabout Testimony

WASHINGTON (AP)—Harvey Matusow was called to a public hearing this afternoon to start three more days of wits matching with Senators about his turnabout testimony

The Internal Security subcommittee is looking into Matusow s sworn testimony that he lied in testimony against alleged Communists A self-described former Communist he describes himself as a 'perpetual and habitual liar" who now has broken the habit

Sen Eastland (D Miss) the subcommittee chairman said he expects in the inquiry to show Matusow s sworn recanting of prior testimony is a part of something bigger than he is "

Eastland and Chairman Walter (D-Pa) of the House Un-American Activities Committee said yesterday they think Matusow was telling the truth when he first testified in the early 1950s against alleged Reds

Eastland said in a CBS television interview that Matusow is a 'very unstable person ... used by some very powerful and intelligent groups "

Walter on a CBS radio program voiced belief the controversial witness is lying now 'not only to aid the Communist party but in order to try to prevent justice from being done in the cases of those conspirators who were convicted and are faced with the serving of terms in the penitentiary "

Board Upholds Axle-Mile Tax

Seven Out-of-State Carriers Lose Appeal

COLUMBUS, Ohio (AP) — Ohio s Axle mile tax withstood a major test today when the state board of Tax Appeals turned down the appeal of seven out of state carriers against highway use tax assessments totaling nearly $214 000

The board in a 2 1 decision, affirmed the final determination and order made by Commissioner Stanley J Bowers against the carriers Aug 5 1954 Board member Ferd M Pickens dissented

The out-of state carriers contended the axle mile tax is unconstitutional, that reciprocal agreements among Ohio and other states exempted them from the highway use tax and reciprocity provisions of the tax also made them exempt

The carriers argued the unconstitutionality of the tax on the grounds their property was being taken away from them without due process of law They said in their appeal the tax was not commensurate with the actual use of Ohio s highways

45 Dead, Thousands Homeless in Australia

SYDNEY Australia (AP)—Australia s worst flood disaster in years which has claimed at least 45 lives and left thousands homeless threatened today to wipe out three isolated towns northwest of Sydney

The towns — Nyngan, Warren and Walgett — were cut off from outside help as floodwaters up to six feet swirled through their streets Some 6 000 persons were trapped in the area

Inhabitants expecting their worst ordeal tonight or tomorrow when the main body of millions of tons of water will reach them took to rooftops in hopes their homes would withstand the onslaught.

LEAVE FOR LEBANON

NEW YORK (AP)—Lebanon Ohio, Mayor William Frazer and Mrs Frazer yesterday left by plane with officials of five other U S towns named Lebanon to be guests of the Lebanese government for two weeks in the Middle Eastern nation s international homecoming celebration.

Each year the United States Army Corps of Engineers removes from New York Harbor about 2 - 500 000 cubic yards of sand and silt carried down the Hudson

LEGAL NOTICE

Legal Notice is hereby given in accordance with Ordinance No 3860 passed by the Marion City Council on January 24 1955 sealed bids will be received at the office of the Safety Service Director of the City of Marion Ohio until 12 00 o clock noon on the 14th day of March 1955 for leasing for farm purposes those portions of the following described real estate belonging to the City of Marion Ohio that are not needed for municipal purposes and which are designated on a map which is open for inspection in the office of the Safety Service Director Being approximately 644 acres situated in the Township of Claridon County of Marion State of Ohio and being a part of Section 7 and 18 Township 3 Range 16 East Said portions are to be leased for share crop according to law to the highest bidder for a period of five (5) years terminating December 31 1960

Bidders are required to use forms prepared by the City These forms will be furnished by the City upon application Bids must be filed in sealed envelopes and plainly marked BIDS FOR LEASING LAND AT MARION MUNICIPAL AIRPORT

A certified check in the amount of $200 00 payable to the City of Marion Ohio is to accompany each bid The right is reserved to reject any or all bids

The Addie Pence Family

HARTLE, RUBY SUSAN—We wish to express our heartfelt thanks to the most wonderful relatives neighbors and friends for their most generous acts of kindness during our recent bereavement of our beloved daughter and sister Ruby Susan Hartle We especially wish to thank the minister Rev Walter Yoh for his words of comfort the pallbearers, and the Boyd Funeral Home
We would like to thank everyone for the beautiful flowers
May God bless you all
Mr and Mrs T P Hartle and Family

1-B—IN MEMORIAMS

IN MEMORY of Albert A Miller who passed away Feb 27 1951
The golden sun has disappeared the sky is dull and grey
And we are lonely in our hearts because you went away
We miss you more each moment and oh we long for you
But while our lives go on there is nothing we can do
Dear Jesus keep our loved one in Thy keeping 'til we reach that shining shore
Then oh Master let us have him and love him as we did before
Daughter Mrs Joe Overs
Granddaughter Grace Coulson

IN MEMORY of Estella M Bear who passed away March 1st 1952
Still though you're gone in our hearts you're just away
Sweet are the memories that never fade
Always so true unselfish and kind
Few in this world equal your kind
No one will ever know your hardships and heartache because you never complained
But in our memory you are with us as you always were before
Sadly missed by
Mother and Dad
Sisters and Brothers
and Child en

MARKS CHARLES VERNON—In loving memory of our dear husband father and grandfather who passed away two years ago today, February 28 1953
We loved him yes no tongue can tell
How much we loved him or how well
God loved him too and thought it best
To take him home to be at rest
Sadly missed by
Wife Pearl
Dorothy Mae Durwood

ACROSS THE COUNTER

How can one be sure he'll get a quick and fair settlement on an insurance claim?

Listen to the words of a veteran claims adjuster: "I never have any trouble with a claim that is based on a complete inventory. When a person knows what he has lost, he collects. And, when he knows in advance what he stands to lose financially, he usually has enough insurance to cover it. This goes for household owners as well as business firms."

Earl J. Andrews

"With industrial or commercial buildings, a competent appraisal BEFORE a loss helps materially. It leads to a more satisfactory settlement."

He concluded, "So take the time NOW to list the items in your home or store. Then see that your insurance policy is large enough to cover what you might lose."

This is sound advice. And we'll help you in any way we can. If you want a free HOUSEHOLD INVENTORY BOOKLET merely let us know.

Tell us, too, what the inventory reveals you need in insurance protection. We will be glad to issue full coverage.

County School Board Turns Down Transfer

Members of the Marion County Board of Education Saturday turned down a petition by three residents in the Tully Local District for transfer of their property to the Caledonia district.

Signing the petition were Homer Kile, Ora C. Gist and Mrs. Carol H. Fogts, Kile and Gist have children in the Caledonia school now for whom they pay tuition. The land of Mrs. Fogts lies between the Caledonia district and the Kile and Gist properties.

All the land, about 252 acres, lies at or near the northern boundary of the Caledonia-Tully district line.

Board members said, in denying the request, the approval of this request would lead to many more and would work hardships on the Tully District.

The county board also reviewed the requirements for education which are now before the Ohio Senate. They agreed the proposed requirements would serve to better the curriculum in all schools.

The board also discussed the every pupil tests given periodically in the county schools and how the results can be interpreted.

COMFORT FOR A FRIEND. Linda Ward, six, comforts Teddy, a mongrel spaniel, after he was hit by a milk truck at Long Beach, Calif., near her home. A Los Angeles County animal shelter truck was delayed two hours after the call for help and a Long Beach city shelter truck finally came for Teddy.

News of the District

Bucyrus

Announcement is being made here of the marriage of Mrs. Margaret Rose Krebs to Frank R. Graham. Both are Bucyrus residents.

The double ring ceremony was performed Feb. 19 in First Baptist Church at Delaware by the church pastor, Rev. James Stephenson. Attendants were Mr. and Mrs. John Graham of Wallaceburg, Ontario, Canada. Mr. Graham is a brother of the bridegroom.

Following the ceremony, a dinner for the wedding party was served at the Corona Villa in Bucyrus.

Mrs. Graham attended St. Francis Academy for Girls and Heidelberg College at Tiffin. For the past 15 years, she has been manager here of the Bureau of Unemployment Compensation and the Ohio State Employment Service for Crawford County, a post she will retain. Mr. Graham is employed at the Swan Rubber Co. in Bucyrus. They will make their home here.

—:—

Miss Marilyn E. Hollenbaugh, daughter of Mr. and Mrs. Richard Hollenbaugh, Bucyrus, became the bride of Wilbert F. Peterman in a ceremony performed Feb. 20 in the chapel of Bucyrus Good Hope Lutheran Church. The closed church ceremony was solemnized by the church pastor, Rev. E. J. Katterhenrich. The bridegroom is the son of Mr. and Mrs. Bert R. Peterman of Dallas Township, south of Bucyrus.

Mrs. Gale F. Ruth, Bucyrus, was matron of honor and Gilbert D. Peterman, youngest brother of the bridegroom, was best man. Thomas Sickel of Caledonia was usher.

A reception for 75 guests followed the ceremony in the home of the bride's parents.

The former Miss Hollenbaugh is a 1954 graduate of Bucyrus High School. She is employed as a secretary at the Crawford Steel Foundry Co. here. Mr. Peterman attended Mount Zion High School and is a farmer. They will live on a farm near Caledonia.

Mr. and Mrs. Martin E. Poland are in New Orleans this week on a wedding trip following their marriage Feb. 18 by Rev. M. P. Paetznick, pastor of Bucyrus St. Paul's Lutheran Church. The marriage took place before the immediate families in the home of the bride's parents, Police Chief Arthur L. Stuckert and Mrs. Stuckert, Bucyrus. Mr. Poland is the son of Mr. and Mrs. Hiram Poland of near Crestline.

The couple will live in Norwalk, where Poland is associated with the J. C. Penney Co. store.

Named to Phone Post

Robert E. Coffman of Prospect, general traffic manager of General Telephone Co. of Ohio, has been appointed a member of the traffic committee of the United States Independent Telephone Association. He will participate in the study of special problems pertaining to traffic and the improvement and standardization of traffic operations of independent companies. He is also engaged in similar activities in the Ohio Independent Telephone Association traffic committee, serving now as secretary and formerly as chairman.

DIES IN MIDDLETOWN

MIDDLETOWN, Ohio (AP)—Dentist Clarence Deller, 67, who practiced here for 31 years, died yesterday. His wife, Edith, died in February 1954. She was a niece of former Gov. James M. Cox.

PLAN SPECIAL TRAIN

CHARDON, Ohio (AP)—The National Railway Historical Society will sponsor a special train to the Geauga maple festival Sunday, March 27. Running over the Baltimore & Ohio Railroad, the train will leave Canton at 8:30 a.m. and Akron at 9:10 a.m. Excursion tickets will be available in both cities.

Honeymoon With Ike Over

Democrats Out To Retain Support of Voters in 1956

By JAMES MARLOW
Associated Press News Analyst

WASHINGTON (AP) — President Eisenhower's relationship with the Democrats — sweet as sugar candy in his first two White House years— is developing tart taste.

In those first two years, when the Republicans ran the show, the Democrats saved parts of Eisenhower's program for him more than once. Mostly they watched and waited, a policy which paid off.

The Republicans, with their intraparty fighting, made a spectacle of themselves. It was probably that, more than any fervor for the Democrats, which induced the voters in 1954 to turn Congress over to the Democrats.

—:—

THE 1956 ELECTIONS are 21 months away. Eisenhower looks like a good bet to run again. If he does and wins, he may do what he did in 1952: pull enough Republicans along with him to give his party control of Congress.

The Democrats between now and then, if they hope to have any voter appeal, must establish a record of their own. They've already begun work on it.

This inevitably means conflict with Eisenhower, who has an understandable desire to make a record of his own.

The Democrats will probably continue to treat him politely. He's still immensely popular.

—:—

BUT HOW THEY TREAT him personally and how they treat his pdogram are two different things.

With the new Congress not yet in session two months, the Democrats have made a quick start in opposition. They've jumped on his school aid and highway programs and may substitute their own.

House Democrats have voted to give a $20 tax cut to everyone. When Eisenhower surprisingly—he's been careful not to make people mad at him personally—cried "irresponsibility," the Democrats taunted him.

They charged his Republican-run Congress last year put through a tax cut for rich folks. The Senate, self-conscious after voting itself a pay raise, may go along with the tax reduction.

—:—

FOR TWO YEARS the Republicans made themselves look good with their arithemetic on all the security risks they said they fired from the goverment. The Democrats are going to make a long investigation of that program.

This is just a start. Since voters' memories can be unreliably short, the Democrats will have the job of jogging them with new investigations and new opposition.

While they can be expected to go along with Eisenhower's foreign policy so long as it suffers no reverses, they'll have plenty to say about it.

Many Projects Under Way

Private Atomic Industry Beginning To Stir in U.S.

By SAM DAWSON

NEW YORK (AP)—The baby sister of the A-bomb—the private atomic industry—is six months old today

She isn't walking yet But she's beginning to pull herself erect at the table legs and has grown much more rapidly than many expected when President Eisenhower signed the Atomic Energy Act Aug 30, 1954

Harnessing the atom to commercial use is well under way An atomic-powered plant to feed electricity into commercial power lines is a building on the banks of the Ohio Others are projected in the Hudson Valley, in New England, California, Illinois, Michigan and elsewhere

Byproducts Widely Used

Use of the byproducts of nuclear fission in many industrial processes was widespread even before Congress lowered somewhat the bars to private use of nuclear fission for power

Scientists have formed consultant agencies to steer corporations wanting to get a head start in the atomic race Moneyed men have formed groups to finance atomic industry A mutual fund that specializes in stocks of companies in various atomic activities has even been formed

Corporations have announced plans to build nuclear reactors in Ohio, New York, Illinois and plan them elsewhere Still others are drawing up plans for atomic research and development projects for submission to the Atomic Energy Commission before the deadline a month from today

None of this means that nuclear fission is going to be a big part of your life tomorrow, or next year It will be a long time coming but the start is much snappier than the pessimists predicted

Some corporations are working with AEC on power plants at least partly financed with public funds Under way is an 84-million-dollar nuclear-powered plant which Duquesne Light Co will operate at Shippingport, Pa, on the Ohio River. It may be making electricity by the end of 1957

Allis Chalmers is working on another for the Argonne National laboratory to be built at Lemont Ill

North American Aviation is working on a 10-million dollar project to be built near Santa Susana Calif The Oak Ridge National Laboratory is trying another type at its Tennessee plant

Babcock & Wilcox heading 14 private companies and three other organizations will work on a liquid uranium power plant with the Brookhaven National Laboratory on Long Island

Private Power Plant

Consolidated Edison will build an atomic power plant using only private funds 40 miles up the Hudson River from New York City It hopes the 200 000 kilowatt plant will be operating by 1959

The Yankee Atomic Electric Co formed by New England utilities and working with Monsanto Chemical hopes to start a 50 000 to 75 000 kilowatt unit

Detroit Edison and a group of corporations may start work on a 50 million dollar 100 000 kilowatt plant by year's end

Private corporations also are planning to harness the atom for other industries than electric power American Machine & Foundry will build an entirely industry financed research reactor for radiation experiments in electronics, oil, food pharmaceuticals chemicals, rubber, metals and textiles

Jersey Standard Oil plans a radiation laboratory at Linden N J to see what atomic energy can do for the petroleum industry

Battelle Memorial Institute will build a reactor near Columbus Ohio Armour Research Foundation of the Illinois Institute of Technology has one planned for the Chicago area with cost shared by several corporations

American Locomotive is building a package nuclear power reactor for the Army The Navy already has one atomic submarine The Air Force has some private companies studying problems of a nuclear powered airplane

FIRST WITNESS G Keith Funston president of the New York Stock Exchange is scheduled to be the first of some 20 financial and industrial witnesses when the Senate banking committee begins its friendly investigation of the stock market March 3 Senator William Fulbright (D), heads committee

Arthritis Strikes Giraffe At Oklahoma City Zoo

OKLAHOMA CITY (AP)—It's bad when a giraffe has larvngitis but it's worse when its arthritis

That's what is ailing a lady giraffe in the Lincoln Park Zoo and it has Director Julian Frazier up in the air The victim, who hasn't a name is in serious condition Frazier says he is going to have to rig up some sort of sling today to hoist the ailing giraffe so she won't have to bear any weight on her forelegs

The extreme lameness of the giraffe's front legs has led to even greater complications She tried to get up on her feet the other day and fell fracturing the kneecap on her right leg

Steak Goes Up in Smoke

BANGOR Maine (AP) — A police dispatcher sent a patrol car last night to a fire scene, giving this address '4 Wingate Court

From another cruiser car Patrolman Bernard Welch spluttered I'll take that call That's my house

Soon his voice came over the radio

'It's okay except the steak I was going to get for supper is burned to a crisp'

News of Granges

MARTEL

Nine District Students Among State's Top Scorers in Exams

Nine seniors from the Marion area today were ranked among the top five per cent of students in the state in results of the general scholarship test for high school seniors taken Jan 28

A total of 13 981 seniors took the test this year Of those taking the exams 6 542 were boys and 7 439 were girls

Elizabeth Joan Deutsch of Shaker Heights High School with a score of 264 was the top student in the state Nicholas J Sopkovich of Canfield High School was high among the boys with a score of 261

Ranked among the top five per cent were the following seniors from the Marion area Donald Stuart Edgecombe of Cardington 219 Roger Owen Sage of New Washington 217 Eugene L Arnold of Pleasant 212 Martha Ann Clark of Caledonia, 209 Vaughn LeRoy Brown of Kenton 204 Sally Linn Waddell of Harding 204 Diana Mabel Flechsenhar of Sycamore 203 Judy Ann Street of Harding 199 and Julia Mae Kebe of Bucyrus 198

Officials of the State Department of Education point out the results of the tests are recognized by colleges and universities in the country as one of the most reliable measures of probable academic success in institutions of higher learning

As the tests were given the students were asked to indicate which profession they preferred Boys generally chose physics engineering and medicine Girls picked teaching, medicine and journalism as the most popular

Results of the tests are sent to colleges indicated by the individual students at the time of the examination The results will be used as the basis for possible scholarship awards

Japanese industries produced $6 745 000 worth of armaments for U S troops in Japan during 1954 more than 99 per cent of it ammunition

Marion Boy Injured When Struck by Car

An 8-year-old Marion pedestrian was injured slightly in one of nine traffic accidents investigated over the weekend by city police. Sheriff's deputies reported one minor accident on county roads. State patrolmen reported no accidents.

Hurt when struck by a car at Silver and Oak Sts. at 4:51 p.m. Saturday was Ray Moloney of 204 Silver St. He was walking west across Oak St. with the green light and was struck by a car making a right turn off Silver St., police said. Taken to General Hospital by his father, Ray was treated for an injury to his right arm and was released.

The driver of the car, Foster D. Thacker, 41, of 464 Lee St. was arrested on a charge of failure to yield the right of way to a pedestrian. He is to appear in Marion Municipal Court for a hearing on the charge.

A collision at Davids and Buckeye Sts. at 7:02 p.m. Saturday involved cars driven by Mrs. Ethel O. Lutz of 619 Henry St. and Robert Kinkaid of 755 Waterloo St.

Each of the remaining seven collisions caused less than $100 total damage and details were not reported.

Car Runs Into Ditch

Sheriff's deputies reported one minor accident Sunday morning. It happened at 12:25 a.m. on Route 4, two miles south of Marion.

A car driven by Clarence Shuster, 64, of near LaRue went into a ditch to the side of the road. Shuster told deputies he was blinded by the headlights of an approaching car and lost control of his vehicle. Minor damage was done to the car.

New Orleans Host To Finance Talks

NEW ORLEANS (AP) — The Inter-American Investment Conference opened here today amid hopes it would lead to a better understanding between businessmen of the United States and Latin-America.

Although the four-day meeting is a private affair, the governments of participating countries were viewing it with interest.

An address by President Eisenhower over closed-circuit television was scheduled to get the conference under way.

The President's International Development Advisory Board recommended the conference, aimed at promoting economic progress in Latin America through private capital investment from the United States.

Marion Man Fined In Theft of Shirts

A 30 - year - old Marion man charged with petty larceny pleaded guilty in Marion Municipal Court today and was fined $50 and costs.

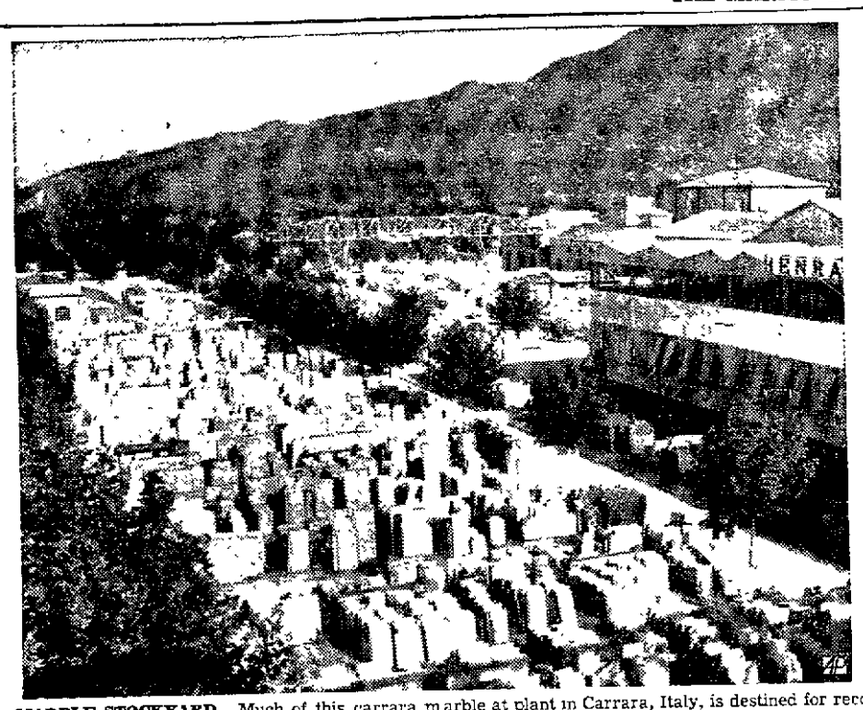
Harry A. Wilson of 137 S. High St. was accused of stealing five shirts valued at some $20 from a car owned by William Knight of 121 E. Church St. Knight reported the theft to police at 12:59 p.m. Sunday and said it had occurred sometime Saturday while his car was parked at the rear of the 100 block on S. State St.

Wilson was picked up by police at 6:25 a.m. Sunday when they became suspicious of his actions. Later through information given them, police found the package of five shirts where Wilson had left them at a restaurant, Police Chief Thomas B. Coon said.

Attends Loan Meeting

Ted Ochs, manager of the local branch office of the City Loan and Savings Co., attended a statewide managers' meeting held at the company's headquarters offices in Lima during last week.

The business meetings, at which 141 office managers attended, were called to outline consumer credit plans and policies effecting customers of the firm.



MARBLE STOCKYARD. Much of this carrara marble at plant in Carrara, Italy, is destined for reconstruction of Monte Cassino Abbey destroyed during World War II.

Galion Driver Cited After 2-Car Mishap Causing Injury to 3

BUCYRUS — Frank D. Parrish, 35, of Galion, whose car was involved in a two-car collision near Crestline Friday night, has been cited to appear before Crestline Crestline Friday night, has been cited to appear before Crestline Mayor Nelson Lee March 7 for failing to yield the right of way. Charges were filed against Parrish by the Bucyrus post of the state highway patrol after an investigation of the collision.

Injured in the crash were Parrish; his wife, Edith, 29; and Charles C. Cress, 38, Bucyrus. Parrish was released from Crestline Emergency Hospital Saturday morning, after being treated for contusions and lacerations of the face, head and right knee. His wife remains in the hospital with fractures of the right leg and nose and contusions and lacerations of the face and arms.

Most seriously injured was Cress, an employe of the Wilkins Air Force Depot at Shelby. He suffered several facial lacerations, a fractured jaw, possible back injuries and contusions and abrasions of the body. He was transferred from the Crestline hospital to Mansfield General Hospital Saturday night. His condition was reported as "critical."

Parrish was going north on State Route 598 when his car collided with Cress, who was traveling alone toward Bucyrus on U.S. Route 30-N.

WATCH STOLEN

Theft of a wrist watch valued at $50 from the Best Jewelry Store on S. Main St. was reported to police Saturday afternoon by Robert Rappenport, owner of the store. He said the watch was stolen sometime Friday.

Band, Orchestra At Harding Present Concert Before 250

Members of the Harding High School orchestra and concert band began preparations today for the second of their concerts following a successful performance Sunday afternoon.

Before approximately 250 persons in the Harding auditorium, the band and orchestra put on their "Pop Concert." On the evening of May 3, they will present their "Formal Concert."

For its selections, the orchestra played "Snow White Fantasy" by Churchill-Herfurth, a Mozart Suite, consisting of the theme from the "Piano Sonata in A" and the "Allegro from Symphony No. 1"; "Midnight Beguine" by Grundman; "Sunset Soliloquy" by Walters and "An American Rhapsody" by Grossman.

Called back for an encore, the orchestra responded with the "Synchopated Clock" which was popular several months ago.

The band opened its part of the performance with the school alma mater. It then played "Fairest of the Fair March" by Sousa; "Jesu, Joy of Man's Desiring" by Bach-Leidzen; "American Folk Rhapsody" by Grundman; Stephen Foster Melodies; selections from "An American Weekend" by Morrisey; and "Colonel Bogey March" by Alford.

For its encore, the band played the "Brass Band Boogie."

Between the orchestra and band portions of the concert the Little German Band consisting of Craig Anderson, Roger Ward, Larry Walter, Charles Kaelber and Melvin Truex, entertained the audience.

Ex-Canton Repository Managing Editor Dies

ST. PETERSBURG, Fla. (AP) — Funeral services will be held today for Clyde E. Hovis, former managing editor of the Canton, Ohio Repository, who died Friday. He was 66.

A native of Marietta, Ohio, Hovis started as a reporter for the Canton Repository in 1913, covering city hall and police news. He later became city editor and then managing editor, a post he held until 1927 when the newspapers was sold to the Brush-Moore chain.

Road Program To Start

Reed Ours, county engineer, today announced that men from his department will start the road smoothing program on all stone roads in the county this week.

Ours said the program will consist of smoothing off humps in the stone roads and filling in holes with stone where needed.

Judge Believes Days Numbered For Clinging Vine Type of Wife

HAMILTON, Ohio (AP)—Common Pleas Judge P. P. Bolli, who occasionally forsakes legal terminology for lighter comment in his court opinions, today foresaw "the handwriting on the wall—the beginning of the end" for the "clinging vine" type of wife.

Judge Bolli made that observation as he denied cross petitions for divorce filed by Laura and Tilford J. Stolts. They have been married 35 years and have a minor child.

The judge declared Mrs. Stolts testified that from her earnings as a practical nurse she "paid for all the furniture, storm windows and doors, kitchen sink, venetian blinds and other items."

"She further testified," Judge Bolli said, "that she always paid five or six per cent interest on money she borrowed from him to meet expenses; that she paid him $10 for painting the kitchen and that she always paid him to baby sit for her when she went shopping."

Then the judge added:

"The facts in this case perchance foreshadow a vast change about to ensue in the marital relationship growing out of the employment of and resulting emancipation of women—A recognition that this new status for woman entails responsibility on her part — a pattern for this new family relationship—a cease fire, as it were in woman's battle for woman's rights.

"Here the wife, duly appreciative of her newly gained freedom, has voluntarily assumed the obligations that attended. For the 'clinging vine', this is the handwriting on the wall—the beginning of the end—no more petty pants pilfering. . . ."

Holding that evidence showed Solts made the payments on the home and furnished most of the food, Judge Bolli declared he did not believe Stolts has been guilty of gross neglect or extreme cruelty and he added:

"All hail, then to the husband who baby sits—and gets paid for it—may his sittings multiply and continue. . . ."

Marionites in Florida

Former Marionites who have established residence at Bradenton, Fla., are Mr. and Mrs. Arnold Ferrel, who resided previously on Barks Rd. here. They went to Florida for the winter and Mr. Ferrel is at present in Marion settling business affairs.

Mr. Ferrel reports that though the Bradenton residents report colder weather this year than for the last 10 years, tomatoes are ripening on the vines there and beans, strawberries and other crops are ready to be picked.

The closely-guarded Shinkolobwe mine in the Belgian Congo is rated as the world's richest uranium deposit, says the National Geographic Society.

ATOMIC BLAST CANCELLED

LAS VEGAS, Nev. (AP)— Atomic test officials meet today to decide if the weather will permit an atomic blast at dawn tomorrow. Wind conditions cancelled today's scheduled blast.

What About the Old Roads?

In the race to construct new and better highways in Ohio, the state highway department has been left with insufficient funds to do an adequate job of maintaining the old ones.

With the voting of the half-billion-dollar bond issue program and the passage of new taxes to finance it, most people began to dream of motoring utopia with networks of spanking new highways to every corner of the state.

To be sure, there will be NEW highways. There will be hundreds of miles of them as Construction Council funds (from the bond issue) begin gushing into the avenues of construction this year.

But don't be misled into believing there is anywhere near enough money to replace or rebuild all the state highways in Ohio.

Thousands of miles of them never will be replaced or rebuilt. But they must be maintained and improved, and bond issue money cannot be used for that.

There's the rub!

There simply isn't enough money to do that job, and every municipality which has asked help in resurfacing state routes as part of its street maintenance program is learning the hard way that the state cupboard is almost perpetually bare.

The state highway department has two funds designed to keep existing roads from falling apart.

One is known as the highway improvement fund, the other as the maintenance fund.

The improvement fund has approximately 16 million dollars annually to resurface roads in 12 state highway districts.

The maintenance fund has upwards of 35 million dollars to remove snow, apply abrasives to slippery roads, patch winter damage and maintain the personnel and equipment in the department.

From the point of view of the state highway people, the villain is the Wheeler Act of a couple years back, which deprived the department of approximately 12 million dollars annually from auto tag fees. This money, in turn, was given to counties, municipalities and townships.

This may or may not have been a wise move, but it did have the effect of cutting sharply into funds available for improving many of the state's major highways.

It also siphoned from the funds once available for maintenance, whose demands are constant and can least afford paring.

Hence the highway department was forced to dip into the improvement fund to the tune of about 8 million annually to restore normalcy in the maintenance fund.

All of which may be just so much boring arithmetic to most of us, but ultimately it will mean bumpy motoring for all of us.

Out of Many Words

A member of the U.S. House of Representatives from New York state, Harold C. Ostertag, has complained that Congress is too wordy for its own good and the good of the country. He seems to feel this is the unfortunate result of the gift of gab that most congressional candidates rely on to win election in the first place.

When the candidates are through campaigning they would be well advised to conserve their words, — in Rep. Ostertag's opinion — not only their spoken ones but their written ones. They are swamping the Library of Congress as well as the Congressional Record.

"Unless we put a curb on this verbosity," warns Rep. Ostertag, tersely, "chaos awaits."

But there is another side to the proposition, and it cannot safely go ignored. Out of many words comes truth as well as confusion. While words may be used to conceal truth, they also reveal it.

Everybody would be better off if more truth could be conveyed in fewer words. Time would be saved and understanding increased. But generous allowance must be made for the inability of most of us to understand what we are trying to convey until we have "played it back" — until we have heard what our words sound like or have seen what they look like.

Words are cheap when they are used to gain understanding, even when the understanding is gained by accident, as it is when a spellbinder is given time enough to hang himself in his own oratory.

Strides in Medicine

One of the most convincing signs that we are living in a fast-moving age is the news that 70 per cent of the prescriptions filled at drugstores these days are for drugs which have come into use only within the last 15 years.

What this means in the reduction of pain and in extending the life span is beyond imagination. Among the ailments which have been greatly curtailed by the new drugs are pneumonia, rheumatic fever and a wide range of infections such as mastoiditis and appendicitis.

Most of the new products are antibiotics, such as penicillin, streptomycin, chloromycetin, aureomycin and terramycin.

Such strides in medicine as in other phases of human progress usually occur in waves, with periods of great advances separated by many years. We sincerely hope that the historic development of these "miracle" drugs does not constitute a closed period and that gains of the last 15 years are simply the forerunner of even newer and better tools for treating the ills of man.

Out on a Limb

By Jay G. Hayden

Tax Cuts May Embarrass Democrats in House

Two embarrassments for House Democrats in their attempt to impose an April 1 tax squeeze on President Eisenhower are plainly evident.

First, Senators Byrd and George, the two top Demorats on the Senate Finance Committee, already have indicated their opposition to the $20-a-head, year-deferred tax reduction tidbit, voted by the House committee.

It remains to be seen whether these senators can defeat the House maneuver, but it is certain that their stand will split the Democratic congressional majority wide open if the tax scheme persists to the point of final showdown.

Secondly, while the House Democrats have moved to jump the gun on tax reduction, virtually all of their other partisan demands call for more spending than the presidential budget.

Thus, Democrats have complained loudly that the cut in military personnel proposed by the President endangers the national safety, and that plans for federal aid to education, highway construction, public health and pay raises for government employes all are too niggardly.

-:-

IT MAY BE pointed out further that the house committee vote for a tax reduction estimated to cost 2 billion dollars a year followed by less than a week a 283-to-118 decision by House members as a whole to boost their own salaries by 66 2-3 per cent, from $15,000 to $25,000.

The one surprise in connection with the tax reduction proposal is that Speaker Rayburn and Chairman Jere Cooper, of the House Ways and Means Committee should have fallen for such an obvious and relatively trivial political dodge.

The answer to that riddle is simply: It is that after six weeks of the present session, in which Democrats repeatedly have saved President Eisenhower's legislative bacon, the pressure by organization Democrats for something to differentiate their party from the Eisenhower Republicans was becoming terrific.

Last week the Democrats rallied to pull the President's reciprocal trade extension out of the House fire, and a little earlier Sen. George piloted both the resolution freeing the President's hands concerning salvation of Formosa and the U.S.-Nationalist Chinese Mutual Defense Treaty to easy passage.

Especially, Paul Butler, the new Democratic chairman, was asking the congressional leaders imperatively, "when are you going to give us something to fight about?"

-:-

EISENHOWER himself gave the Democrats their cue when he said in his economic message that while tax reduction this year is out of the question, by 1956 "Congress might consider enactment of a general, though moderate, reduction."

Jumping to the idea that the President was planning a Republican-conceived cut on the eve of his own candidacy for re-election, the House Democrats moved to beat him to it by voting this year a decrease not to take effect until next year.

And meager as the $20-a-person tax reduction sounds, it fits the Democratic conception that there are more votes in lopping off a lot of little people at the foot of the taxpayer ladder than in reducing taxes all along the line. Specifically, it is claimed that the $20 tax cut would exempt altogether some 4 million present taxpayers.

One fault of the Democratic plan may be its failure to take account of other tax phases. For example, the opportunity for tax reduction at this time is provided by the President's request for extension of existing taxes—on corporations and assorted commodities—set to expire April 1, with consequent loss of 2¾ billion dollars in annual revenue.

-:-

UNDER EXISTING LAW the tax on automobile sales would go down from 10 to 7 per cent; buses, trucks and automobile parts, 8 to 5 per cent; gasoline and Diesel oil, 2 to 1½ per cent; cigarettes, 8 to 7 cents a pack; beer, $9 to $8 a barrel; and distilled spirits, $10.50 to $9 a gallon.

Increases of all of these items and on corporations were voted on account of the Korean War. It would seem that before sopping up all of the chance of tax decrease a year from now, the rights of the people still carrying the Korean tax burden at least should be considered.

Particularly, one wonders why Rep. Dingell, Democrat of Detroit, representing one of the nation's largest automobile manufacturing districts, fell for the $20 individual tax cut at expense of continuing the strictly wartime levy on all automobile buyers.

A Little Bit of Blarney

By MARK DANA

It's a bit disconcerting to record that the owner of Blarney Castle and its Blarney Stone in Ireland has just died at 67, which is premature for a man with his impressive legacy.

Sir Richard Colthurst, of Glanmire, Cork, served as a World War I captain and for a year was sheriff, but apparently had not the gift of glib gab reputedly imparted by his piece of rock.

A man named Cormac McCarthy, obviously no Frenchman, built the castle in the 15th century. He once saved an old woman from drowning, and some genii or shade of good fairy promised him the talent of eloquence if he would kiss a certain stone near the top of the castle wall. A woman, the daughter of St. John Jefferyes, later owned the castle but may not have felt any need for such osculatory stimulus for locution.

A Colthurst married her, and goodness knows how many tourists during the last five centuries have been swung by their heels down the castle wall to acquire the art of blarney by credulous labial caressing of the unfeeling Blarney Stone.

Sir Richard must have enjoyed owning this old rock, and no doubt he took in many a shilling from the kissers, which is one way for a baronet to earn a living. There aren't many.

The usual ascription of having kissed the Blarney Stone involves a propensity for saying nice things, not necessarily a lot of things, and there can be high merit in flattery and cajolry which usually is not found in mere garrulity.

We think of the gift of eloquence, too, as being vocal quantity and not necessarily quality. Plenty of public speakers are eloquent but eventually sit down without having said anything.

The real Blarney Stone gift, it seems, is the art of uttering sweet sounds, however few. Teen-aged lads trying to borrow Dad's car for the evening became adept at this without visiting Eire.

Horses Are Vehicles

PARSONS, Kan. (AP) — A $50,000 damage suit puts this problem to a Cherokee County jury: To what extent must a riding horse be fitted out with head and tail lights?

The suit was brought by Jack Conrad, who was hit by a truck while cantering down a highway. The defense noted Conrad's horse had been unlighted after dark.

When a lower court struck out this part of the defense contention as irrelevant, the Kansas Supreme Court reversed the decision. It sent the case back for trial, asserting that horses are "vehicles" in the legal sense and subject to rules of the road.

GRIN AND BEAR IT By George Lichty

COMMISSAR OF PUBLIC OPINION (1955)
IS EVERYBODY TRYING TO GET INTO ACT
IS LEADER OF THE MOUTH
PRESIDENT AND VICE PRESIDENT

"Is grumbling among peasants about 'special privilege . . . Is asking if ousted leader is falling down on job, how come he is not liquidated like anyone else? . . ."

Welcome Hand, But . . .

Stable Dollar Boon to U.S. Workers

By David Lawrence

How many people know what is meant by the expression "a stable dollar"? Yet whether America is to have a sound dollar depends upon the number of voters throughout America who understand the meaning of that term.

Hence, when the President of the United States explains it in the simplest language, his words are worth printing in exactly the form in which he uttered them. Paraphrases of condensed dispatches do not always convey the full meaning.

Basic education on the importance of the dollar as a unit of purchasing power has been neglected. Only when the dollar begins to buy less and less does the public awaken to the dangers and begin to ask questions as to why the catastrophe has happened.

Eisenhower explained his concept of the dollar when he was asked at his press conference what he thought of the proposal of the majority of the Democrats in the House of Representatives to give everybody a $20 tax cut. The President did not say that tax cuts couldn't be granted while the budget was unbalanced. Indeed the correction of inequitable tax rates last year led actually to an expansion of business and an increase in the total tax receipts.

-:-

HE DID SAY, however, that a tax cut which ignored sound principles of taxation and resulted in inflation was dangerous to the economy.

"Any proposal to reduce taxes," explained the President, "is, of course, popular, and at first glance this is a kind of proposal that should make an appeal to low income brackets. Let's take a little closer look at this proposal and start off with this observation:

"Whenever you have inflation, the immediate effect is to hurt the people of fixed incomes — white-collar workers and others who for the moment, at least, are on relatively fixed incomes. But, in the long run, the person who is hurt most is the person who lays aside savings in the form of pensions, insurance plans, and savings bonds for use in his older age.

"For example, anybody who paid up all of his share of a pension by as early as 1939 was getting in 1953 half of the worth of the dollars, of the worth of the pension plan he had bought.

"Now, when we talk of decreasing revenues at a time when the government, in spite of every saving we have been able to make, is still spending somewhat more than it takes in, we are reaching some kind of heights in fiscal irresponsibility, and because this does have on the surface a popular or appealing appearance, these people apparently hope it may be passed . . .

-:-

"NOW, WE INHERITED in 1955 a budget that contemplated a 9.9 billion deficit in federal financing. By hard work — and I assure you it is hard work when you realize that every bureau of government feels it should have more money— we have reduced that to an expected deficit in 1956 of something less than two and a half billion, or in that neighborhood, as estimated.

"Now, (if we increase the deficits) we are going back to deficit spending, the most insidious thing that can happen to a free economy, and particularly in its bad effects upon low income groups. I should like to call your attention to a statement by economists of the American Federation of Labor, which said the year 1954 was the finest over-all salary year of their history.

In spite of the fact that their salary increases were only five to nine cents — in general insignificant or small as compared to salary increases of the past — their purchasing power, due to the stability of the dollar, their over-all position in the salary angle, was the best of their history.

"In the last two years, the cost of living has varied less than one-half of one per cent. From 1939 to 1953, the dollar went from 100 cents to 52 cents. It is that kind of thing that must be stopped if we are to preserve the principles on which this country was established. It is based on a free economy which in turn is based on a stable dollar, which in turn is more important to all low income and fixed income groups than it is to rich people.

"Rich people can buy equities (stocks), can afford to invest in equities, and as the dollar goes down, cheapens, the amount of dollars that they have invested goes up and up. But the fixed income group — the man who is buying an insurance policy or looking forward to living on his pension — is the one that is hurt. We simply cannot have this kind of thing in responsible government."

The President advocated tax revision that is "thoroughly worked out" so as to achieve stability in living costs and the proper distribution of taxes. This was started, he said, with the tax changes last year, and it has resulted in an upswing in business and a return of confidence.

This is the main difference between the policies of the Republican and the Democratic party, and should interest those who sometimes say they can perceive no difference between the two major political parties in America today.

(N. Y. Herald Tribune)

If It's a Trend, It's Dark

The recent article in the Eugenics Quarterly which came out flatly and asserted that men increasingly are performing chores in the home traditionally done by women may read solely by folks up to their professional ears in eugenics who probably agree with the surveyor-writer.

He was Dr. Nelson N. Foote, director of the Family Study Center of the University of Chicago, hence a man, and none of his tears of sympathy was found on the magazine pages, so he may have written jubilantly.

Among the "more culturally alert and servantless segments of the urban, educated classes," he wrote, such domestic duties as diaperchanging, dish washing, cooking, cleaning, laundering and shopping "tend to be shared" more and more by husband and wife, and some husky males may murmur that if such things constitute eugenics or any other sort of "ics," somebody is giving wives dangerous ideas.

Dr. Foote writes terms like "crossing of ancient boundaries" as both natural and commendable — only, of course, he perceives men crossing the lines into women's spheres. His vision gets bad when there's a suggestion that more women should chop stovewood, hoe corn, mow the lawn, shovel the snow, and such gentle tasks on the other side of the boundary crossing.

The article goes on and on to imply that more men would be doing more sewing, save that all home sewing is declining, but that lots of men are cooking now who never cooked before.

It all adds up, of course, to a bit of froth, albeit in the best eugenics tradition, and maybe there are some woman's wiles behind this. It's an old feminine trick, in wanting a husband to do something, to assert that Mrs. Smith's husband does such things and without grumbling protest.

Target Practice

By BILL VAUGHAN

Khrushchev the Communist party boss angrily denounces those who would produce more goods for the Russian consumer. He feels that it's privilege enough to live in Utopia; people shouldn't expect to enjoy it, too.

—:—

The essence of successful fatherhood, it occurs to the fellow at the next desk, is to develop the children's confidence so that they'll take your word that you were a great ice skater in your youth without making you go out on the pond and prove it.

—:—

Learning the mambo from diagrams might work, once you get past the things that lie before us for both feet in the air at the same time.

—:—

Mrs. Roosevelt reports on a speech by her son, Franklin Jr.: "He made one point that struck me especially, namely, that while we can learn with profit from the past, the thinks that lie before us are new and may require new answers." And, even allowing for a mother's understandable prejudice, that would be a tough one for the Republicans to deny.

Husky Dressmaker

MEMPHIS, Tenn. (AP) — M. D. Walker stands 6 feet 2, weighs 215, packs a pistol — and sews a fine seam. Ask 6-year-old Barbara Jo Walker where she got her pretty dresses and she'll reply, "Daddy made them."

Walker, a state highway patrolman, says it started two years ago when he got his wife a sewing machine. Mrs. Walker didn't take to sewing but the big officer did and since then he's made about three dozen dresses for Barbara Jo and several for his wife.

Daily Bible Thought

"That they all may be one, as thou Father art in me, and I in thee, that they also may be one in us." — John 17:21. It is a tremendous thought that we may be a very part of the Infinite. We do not need to be worms unless we want to be. God is seeking us and eager to welcome us.

Words of the Wise

I hope I shall always possess firmness and virtue enough to maintain what I consider the most enviable of all titles, the character of an honest man. — George Washington

The Once Over

By H. I. Phillips

Look Away, George!

George Washington, looking down on America the week of his birthday, must have exclaimed, "The father of all this! There must be some mistake." . . An American-born youth boasting, on Washington's birthday, of his performances as a liar before a Senate committee! Thousands of Americans watching in a picnic mood a grisly Sunday afternoon death scene! Long lines of men, women and children filing, through sheer curiosity, past the coffin of a notorious killer! Mobs fighting the police in a Mardi Gras prelude to the holy Lenten season! And a Washington's Birthday atomic bomb explosion at Yucca Flat! (We hope a kindly angel turned the great patriot away and said, "Don't look now, George. You'd never know the place.")

-:-

A liar boasting of his lies,
A fat-faced youth defying codes.
For this did Washington endure
The ordeals on those bloody roads?

II

A youth who tells of perjuries,
His manner smiling and assured,
To sell a book about his acts. . .
(For this was Valley Forge endured?)

III

A grinning crowd in picnic mood
Beholding death with eyes aglow . . .
For this did crimson footprints mark
Each grim march in the winter snow?

IV

A cheapness in the very air . . .
A baseness in the sordid scenes . . .
No father of such countrymen
Was Washington by any means.

Jim Farley has been made a New York State Banking Commissioner, as the public representative on the ten-man board. . . Okay, Jim, and how's about a Coke with every deposit? With every bank giving us something for the return of the bottles?

It looks as if the plan for a merger of race tracks in New York would go through, with Belmont the superdooper track. . . Things are so congested at New York tracks now that not even a tip can get through without being filtered. . .

A famous entertainer has taken her fifth husband, a fellow with two previous wives. . . Were they being married or just cutting in?

Picture windows will soon be standard on all army field tents. Thus a GI may not know where he is going, but can get some idea where he has been.

Milton Berle got back into his old-time knockabout comedian routine last week, even plunging twice into a tank of water. Take it easy, Milton. Jackie isn't crowding you that fast. . .

Fifty - four - thousand lawyers, through the American Bar Association, are represented as demanding Federal Social Security. . . That groan you hear is from clients who have just received a bill from counsel. . . Of course a lawyer can wind up as needy as the next fellow, but it is hard to think of Rowley, Powley, Howley, Gowley & Spinach as lacking the money to take care of themselves. . . And it will seem strange hearing a mouthpiece saying to Uncle Sam, "Did you mail me my check? Answer yes or no."

Since the big New York tapped-phone scandal the least sung song in New York is "All Alone By The Telephone."

Ever since boyhood Fred Bradna was to us "Mister Circus." Dead in the southland, this trim, silk-hatted debonnaire ring director of the Big Show had been a familiar figure summer after summer. Watching a circus in Paris a half century ago, a beautiful bareback rider fell from her horse, almost into his arms. . . He married her, became an equestrian, joined the circus with her and had been a part of it ever since.

News of Other Years

40 YEARS AGO — George E. Dwyer, 58, former Marion County surveyor and city engineer, died in Cincinnati.

Mrs. J. D. McKisson, 80, died at her home on Superior St.

L. D. Zachman was speaker at the weekly boys' meeting at the YMCA.

—:—

20 YEARS AGO — The end of the month brought news that a five-year record for the sale of new automobiles had been set in Marion County during February with 77 new passenger cars sold.

Mrs. French Crow, Mrs. James R. Smith, Mrs. E. O. Uncapher and Miss Edith Keeler gave papers when the Art Club met at the city library.

Mr. and Mrs. Harold Haughn of E. Farming St entertained at a farewell party for Mr. and Mrs. William Barber, who recently had moved to their new home northwest of Marion.

A surprise party was given for Emanuel Hecker at his home south of Agosta, complimenting him on his fifty-first birthday anniversary.

—:—

10 YEARS AGO—Resignation of Ross J. McGinnis of 129 Garden St. deputy in the county sheriff's office, effective Thursday, March 1, was announced by Roy Retterer, sheriff.

Harry W. Haberman of 445 Delaware Ave. had been appointed deputy registrar of motor vehicles in Marion and was to assume new duties Thursday, March 1, when the new automobile license plates were put on sale for the first time.

Everett L. Cranston, 21, of Uncapher Ave., formerly in service at Camp Walters, Tex., died in City Hospital.

The directors of the Marion Chamber of Commerce granted Louis E Michel, who had served as Chamber secretary for more than six years, a leave of absence to serve with the American Red Cross in war-related work, and Hugh E. Webster, personnel manager of the Marion Metal Products Co., was employed as acting secretary of the Chamber.

Pvt. Earnest Messenger, 27, of 359 Blaine Ave. had been missing in action in Germany since Feb. 9, a telegram from the war department notified his wife.

Mrs. Robert Brown was chosen president when Beta Gamma chapter, Lambda Chi Omega sorority, elected officers for the coming year at the home of Mrs. John Gruber of W. Church St.

Radio and Television

By JOHN CROSBY

Fat and Rainy Tuesday

NEW ORLEANS

One of the things television promised to do for us was to transport us here and there and show us sights and events as they occur. It has done precious little of this. Once in a while we get a Rose Bowl, a senatorial hearing or an inaugural — but just once in a while, commercial television being what it is.

JOHN CROSBY

I'm happy to note the increasing frequency with which colorful events are now being incorporated into the regular commercial shows. "Home" and "Today" have been voyaging all over in pursuit of colorful locale, more or less prodded by Pat Weaver, who will get a camera on water skis yet, come what may.

-:-

LATEST OF THIS SORT of remote cut-in was on the Arthur Godfrey show. Peter Lind Hayes and Mary Healy journeyed down here to show the TV audience a bit of the Mardi Gras. For about half an hour Peter showed us some of the insanity, at least the outlying fringes of it, that afflicted this town on Fat Tuesday.

There in New York on a split screen was Godfrey and here in the French Quarter was a 91-year-old woman who attended her first Mardi Gras in 1875 and who spoke mostly in French.

In spite of the fact that it was raining on her, and the weather was about as terrible as it's ever been on Mardi Gras, the old lady considered that everything was "tres bien." Nothing could have conveyed the peculiarly Gallic quality of the festivities here better than a little old lady saying that everything is tres bien, rain or no rain. As a matter of fact, it rained off and on all day long and into the night but it didn't seem to dampen anyone's spirits much.

-:-

NEW ORLEANS PEOPLE must have some special inner fire to keep them warm. I never saw so many bare-legged drum majorettes in my life, and why they all haven't pneumonia today, I couldn't imagine. Some of the lady maskers wore barely enough material to make half a Bikini—and they seemed to survive.

There are two things that sustain you through days and nights of festivities here. One is alcohol. The other is music. Seems like everyone and his sister can play a horn of some sort. When they're in high school, they play in the band and later they graduate to one of the street bands which roam around and keep your feet tapping to music all day long.

Some of this musical mania was in the Godfrey insert. Mr. Hayes introduced one Dixieland street band which played for us, and a local announcer in Canal street brought on another and Miss Healy sang "Way Down Yonder in New Orleans," a song that is sort of all-pervasive around here. There were also some street-dancers.

-:-

MY ONLY COMPLAINT is that the insert wasn't long enough, and that it was a little too early in the morning before some of the really weird costumes hit the street.

This is the only city in the world, as one local newspaper pointed out, where a six-foot rabbit can enter an elevator and say "sixth floor, please," without attracting any attention whatsoever. But this comes a little later in the day, and the Godfrey show is on in the morning.

The tyranny of time makes parade coverage a treacherous thing. Parades are big, unwieldly things and they don't always start on time. However, the radio people schedule a certain time for a parade and by golly, they're going to have a parade whether there's one there or not.

Miss Jilly Jackson, who has been calling parades for years down here on the radio got messed up by a parade that didn't show up on time and she calmly proceeded to ad lib a description of eight floats that were still three miles away. Television has many advantages over radio but, by George, they can't do that. You can't ad lib a non-existent parade on television.

-:-

DURING THE BIG REX parade on Mardi Gras the first 15 minutes of her parade narration didn't tape very well—so Miss Jackson did it all over. "Well, here we are at City Hall, waiting for the parade to begin" she said gaily—about a parade that had just been an hour passing us. Just to be able to say such a thing with any degree of assurance takes a sort of genius that the television announcers, those pampered cats, have long since lost.

(N. Y. Herald Tribune)

Tasty Pie Is Combination of Pineapple, Raisins

Pineapple and raisins blend perfectly in this rich, pretty pie.

Thickened with tapioca and flavored with a variety of fruit flavors, it will appeal to the entire family.

Use:

2 tablespoons quick - cooking tapioca
⅔ cup sugar
¾ cup (No. 1 flat can) drained pineapple tidbits
Pineapple juice plus water to make 1¼ cups
1 cup seedless raisins
1½ teaspoons grated lemon rind
1½ tablespoons lemon juice
1 tablespoon grated orange rind
½ cup orange juice
Pastry for two-crust 9-inch pie

Combine tapioca, sugar, pineapple, pineapple juice and water, raisins, lemon rind and juice, and orange rind and juice. Roll half the pastry ⅛ inch thick. Line a 9-inch pie pan and trim pastry at edge of rim. Roll remaining pastry ⅛ inch thick and cut into ½ inch strips. Fill pie shell with strips in lattice across top of pie. Press ends to edge of bottom crust. Flute edge. Bake in hot oven (425 degrees F.) 45 to 50 minutes, or until syrup boils with heavy bubbles that do not burst.

NAMED BUSINESS MANAGER

YOUNGSTOWN, Ohio (AP) — William J. Brown has been elected business manager of the Youngstown Vindicator, succeeding his father, William O. Brown, who continues as president of the company. The elder Brown was business manager of the newspaper since 1924. His son was national advertising director.

Educational Television Gains; 13 Stations Now in Operation

By WAYNE OLIVER

NEW YORK, Feb. 28 (AP)—Educational television is picking up momentum after a slow and faltering start.

Six educational television stations have gone on the air the past six months to raise the total to 13 now in operation. Permits have been granted for 33 more and applications are on file for 48 others, according to the Joint Committee on Educational Television.

Benjamin Abrams, president of Emerson Radio & Phonograph Corp., which recently awarded 10 grants of $10,000 each to educational stations, predicts 25 will be on the air by the end of the year.

Many Producing Programs

The committee on educational TV says that in addition to the 13 stations classified as educational, about 100 colleges and universities and 100 school systems are producing educational programs over regular commercial stations.

The Federal Communications Commission more than 3½ years ago set aside 242 channel allocations for noncommercial educational stations. It appeared for a time that virtually all would go unused because of the high cost of building and operating a TV station that is not permitted to accept income from commercial programs.

But universities and school systems around the country gradually began to evolve plans for such stations. Applications began to pile up. In some communities, such as Pittsburgh, organizations have been set up to operate educational TV with community support rather than as a function of a college or school system.

The educational stations have gone a long way toward solving their program problems by setting up the Educational Television and Radio Center at Ann Arbor, Mich., with the help of a grant from the Fund for Adult Education. The center serves as a clearing house for the exchange of films and film recordings by educational stations so each can have the best programs produced by all, plus some filmed programs from outside sources.

No Classroom Substitute

For the most part, programs of the educational stations are not designed as substitute for classroom work.

Of the 13 educational stations on the air, nine are operating on reserved noncommercial educational channels set aside by the FCC and four on regular commercials channels. Two of the latter four carry some sponsored programs to help pay expenses.

The stations on reserved, noncommercial channels are KUHT, Houston; WQED, Pittsburgh; WHA-TV, Madison, Wis.; KQED, San Francisco; WCET, Cincinnati; KETC, St. Louis; KCTS, Seattle; WEDM, Munford, Ala., and WUNC-TV, Chapel Hill, N.C.

Operation on commercial channels are WOI-TV, Ames, Iowa; KOMU-TV, Columbia, Mo; WKAR-TV, East Lansing, Mich.; and KUON - TV, Lincoln, Neb. The Ames and East Lansing stations carry some commercial programs.

There has been one casualty among educational stations—KTHE in Los Angeles which went on the air Nov. 29, 1953, and suspended operations last Sept. 10. It was licensed to the University of Southern California and started on a grant from the Allen Hancock foundation. Efforts are being made to revive it as a community station.

Local Delegates To Attend State PTA Meetings

Marion will be represented at a meeting called for presidents of Parent-Teacher Councils to be held at Columbus, March 8 and 9. Attending will be Mrs. Don B. Hunter of 466 Brightwood Dr., who will represent the local council, Mrs. Smith Witter of 476 Mt. Vernon Ave., treasurer of the state organization, and Mrs. John Rinnert of 641 E. Center St., director of the Central District.

The meeting, called by the Ohio Congress of Parents and Teachers, will be held at the Deshler Hilton Hotel and is designated as a conference especially for council presidents. The meeting will be in charge of the legislative committee of the state organization and presiding will be Mrs. Russell Bickel, legislative chairman. In announcing the purpose of the conference the officers point out that the General Assembly of Ohio is in session and many bills have been introduced, one of which concerns school legislation, a matter of vital concern to the PTA. The two-day conference will include a visit to the senate chamber, the senate education committee and the house of representatives while they are in session. The council presidents also will have an opportunity to meet the legislators.

The first general session will convene at 1 p.m. March 8, and will be followed by the tour of the capitol. The group also will visit the mental health department and the tour will be followed by a brief session in one of the large hearing rooms of the Department building.

At the dinner on Tuesday, March 8, the guests will include some of the outstanding leaders of the state legislature, directors of state department, members of the Ohio Congress Legislation Advisory Committee, Mrs. Wilson C. Storey, president of the Ohio Congress and a number of members of the board of managers.

One tiny leak in your home can waste precious water at the rate of 200 gallons a day—more than 72,000 gallons a year.

The Social -:- Notebook

MR. AND MRS. DALE VANDERHOFF of 917 E. Church St. are announcing the engagement of their daughter, Mary, to Allan Lundquist. Miss Vanderhoff was graduated from Harding High School in 1954 and is a student at Bliss College in Columbus. Her fiance, who is the son of Mrs Ruth Lundquist of 202 Benton Pl., is employed by the Marion Power Shovel Co. No date has been set for the wedding.

—:—

LUNCHEON preceded the program hour when the Green Thumb Unit of the Marion Garden Club met Friday at Hotel Hading. Tables, decorated in red and white carnations and blue iris, were in a patriotic theme. Mrs. G. M. Roberts presided for a brief business session and Mrs. T. E. Connor, program chairman, presented the guest speaker, Mrs. Ann Gatewood Van Kleek, a professor at Ohio Wesleyan University who gave a talk and demonstrated work in ceramics. Mrs. William Hutchman of the House and Garden Unit, talked on membership in the Garden Club of Ohio. Hostesses were Mrs. John Gries, Mrs. Marvin L. Wilson, Mr. Anthony Rocks, Mrs. L. G. Roberts and Mrs. William Stonebraker.

—:—

Mrs. Martha Masters was an associate hostess when members of the Wimodausis Club met Wednesday evening in the home of Mrs. W. H. Hanley on the Richland Pk. A potluck dinner preceded a social evening. Prizes were won by Mrs. Geneva Carder, Mrs. Hanley and Mrs. Daisy Haflick. Mrs. Lucy McMorrow was a guest. Mrs. C. W. Sidenstricker was named club reporter. Refreshments were served at tables decorated in a modernistic theme and lighted with candles. Mrs. Cleo Guy and Mrs. Charlene Gilbert will be hostesses for the next meeting at 395 Park Blvd.

—:—

Members of the Juvenile Lecture-Recital Club will meet Tuesday at the YMCA. The program, scheduled for 4 o'clock, will include a study of the life and work of the composer Beethoven. Mary Ann Parshall and Annette Gibbons will be hostesses.

—:—

Mrs. Esther Seiter and Miss Ernestine Fischer were guests when the Past Time Club met Wednesday evening with Mrs. Mary Montgomery of 372 Fahey St. Devotions were conducted by Miss Doris Gorenflo and members responded to roll call on the subject "What I Would Do With A Million Dollars."

Contest prizes were won by Mrs. Lynn Dolbeer, Mrs. Mary Cottrill, Mrs. Marge Reiff, Mrs. Violet Larue and Mrs. Seiter.

—:—

Mrs. Helen Drumm was hostess for a meeting of the Euchrettes Club Thufsday evening at her home on Cherry St. High honors in cards went to Mrs. Esther Dunbar, lone hand to Mrs. Jean Young and consolation to Mrs. Betty Ann Ralston. The hostess was assisted in serving refreshments by Mrs. Mary Ann Milgate. Hostess for the next meeting will be Mrs. Jane McMahan of Indiana Ave.

—:—

Eleven members answered roll call when the Colonial Club met Tuesday evening at Dixie's Inn, with Mrs. Nora Ireland as hostess.

Awards were won by Mrs. Jennie Ewing, Mrs. Nina Rettig, and Mrs. Margaret Rank. The next meeting will be March 22 at Dixie's Inn with Mrs. Rettig as hostess.

—:—

Mrs. Gordon Eichhorn served as co-hostess when Mrs. J. P. Eichhorn entertained the Pleasant Farm Women's Club Thursday afternoon at her home near Marion. Mrs. Alfred Hursey presided for the meeting, devotions were conducted by Mrs. Jacob Bolinger and 12 members answered roll call.

For the program Mrs. S. B. Stowe gave two readings, Mrs. G. Lichtenberger read an article on "The Famous Lincoln Log Cabin in Hodgenville, Ky.," and contests were won by Mrs. Stowe and Mrs. Frank Eberl Mrs. Hursey was presented a gift from the club for having made the program booklets for the year.

The hostesses were assisted in serving refreshments by Mrs. V. L. Kyle, a guest. The next meeting, March 24, will be at the home of Mrs. Hursey, with Mrs. Delbert Lichtenberger as cohostess.

—:—

Members of the Big Island, New Bloomington and LaRue Home Council extension groups held a combined meeting Thursday evening at the Wayside Furniture Store. Dwight Foreman, head of the store, gave a talk on the selection of color for the home and also showed pictures of home decorating. He suggested the use of gay colors and urged the women to not be afraid to use color as long as the scheme blended. Many homemakers, he said, are doing their own painting these days. There are many colors to select from and these may be mixed to produce any color in either light or dark shades. A discussion followed the talk. Later refreshments were served.

Announcement was made of Marion County Achievement Day to be held March 16 at LaRue.

The complete collection of the manuscript works of Charles E. Ives, noted American composer, have been given by his widow to Yale University.

Security Tight On Ike's Farm At Gettysburg

By MARVIN L. ARROWSMITH

WASHINGTON (AP) — For as long as President Eisenhower remains in office, tight security restrictions will be in effect at his new farm home on the Civil War battlefield at Gettysburg, Pa.

The place probably will be ready for occupancy by Easter or sooner, and already the house is getting some of the protection that goes with the presidency.

Uniformed guards from the Treasury Department — the agency whose Secret Service is charged with guarding the president—have been assigned to a round-the-clock watch to keep out any trespassers, as well as battlefield sightseers.

Tourists can get a look at the President's 189-acre farm from scenic tower 1½ miles away.

Any of them with a good pair of binoculars might have been able to see the chief executive wandering around the grounds Friday. He and Mrs. Eisenhower spent five hours here en route to their lodge in Maryland's Catoctin Mountains for a weekend of rest. They returned to the White House late yesterday.

A half-mile-long lane leads to the house from a public highway, but a sign swinging from a heavy chain blocking the lane declares the farm private property closed to sightseers.

Another public highway about a mile off in another direction affords passers-by a good long-range view of the home, but that view may be closed off soon under landscaping plans for tree planting.

A photoelectric alert system will help tip off the Secret Service to any unauthorized movement about the property.

One enterprising light lunch merchant who has a place on the highway reportedly has been offering customers binoculars to take a look at the Eisenhower home while they munch sandwiches.

Rev. Eyster Gives Talk

Rev. Walter C. Eyster of Epworth Methodist Church here was speaker this morning at a meeting of the Wyandot County Ministerial Association at Upper Sandusky. His subject was "A Spiritual Life Retreat With an Evangelism Emphasis for the Lenton Season."

The meeting was held in John Stewart Methodist Church. Rev. K. R. Roberts of the Nevada Lutheran Church is president of the ministerial association and Rev. Stanley McGilliard was host pastor.

WEST UNITY WOMAN 100

BRYAN, Ohio (AP) — Mrs. Sarah Hodson of West Unity, still enjoying good heath, observed her 100th birthday anniversary today. Her husband, Jobe, died 11 years ago at 98 after 70 years of marriage.

-:- Church Activities -:-

Mrs. S. W. Bender, whose husband is superintendent of the Marion Rescue Mission, presented facts concerning the Rescue Mission and told of its work at a meeting of the MOH Class of Prospect Street Methodist Church Thursday night at the church. The class voted to give $2 to the Mission

Devotions, in charge of Mrs. Adeline Heclo, included group singing, excerpts from the scriptures and prayer.

The program was in charge of Miss Josephine Ruth with honors in a George Washington contest going to Miss Ruth Schott and in a sketching bee contest to Mrs. Robert Rice. Refreshments were served by the hostesses, Mrs W. C. Call, Mrs. Aubrey Fout and Mrs. Viola Mann.

— —

Miss Glenna Winfield of 517 E Farming St. entertained members of the Co-workers Class of Greenwood EUB Church at her home Thursday evening.

Mrs. Esther Bowers, class president, opened the program with group singing which was accompanied by Mrs. Mildred Mattison. Prayer was by Stanley Thomas and devotions were conducted by Mrs. Hattie Rice.

The class voted to have devotions with the pastor, Rev. Lynn Harris, at the County Home on March 6 and to send gifts of food on Easter Sunday.

When a luncheon was served, Mrs. Harris asked grace. Mrs. Bowers and Mrs Mamie Stephens assisted the hostess in serving.

—:—

When the Emanuel Lutheran Daughters of Luther met recently in the home of Miss Edith Augenstein on Boon Ave. Mrs. Marian Nesper was welcomed as a new member. Guests were Mrs. Thomas McGinnis of Pensacola, Fla., and Mrs. Clifford Leffler. Scripture and prayer to open the meeting were by Mrs Mildred LaBounty. Study topic for women of the Bible was on Mary, given by Mrs. Marie Peterson. In a guessing game honors went to Mrs. Mary Sanden.

—·—

For a recent meeting of Oriental Missionary Prayer Circle 1, Kenneth Connolly was host in his home on Harding Highway east. It was announced that this organization has scheduled meetings for the last Tuesday night of each month and anyone interested may attend.

Devotions were by Perry Strine and prayer was by the group. Plans are being made to bring to Marion at a future date a guest speaker from Lima who is working to interest men in missions. The next meeting will be at the LeRoy Hanning home at 543 N. Greenwood St.

—:—

Two organizations of St. Paul's English Lutheran Church which met recently were the Ladies' Aid Society in the afternoon at the church and the Men's Club that night at the Lamont Lessley home on Pennsylvania Ave

Guests of the women's group were Mrs. Earl Thatcher, Mrs. Edgar Brenton, Mrs. George Felton and Mrs. Ruth Hedges. Members voted to purchase new choir gowns for the church's Junior choir. Mrs. Harry Lones presided.

At the men's meeting John J. Davis presided and devotions were by the pastor, Rev. Martin L. Dolbeer. Plans for future activities were discussed preceding a social hour.

—:—

Hostesses for a meeting of the Alpha Delta Class at Central Christian Church Thursday night were Mrs. Paul Emery and Mrs. Ed Merrell. Plans were made for a mother and daughter banquet Tuesday night this week and report was given on a basket for a needy family. Mrs. Avis Clark and Mrs. Charles Crock were guests.

During the social hour awards went to Miss Dorothy Buckley and Mrs. Herman Heisler For the next meeting the hostesses will be Mrs. Bardie Montague and Mrs. Heisler.

—·—

Scripture and an article on Lent were included in devotions for a meeting of Epworth Methodist Circle 2 Thursday afternoon. Mrs. A. M. Hornby was hostess in her home at 126 John St. A dessert luncheon preceded business.

The devotions were by Mrs. Sheridan T. Walker. Miss Sophia Mack presented an article from the church publication, the Advocate, on "What Can I Do?" Mrs. Walter Slob reported on her trip to Germany and other European countries.

—·—

World peace was the theme for a meeting of Epworth Methodist Circle 8 Thursday afternoon in the home of Mrs. Fred Ellery on Bradford St Mrs Rose Young gave a talk on "Responsibility" and reported on the last general Woman's Society meeting. For devotions Mrs. Fred Carhart used as her subject World Day of Prayer. Miss Gertrude Carleton presented "Plowshares and Pruning Hooks"

—·—

Study on the United Nations was included in a meeting of Epworth Methodist Circle 6 Thursday at the home of Mrs. Carl Miller at 426 Mary St. A dessert luncheon was served. Mrs. W. A Corbett presided and Mrs. R E. McCormick, Mrs. R. M. Ewing and Mrs. Merle Hamilton presented papers on the U. N. For devotions Mrs Foster Pacific presented Psalm 37

Plans were made for a general Woman's Society meeting March 10 at 7 30 p.m. at the church with the Susanna Wesley group as hostess circle when a special program will be presented under direction of Mrs. W. C. Eyster and Mrs. J. C. Harman. A talk on Korea will be given by Miss Jo Ahne Lee, Korean student at Ohio Wesleyan University at Delaware who was formerly secretary to Miss Helen Kim, world denominational leader of women's work. Mrs. W. Irl Reasoner was a guest. The next meeting of the circle will be at the home of Mrs. W. O. Nippert of 320 Lafayette St.

Humorist To Address Rotary Club on Tuesday

Rev. Bertram Fleming of Springfield, recognized as an outstanding humorous speaker, will address the Marion Rotary Club at its weekly luncheon meeting Tuesday at Hotel Harding. His subject will be "The Philosophy of Life."

A number of Marion County farmers have been extended special invitations to attend the meeting which has been arranged by the club rural-urban committee, of which Perle D. Lockwood is chairman.

The Army Dog Training Center at Fort Carson, Colo., is the only military training installation of its type in the United States.

Fire Damages Set at $5,000 In Home Here

Fire of undetermined origin caused an estimated loss of $5,000 to the building and contents of the Joseph Lupica home at 221 N. Prospect St, Sunday night Fire Chief O A Sifritt reported

The fire was discovered when a neighbor saw the smoke reflection in the Isaly Dairy Store window across the street and firemen from the Central and W Mark St stations answered the call at 8 40 p m

Mr and Mrs Lupica and the two children who reside with them were not at home when the fire started Most of the furniture downstairs was a loss as well as some furniture upstairs in the two-story frame home

Firemen fought the fire for approximately one and one half hours

Marion firemen made on other fire run and an inhalator call over the weekend

At 11 12 a m Saturday, firemen from the Central and W Center St stations were called to a room at 675 W Center St where a roomer Ray Hertenstein was cooking meat which burned filling the room with smoke There was no loss, Fire Chief Sifritt said

Early this morning, shortly after midnight, the inhalator was requested at 276 Park Blvd, where Willard Dodds, 73 suffered a heart attack The inhalator was used 20 minutes successfully

ITCH Scabies is highly contagious and will continue for life if not stopped. Its sole cause is the itch-mite which is immune to ordinary treatment. EXSORA kills the itch-mite almost instantly. Only three days EXSORA treatment is required. At all Drug Stores.

REARMAMENT SATIRE. An angel of peace is caught on the competing bayonets of Uncle Sam and a Russian figure features this tongue in cheek float as it passes the Cologne cathedral during the traditional Rose Monday parade in West Germany A typical German citizen sits with hands clasped between the opposing giants Similar political themes dominated the pre Lenten parades in other West German cities Demonstrations marked the opening of the crucial parliamentary debate on rearmament

Plans Formed for Polio Shots If Salk Vaccine Proves Effective

Preliminary plans are under way in the County Health Department for possible immunization of all children in the first and second grades if final reports on the polio vaccine test prove the new serum is effective

City Health Department officials said this morning they have made no definite plans for the vaccination but would do so in the near future

County health agents have begun to try to draw up a tentative schedule of vaccinations

Under the plans of the National Foundation for Infantile Paralysis if the new Salk vaccine proves effective, it will be distributed free to all states in the country to be used to immunize all first and second graders in public, private and parochial schools

The immunization shots would be given in three doses The first would be given any time before the end of the school year The second would be given one week after the first and the third four weeks after the second so that the entire program would take five weeks

Parents of the children would be required to sign a release slip before the child would receive the shot There would be no charge for the program

An experiment was tried on some first and second graders last year The results of that experiment will determine largely whether the new Salk vaccine will be used on a nationwide scale

The final reports on the effectiveness of vaccine are not expected before April 1

Pennsylvania Studies Extension of Turnpike

HARRISBURG Pa (AP) — Chairman George M Wade Republican, of the State Senate Highways Committee said today his group will consult with the Pennsylvania Turnpike Commission on new proposals to extend the super-highway

Foremost among the proposals are two suggested parallel routes running east-west across the northern tier of Pennsylvania s counties and across a more central route

A resolution introduced last week by a group of senators urges the state highways department to request that improvements to U S 6 termed the most direct route between Cleveland and New York be included in the new federal highways program The proposal suggest the road be widened to four lanes across all of northern Pennsylvania.

AVALANCHE KILLS 2

SITKA, Alaska (AP)—Two young brothers were buried when a 500-foot wall of snow plunged down Harbor Mountain yesterday Bruce Moore, 13, and his brother Hans 8, were dead when dug out

Helicopter Planned To Hunt Down Sub

NIAGARA FALLS N Y (UP) —When Bell Aircraft Corp recently delivered to the Navy a helicopter designed to track down and destroy submarines the company registered an aviation 'first

This first sub-chasing helicopter is now undergoing extensive tests but the company expects to make deliveries to the Navy early in 1955 The craft was developed in Bell s local plant but production is centered in the Ft Worth, Tex plant

Designated the HSL 1 the 'copter is equipped with sonar detection equipment that can be dipped into the sea to 'listen' for subs It also carries lightweight homing weapons that follow through in destroying the tracked-down enemy submarines

It is capable of speeds up to 138 miles an hour or can hover motionless while it pinpoints a sub s location before discharging what Bell refers to as its 'homing armament apparently some kind of weapon that is guided automatically to its underwater target

Marion Youth, 17, Arrested on Forgery Count

A 17-year old Marion youth was being held by city police today accused of passing forged checks from a book of blank checks stolen from a television repair shop

Police Chief Thomas B Coon said the boy was picked up by Columbus police Saturday after city police sent out a bulletin describing him and naming him as a suspect in the theft of the blank checks

Police were notified of the stolen checks at 5 p m Friday by Richard Isaly owner of the TV Lab repair shop at W Columbia and Pearl Sts

In their investigation police found that one of the checks had been made out for $18 75 and passed at Young s Service Station at E Center and Barnhart Sts by the suspect

Police in Columbus reported the youth attempted to pass a $400 check there but the merchant approached became suspicious and refused to cash it

Questioned by Marion police the youth admitted taking the check book and in addition to the check passed in Marion and the attempted passing in Columbus said he passed another small check in Toledo Police did not know today the amount of this check

Police Chief Thomas Coon said charges would be filed in Marion County Juvenile Court

GIRL SCOUTS VISIT DAIRY

Members of Girl Scout Troop 63 of Oakland Heights School and their leaders toured the Isaly Dairy Co Tuesday The 17 Scouts and five leaders Mrs Willard Bowers, Mrs Don Ritzler Mrs Warren G Wise Mrs Charles Williams and Mrs Bernard Avery were shown the processing of milk cottage cheese and ice cream and at the end of the trip were presented ice cream bars and souvenir banks

Breeze Blamed for Fight Sending 5 to Hospital

MANILA (AP)—A gentle breeze blew up a girl s skirt in Solana causing a bloody fight that sent five men to a hospital

The Philippine News Service said an 18-year old girl, identified only as Desena was walking to market with a basket balanced on her head when a gust of wind lifted her skirt

A group of men whistled The girl s brother poked one in the nose The fight was on with the girl s brothers cousins and uncles joining in the fracas

LIBEL TRIAL OPENS

YOUNGSTOWN Ohio (AP) — The criminal libel trial of Buddy Fares, publisher of The Youngstowner, an entertainment guide opens today Fares was indicted by a grand jury in September 1953 on charges of libel in connection with allegations he made linking the police vice squad and local racket figures scheduled as a witness is State Liquor Enforcement Chief Edward J Allen who formerly headed the Youngstown police department

Watts Motor Car Fund Goes 'Over the Top'

Electric Vehicle Will Be Purchased for Local Polio Victim

The Ralph Watts Motor Car Fund campaign was declared "more than a success" today by Finley P. Drury, chairman of the committee which organized the drive.

As of today total donations to the fund have reached some $800, Drury said. This is about $100 more than is needed to purchase a small electric car for Watts, a polio victim. The car will be similar to one used by Arthur Godfrey.

Drury said the response to the appeal for funds for the project "has been wonderful" and that he and his committee wished to thank all those who have been so generous.

Some of the surplus money will be used to build a shelter at the rear of Ralph Watts home for the car. The shelter may be built on a level with the rear porch with a ramp leading up to it to make it easier for Ralph to get in and out of the house, he said. Any money remaining may be used later to buy batteries for the car, when the original batteries wear out, and possibly to buy other things to make Ralph's life easier.

He was crippled by an attack of polio nearly 47 years ago when he was but five months old. For the last 30 years he has used a hand-powered car which recently has become so badly worn he is no longer able to operate it.

'MY BANANAS.' Susan Morgan, five-year-old daughter of Mr. and Mrs. John Morgan of Ponchatoula, La., holds a bunch of bananas more valuable than she thinks. Susan has a disease called celiac, which prevents her from getting full value from food, and must eat 200 bananas weekly. The family of nine lives on $105 received monthly from the State Welfare Department—$87 of it for her diet.

Chou

(Continued From Page 1)

come to abandon his efforts on the prisoners' behalf.

The prisoners include 11 survivors of a B29 bomber shot down in North Korea Jan. 12, 1953, some six months before the fighting ended. These are the pilot of the plane, Col. John K. Arnold of Silver Spring, Md.; Maj. William H. Baumer of Lewisburg, Pa., Capt. Elmer F. Llewelyn of Missoula, Mont., Capt. Eugene Vaadi of Clayton, N.Y., 1st Lt. John W. Buck of Armatheaite, Tenn., 1st Lt. Wallace L. Brown of Banks, Ala., Sgt. Howard Brown of St. Paul, Minn., Airman Steve E. Kiba of Akron, Ohio, Airman Harry M. Benjamin Jr. of Worthington, Minn., Airman Daniel C. Schmidt of Scotia, Calif., and Airman John W. Thompson III of Orange Va.

Sentenced at the same time were two Americans described by U.S. officials as Army civilian employes who were shot down. They are John Thomas Downey of New Britain, Conn., and Richard George Fecteau of Lawrence, Mass.

Also held by the Reds are four jet fighter pilots shot down on separate missions during the Korean War. They are 1st Lt. Lyle W. Cameron of Lincoln, Neb., 1st Lt. Roland Parks of Omaha, Neb., Lt. Col. Edwin L. Heller of Wynnewood, Pa., and Capt. Harold E. Fischer of Swea City, Iowa.

German

(Continued From Page 1)

The resolution also demanded full political freedom in the Saar before and after the Saarlanders vote on the "Europeanization" statute.

Bitterness of the Saar dispute reportedly provoked Vice Chancellor Franz Bluecher to frame a letter to Adenauer offering his resignation from the Cabinet. Bluecher was the only Free Democrat minister to vote with Adenauer on the Saar. The other three Free Democrats in the Cabinet either voted no or abstained.

Even if the French act quickly, 1959 is the earliest estimated date by which German divisions can be ready for combat. Time will be required for enabling legislation and training of draftees.

TODAY'S ALMANAC

Sun rises at 7:05 a.m. and sets at 6:24 p.m.

League Urges Public Meetings Of Body Studying Mayor's Post

Commendation of the Marion City Council for its action in setting up a citizens' committee to study the mayor's position and asking that the committee meetings be open to the public were expressed today by the Marion League of Women Voters.

The commendation was contained in a letter sent to City Council by Mrs. H. R. Fetter, chairman of public relations for the League.

The letter noted that the League is "vitally interested in improvements in government . . . especially in our own community."

It further pointed out that the committee appointed to study the mayor's salary and duties may be the first of many appointed for similar purposes and for this reason policies and procedures of the committee should be carefully formulated. The League suggested that meetings of such committees be open to the public.

"In our opinion, the public interest cannot be best served behind closed doors. We hope that you will go a step further and make it possible for full newspaper and radio coverage, thus allowing the voters the opportunity to follow the progress of such committees," the letter said, adding, "the true wish of the people can be best expressed at the polls if the necessary information has been made available."

The committee making the study of the mayor's position was appointed late last year by the councilmen and at its first meeting decided to hold "closed" meetings.

It was further decided that the committee would report directly to City Council which could either make the reports and recommendations of the committee public or not as it saw fit.

Since its formulation, the committee has held three meetings. Only report of committee action announced publicly was that Dr. Carl Sheehe was named committee chairman and Mrs. Robert Axe was appointed recording secretary.

Budget

(Continued From Page 1)

officials said additional spending probably would send total operating costs to about 846 millions by the fiscal year-end next June 30.

Most estimates indicate the state will amass a 40-million-dollar surplus. Lausche customarily has called for use of surplus funds solely for new buildings and similar improvements. A later "additions and betterments" bill regularly carried appropriations from surplus for such projects. Two years ago the bill called for capital improvements costing 45½ millions.

Sen. C. Stanley Mechem (R-Athens), Senate majority leader again this session, has accused the Lausche administration repeatedly of "deliberately" underestimating revenues to build surpluses.

End May Be in Sight

But legislative leaders assert the end of surpluses may be in sight. They expressed belief that Wilcox on would come up with a "realistic" estimate of revenues. They recalled that Defenbacher always wound up the biennium with a surplus—"an excess of revenues over estimates".

Republican spokesmen also have called for inclusion of capital improvements in the operating budget, but Lausche hasn't expressed his feeling on that proposal.

Lausche recently reported that spending requests by state departments and agencies hit 783 millions, some 76 millions above expected income, and that the state faced additional obligations of 55 millions.

And Rep. J. Frank McClure (R-Ashland), House Finance Committee chairman, reported that spending requests to the Legislature in advance of the budget exceeded 400 millions.

Tax Hike Probable

Such reports led legislators and some Lausche administration officials to express belief that new or increased taxes appeared inevitable. GOP legislative leaders have declared against new taxes but some have conceded they may be necessary.

Following tonight's joint session, the Senate Highways Committee will take another look at a bill to strip the governor of the final say on turnpike routes and give it to the Legislature.

The House Judiciary Committee tomorrow and Wednesday will open hearings on bills to establish municipal courts in Willoughby, Findlay, Eaton, Lebanon, Elyria, Chardon, Wapakoneta, Van Wert, Troy, Marietta, Fremont and Celina. Other bills call for extending or shrinking the jurisdiction of various existing municipal courts.

The House Commerce and Transportaton Committee on those days again will consider a proposal to permit construction of a coal and iron ore-hauling conveyor belt between Lake Erie and the Ohio River.

On Tuesday the House Organization of State Government Committee will hear a Senate-passed emergency bill to increase the pay of county auditors.

Wednesday, the Senate Education Committee will tackle the school financing bill, termed one of the most difficult of the current session. The measure proposes an increase in the state school subsidy from an estimated 260 million dollars for the next two years to 300 millions and a new formula for distributing the money.

Three port authority measures also are scheduled for Senate hearing Wednesday They are designed to prepare the state for participation in benefits expected from completion of the St. Lawrence Seaway to give larger ocean-going vessels access to the Great Lakes.

Taxes

(Continued From Page 1)

put through the House by Democratic leaders there. He told the Senate committee:

"Your committee has before it this morning a $20 tax cut which was suddenly sprung on the Ways and Means Committee and hurriedly passed through the House of Representatives last week with only a limited hearing and no time for thoughtful consideration."

Humphrey declared that the tax cut proposal "is contrary to the public interest because it means reversing the successful trend of the administration during the past two years in cutting deficits and working towards a balanced budget," and he continued:

"This administration advocates further tax cuts but only at such times as we can see them justified by further cuts in spending and increased revenues from economic growth that broadens the tax base."

Brainwash

(Continued From Page 1)

tions to go to Washington to work for peace and fight the warmongers, "he continued. "We might make speeches."

Mrs. Rickett said China had to keep a large army "because of the 7th Fleet and Formosa."

"If China had no army at all, China would immediately be attacked by the United States," said Bersohn.

"I am guilty of crimes against the Chinese people—I deserved every punishment they gave me, Bersohn told some 30 newsmen and four American consulate officials who met the pair at the railroad station.

Mrs. Rickett echoed him:

"We were treated wonderfully. The Chinese people love peace. I was also once a reactionary and can now see how wrong I was. I deserved everything I received."

In Washington, U. S. officials declined to comment on the pair's statements until they received a full report from consular officials at Hong Kong. Unofficially, State Department sources talked of "a pretty thorough job of brainwashing."

This explanation also was voiced by Mrs. Rickett's father Harold W Austin of Yonkers, N. Y. Bersohn's father A. P. Bersohn, a New York attorney, said his son "undoubtedly had to confess to a lot of things in order to get out."

"Until he gets home, he probably is going to say what he was told to say," Bersohn added.

Both Jailed in 1951

Both Bersohn and Rickett were jailed in Peiping in 1951. Mrs. Rickett was put under house arrest at the same time, then was moved to the Peiping jail a year later.

Eleven days ago, they said, Bersohn and Mrs. Rickett were called before a Communist court and tried on espionage charges. After both confessed and pleaded guilty, they were sentenced to 3½ years and ordered expelled since both had been under detention that long.

The woman said her husband "has probably not finished his sentence because his crime was bigger than mine." She said she had helped her husband "in espionage work, in military, cultural and political espionage," and that both had been paid by the U. S. consulate in Peiping for their work as spies.

Bersohn claimed he had delivered espionage reports to the U.S. Central Intelligence Agency and also had carried out other "intelligence work" for the Americans.

Merkel

(Continued From Page 1)

president of city council for two terms beginning in 1929. He was a member of First Presbyterian Church, of Marion Lodge 70 F. & AM, was a 32nd degree Mason of the Scottish Rite, and was a Rotarian.

Surviving are three children, James F. Merkel of Columbus, Charles F. Merkel of Miami, Fla. and W. David Merkel of Shaker Heights; and six grandchildren, James M. Merkel, Marilyn M. Merkel, David Merkel Jr., Andrew Merkel, Stephen Merkel and Holly Merkel.

Funeral services will be conducted tomorrow at 3 p.m. in the Merle H. Hughes Mortuary on Mt. Vernon Ave. Rev. Irvin W. Emmons will officiate. Burial will be in Marion Cemetery. Friends may call at the funeral home tonight from 7 until 9 and tomorrow from 10 a.m. until 2 p.m.

Pallbearers will be members of Lodge 70 — Harold Grigsby, Russell Snare, Roy Waddell, Kenneth Fields, Harold Hall and Winthrop Ames.

Korea Truce Violation Charges Will Be Probed

PANMUNJOM (AP) — Charges of Korean armistice violations, brought both by the Allies and the Communists, will be investigated by truce supervisors, the United Nations Command announced today.

The U.N. Command said, however, that the supervisors' agreement to investigate Allied charges of Red MIGs being brought into North Korea illegally probably comes too late.

The population of Morocco, now more than eight million, has doubled in the last 55 years.

Young People From City Attend Mock Assembly Training Event

Marion young people were in attendance at a pre legislative training session Saturday for a model legislature to be held in April at the state Capitol in Columbus, Saturday. The training session was held at Ohio Northern University, Ada.

At this time candidates for the various offices were named and plans completed for attending the state meeting. Don Caprino of Marion was selected a candidate for the office of state chaplain, representing the northwest district of the state.

Walter Rissler was named a candidate to compete for the office of senator from the 13-31st District; Diane Gillis was the group's choice for representative from Marion County; Charlotte Merriman will be a candidate for representative from Wyandot County; Delnor Tonguette from Logan County; and Ann Grigsby from Hardin County. Carol Greenbaum was elected news correspondent for The Associated Press and United Press.

Emphasis of the meeting was on the practical approach to government with a view of learning and understanding the work of state offices and state legislation.

The meetings, five of which are being held throughout the state, are sponsored by YMCA's in the state. Sponsoring the project locally are the Hi-Y and Tri-Hi Y Clubs.

WCTU Activity

German Students Thank Group for CARE Packet

Thank-you letters from two German students, who were among a group of 10 "CARE" packages at Christmastime by the Anna Gordon unit, WCTU, have been received by the local group.

In a letter to Mrs. L. E. Weir of 342 Merchant Ave., corresponding secretary of the unit, one student of the university located in West Berlin explained that until October, 1954, he lived in the Russian zone of Germany.

"But I had to leave my parents and my home," he wrote, "because I was not allowed to study there. Now I live in West Berlin, and here I am free and independent."

—:—

HE CONTINUED to relate that he lives with another student who also came from the Russian zone, and that he hoped he did right in sharing the CARE package with him.

Thanking the local group, the student concluded by saying the package "was a valuable help for us, for we are alone and without connection with our parents because we cannot leave West Berlin."

The other student gave a little more background about the situation in which the students of this university in West Berlin find themselves.

He explained that in 1954 those students who wished to continue their studies had to leave their homes and families and go to West Berlin to a university. There they are being assisted from state funds because "our parents are not permitted to send money from the communistic part."

He wrote that even if their parents would be allowed to send them money, it would be impossible because the rate of exchange of money is five to one.

"That is impossible," the student said, "because the salary is nearly the same under each government."

—:—

"ALL GERMANS, I promise you, would rather see a united and a free Germany, instead of a divided country, where nobody is allowed to spend his holidays in the other part, where the parents live. We want to have our capital town Berlin and not East-Berlin or Bonn, a town which is not divided into the four districts of the forces in Germany," he concluded.

Schools

(Continued From Page 1)

Since the school has only 91 high school pupils, their guarantee is "weighted" at $197 per pupil and the school is awarded $17,964.

Transportation brings another $6,592 gurantee for a total guarantee of $59,687.25

This amount is not paid by the state, but is only the amount the school is assured of having to operate.

The state does pay a flat distribution of $30 per kindergarten pupil for $570 for this school. At a flat rate of $60 per student, the elementary division gets $14,760. Flat rate on the high school pupil is $70 for a total of $6,370 for the 91 students. Total amount of the flat rate is $21,700. That is paid to the school by the state.

—:—

AS THE school district's share of the program, it must tax the landowners in the district 5½ mills. Since this particular district has a valuation of $3,699,146, the 5½ mill tax brins in a total of $20,345.30.

That $20,345.30 plus the flat rate of $21,700 is still below the foundation guarantee of $59,687.25. For that reason, the state grants what it calls "additional" aid to the school in the amount of $17,641.95 which brings the total money received by the district from the state and its own taxation to the $59,687.25 figure guaranteed by the foundation program.

Schools which have higher valuations will have receipts from their 5½ mill tax which, when added to the flat distribution, are higher than the foundation guarantee. For those there is no additional aid from the state.

Under the proposed law, all this would be changed. A certain amount of money would be allocated for every "teaching unit." This amount would include a certain percentage for teachers' salaries, some for administrative salaries, transportation, custodial work, supplies, heating and lighting, and other materials and services needed to run the school.

—:—

THE PROGRAM also would provide for a new salary scale which would be substantially higher than the minimum salaries now provided, especially for teachers with degrees.

Robert S. Brown, city school superintendent, pointed out the city schools would benefit from the changes because 197 of the city's 274 teachers have earned at least a bachelor's degree and many of them have master's degrees.

In addition, the city schools have a low teacher-pupil ratio, which, under the new plan, would greatly aid the school system.

D. T. Mills, superintendent of the county schools, said the new proposal would probably benefit the county schools substantially. He pointed out that the pupil-teacher ratio last year was between 24 and 44 pupils per teacher. Most of the classes, though were in a group just slightly above 30 to one.

Besides granting more money to the schools, the recommendations also call for the abolition of all school systems which do not offer 12 grades of education. This is done simply by making such systems ineligible for state aid.

—:—

ONLY Grand Prairie School would be affected by this change. With only an elementary school, Grand Prairie would be forced to merge with another neighboring district. That is an avowed intention of the committee—to force consolidation of many of the smaller school systems throughout the state.

If the recommendations are made law, Grand Prairie would have to consolidate with another district before 1959 or lose all state aid. A provision of the new regulations would prohibit the establishment of a high school with less than 240 pupils, making such a move almost impossible in Grand Prairie.

Voters in the Grand Prairie district will be faced with a tricky problem in April when they hold a special election on a $113,000 bond issue for expansion of the existing school.

If the proposed changes become law, the district will have to merge with another one within four years. That merger can mean either that the Grand Prairie School building will be abandoned or will be used as part of another school system. It will be up to the voters to decide whether they wish to take a chance and approve the expansion, and hope the building is kept in use.

On the other hand, if the bond issue is defeated, and the proposed committee recommendations are defeated by the Legislature, the school will still be in existence and will be overcrowded.

While it is not known at the present time just how much the proposed plan will benefit the local schools if put into effect, both Brown and Mills indicated they felt the local schools would be aided substantially and the level of financial help here would rise.

Traffic Cases In City Court

Fines and bond forfeitures totaling $240 were assessed 12 drivers in Marion Municipal Court Saturday on traffic charges.

One driver who failed to show up for a hearing forfeited a $35 bond on a charge of speeding. He was Rodney Samples of Ypsilanti, Mich.

Four drivers were fined $25 and costs each on different charges. The drivers and charges were: D. J. Mercer, 26, of near Rudolph, illegal use of farm license; Glen D. Pickett, 19, of near Caledonia, unsafe driving; Gilbert Timmons, 23, of Caledonia, failure to heed stop sign; and D. R. Williams of near Morral, over-width truck, $10 of his fine was suspended.

Each of the other drivers was fined $15 and costs. The charges and drivers were: R. W. Coulson, 18, of 192 Barnhart St., left of center; H. W. Skaggs, 23, of 640 Lee St., failure to signal turn; R. M. Frush, 32, of Newark, fictitious license plates; L. S. Sefton, 28, of Toledo, reckless driving; G. C. Marine, 50, of Marysville, improper turn signals; R. G. Martin Sr., 29, of 584 E. George St., failure to heed stop sign; and R. D. Jackson, 35, of Findlay, speeding.

District Traffic Cases

Six arrests were made outside of Marion County over the weekend by state highway patrolmen from the Marion post.

Paying the stiffest penalty was Owen M. Smith, 34, of Cleveland, who was arrested Saturday afternoon on a charge of driving while intoxicated. He appeared Sunday before Mayor Emery Murphy of Mount Gilead and was fined $100 and costs and given a three-day jail sentence.

Also appearing before Mayor Murphy was Charles A. Masters, 39, of Shruthers. He was fined $15 and costs on a charge of excessive speed.

Gerald A. Balgersen, 49, of Bay Village, and Charles E. Whitener, 24, of Cleveland, were fined $15 and costs each when they appeared before Cardington Mayor Don Healea on charges of excessive speed.

Gerald Mallott, 25, of Sidney, and James R. Norris, 43, of Toledo, appeared before Justice of the Peace L. C. Schoenberger of Upper Sandusky. They were fined $10 and costs each on excessive speed charges.

MALES 'DOOMED'

LONDON (INS) — Dr. J. Macalister Brew, education adviser to the National Association of Mixed Clubs and Girls' Clubs, has given British males something of a jolt by forecasting an "age of henpecked husbands." She sees a future Britain peopled by aggressive matriarchs and henpecked husbands "unless we tackle the speedily-growing problem of personal relationships."

Teacher

(Continued From Page 1)

She taught in the local schools for a period of 31 years, and in 1915 went to Lakewood where she taught 14 years.

For the first year she taught in the county at Pleasant and Richland Townships and in the years that followed was on the faculties of the North State Street School, Greenwood School, Central, Forest Lawn School and the North Main Street School as a grade teacher and principal.

Numbered among her pupils are outstanding businessmen and women and well known people, one being Norman Thomas, the nation's Socalist party leader, whom she taught during the first half of his sixth grade at Central School in 1894. In the second half of that year, Miss Cunningham joined the staff of Greenwood School where she taught the seventh grade.

She returned to Central School for six years, and later was on the staff at Forest Lawn where she was principal and taught the eighth grade.

Returns to Marion

Following her 11 years' of teaching in Lakewood, O., where she taught in both grade and junior high school, she returned to Marion where she was on the faculty of the North Main Street School as grade teacher and principal until returing in 1933.

She furthered her education by attending, at different times, Ohio State University, the University of Chicago, and, while teaching in Cleveland she took work at the Cleveland School of Education, Western Reserve University.

Endowed with a remarkable memory, she was a reliable source of information regarding the history of Marion County. In addition to facts of dates, people and places she also had a fund of interesting anecdotes gleaned from accounts given her by her parents.

Her grandparents, James and Nancy Barks Cunningham, natives of Berkely Co., Va., came to Marion County from Fairfield County in 1826. Her great - grandfather, John Barks, operated the old Blue Bell tavern south of Marion on what is now the Delaware road, a landmark in those early days. Her paternal great - grandfather, Robert Cunningham, served as a major in the War of 1812.

Father Was Sheriff

Her parents, H. H. Cunningham and Mary Abigail Uncapher Cunningham, were natives of Marion County. Her father served in the Civil War with Co. K, Fourth Regiment, Ohio Volunteer Infantry and engaged in some of the major battles. He served as a township trustee for several years, and following his return from the Civil War served as sheriff of the county from 1868 to 1872.

It was while her father was serving as sheriff that Miss Cunningham was born June 4, 1869, in the old county jail building. Her early life was spent on the old Cunningham farm one mile south of Marion and she had lived in the Mt. Vernon home for the past 68 years.

Her religious affiliation was with Epworth Methodist Church which she joined in 1883, maintaining an active interest throughout her lifetime. She was a member of Circle 2 of the WSCS at Epworth, Eta Chapter, Delta Kappa Gamma sorority, national teachers organization, the Marion County Chapter of the Ohio Retired Teachers Association and the Burroughs Nature Club.

She maintained her interest in education throughout her lifetime and following her retirement kept abreast of things along this line through reading and her affiliation with professional organizations. Politically she was a Democrat. Her interests in later life were devoted to her friends, home and flower garden.

Sister, Nieces Survive

Surviving relatives are a sister, Mrs. George E. Frank of 498 E. Church St., two nieces, Mrs. C. C. Rowland of Ridgewood, N. J., and Mrs. Isabelle Sutherland of 496 E. Church St. and one grand-niece, Mrs. Frederick Cooke of Waldwick, N. J. Three sisters, Miss Louise Cunningham, also a teacher in the Marion Schools, and Zoe and Inez Cunningham, are deceased.

Funeral services will be held at 2:30 p.m. Tuesday in the home, 707 Mt. Vernon Ave. Rev. Walter C. Eyster, pastor of Epworth Methodist Church will officiate and burial will be in the family plot in the Marion Cemetery. Friends may call at the home. Services are in charge of the Schaffner-Denzer Funeral Home.

Traffic

(Continued From Page 1)

reported deaths from accidental causes.

The dead were identified as:

FRIDAY NIGHT

Glenn Wilson, 19, Miamisburg, was fatally injured in a four-car collision on Ohio 5 south of West Carrollton.

Mrs. Alma Hague, 75, was struck and killed by a car near her home just north of Zanesville.

SATURDAY

William Wheeler, 27; Larry Moore, 25; Ervil Rutter, 41, and his wife, Evelyn Rutter, 37, all of Oberlin, were fatally injured when the car in which they were riding missed a curve in Oberlin and hit a tree.

Wendell Jewett, 17, Wellington, and Irvin Coffman, Detroit truck driver, were killed in a car-truck collision on Ohio 18, 1½ miles east of Wellington.

Miss Florence Hackathorn, 20, Bergholz, was killed in a car that left a U.S. 42 curve near Amsterdam and rolled down an embankment.

John R. McKinney, 37, Cincinnati, died in a car-truck collision on U.S. 52 west of Cincinnati.

Delmus Brown, 5, Sharon Kay Brown, 4, Edward Michael Brown, 2, and Joseph Ray Brown, 6 months, children of Mr. and Mrs. Frank Brown, Wellston, were burned to death in a fire that destroyed their home.

Harry F. Graham, 65, Lima, was fatally injured in a car-truck collision near Lima's western city limits.

Charles Vesner Jr., 15, Columbus drowned when a homemade boat capsized on rain-swollen Big Walnut Creek.

Donna Marie Stebbly, 2, Portsmouth, died after swallowing pills intended for an adult.

Robert Shutts, 14, Lebanon, was killed in a fall through a hole in a hay mow floor.

Euhen Czernik, 51, Cleveland, was killed when a car went out of control on Cleveland's Memorial Shoreway.

John L. O'Donnell, 35, Warren, was struck and killed by a car in Warren.

Robert Eckstein, 44, Fremont, drowned when his auto ran into Green Creek after a Sandusky County bridge collapsed.

Fred J. Hallaberin, 35, Mansfield, was killed when a car plunged over an embankment on Ohio 13.

Lois A. Neu, 24, of Ada, was killed in a one-car crash on Ohio 53 about eight miles north of Kenton.

SUNDAY

Robert Pieper, 26, Cincinnati, and William T. Bellamy, 31, Norwood, were killed when their private plane crashed in woods near the village of Withamsville.

Ronald Blair Cross, 18, Munroe Falls, was burned fatally in a furnace explosion at his home that set his clothes afire.

Booker T. Gideon, 49, Springfield, was fatally injured in a one-car collision two miles southeast of Springfield.

Mrs. Mary C. Stephens, 84, of Marietta, was injured fatally when struck by an automobile in the city's first fatal traffic accident of the year.

Rites Held in Columbus For Former Marionite

Relatives from Marion attended funeral services in Columbus Wednesday night for Mrs. Hattie E. Donaldson, 86, a former Marion resident. She died Tuesday in her home in Columbus where she moved from Marion about 15 years ago. Her birthplace was Racine, O., and she was buried at Letart, O., Thursday. Rev. S.M. Ingmire of Columbus, a former pastor of Epworth Methodist Church here, officiated.

Surviving are Mrs. Donaldson's husband, Walter W. Donaldson, and her son, Earl Donaldson of Columbus. Sh was the sister of the late Earl T. Smart of Marion, and Miss Sadie Smart of E. Farming St. is her niece.

Work on Route 30-S To Force Closing of Section Near Lima

Road improvements on Route 30-S east of Lima will force closing of the artery to through traffic at 12 01 a.m. Tuesday, state Highway Department Division Engineer Walter J. Neidhardt announced today.

The widening and resurfacing project is being done by Shelly and Sands, Inc. of Thornville, O., at a cost of $1 278,311 76 for the 13 53 mile strip between Lima and the east junction of Route 69. The road will be widened from 20 to 24 feet and a score of hills cut down to provide safer sight distance ahead for motorists.

Grading and paving work will begin at the west end of the job near Lima and proceed eastward. The last mile at the east end of the job will be kept open until grading operations reach that point to permit north-south traffic over Route 69 which is contiguous with Route 30-S for a short distance. Completion date for the entire project is Dec. 31, 1955.

Westbound passenger traffic will be detoured northward over Route 69 through Ada to Route 30-N and westward over 30-N to Beaverdam and then southward over Route 25 to Lima. Heavy commercial trucks will be detoured at Kenton northward over Route 68 to Route 30-N and westward over that Route to Beaverdam and southward over Route 25 to Lima.

Rivers Up After Rain

COLUMBUS, Ohio (AP)—Officials expect the Ohio and Scioto rivers to crest at high levels today—but not above flood stages—after heavy rains.

Creeks and streams swollen with weekend rain yesterday forced highway authorities to block off 15 sections of road in southern Ohio

Peter Pan

By George Sokolsky

When I was a small boy, I was taken to see Maude Adams in "Peter Pan," and it has remained with me all these years as a sentimental journey to a temple of love and beauty. Maude Adams was a winsome personality that can never be forgotten.

SOKOLSKY

Therefore when it was announced that James M. Barrie's play was to be done as a musical comedy, I feared to go lest another memory be shattered, another symbol of virgin cleanliness be dragged through the current vale of vulgarity. Then I read that the play would be closed in 10 days and took my family to see it.

Back in the days of Charles Frohman, before the theater was forced to compete with movie houses and neon signs had not yet been invented, one approached the theater as though it were a temple.

-:-

IT WAS AN OCCASION to go to the theater. There might have been a photograph of Maude Adams, but the front of the house was not plastered with signs and pictures and noisome lighting.

There was no pushing and shoving because good manners were still in vogue. A special atmosphere was all-pervading even in the lobby.

In the 1955 version this simple play of dreamland is begun by an overture in brass which shakes the rafters, as though in preparation for Ethel Merman. So the climate of the play was shattered as by an electric storm.

Soothing violins and violas might have fixed a mood, as Wagner does in an overture. But here, it was brass, and what mighty trumpets and trombones! So the mood was gone and one was at a musical comedy, a show like all shows, satisfying because Mary Martin was the star and the sequences were pleasurable and amusing and the tunes were not bad, although in one's ear ran something from Tchaikowsky's "Romeo and Juliet" like a lost chord.

It was not James M. Barrie and it was only called "Peter Pan." It was like Mozart done in bebop or a tender song of Schubert twisted into a mambo.

-:-

IN THE LOBBY I saw a blowup of a critique written by one of the men in New York who make or break plays — shows, they call them — depending upon the state of their pancreas. This reviewer finds this musical an improvement upon Barrie's "Peter Pan."

This man of the moment feels that Barrie was too saccharine, too sweet, too sentimental. What he apparently prefers is a brass band. Someday, with such encouragement, someone will do Ibsen's "A Doll House" in jazz.

That, of course, is a point of view in a generation which does not go in for the gentle or the genteel, the fine and the delicate. We are all supposed to be hard guys. Perhaps that is why so many second acts let the curtain fall on a four letter word, hurled at the audience by a woman. I recently saw "The Southwest Corner," the best written, the best produced and the best acted play that I have seen in at least five years. But the audience was inadequate.

The theater is always a mirror of the times. The live theater has outlived the movie, the radio and television because it is vital and significant. But in the competition it has taken on some of the vulgarities of its competitors. It too often lowered its standards.

-:-

WHEN IT IS SO difficult to buy tickets and any fairly passable play will have a run, it is about time to raise the standards, to bring the theater back to its late nineteenth and early twentieth century greatness. The fact that Shakespeare and Shaw pack them in each season ought not to be missed by those who finance plays. Such a fine play as "The Southwest Corner" ought to be a great success.

When one looks back, even in the field of musical comedies, to "The Merry Widow," "The Chocolate Soldier," "Sari," "The Floradora Girls," "The Wizard of Oz," "The Student Prince," and dozens of others, there seems to be no reason to accept Minsky's Burlesque as a guide. Of course, we do have in these days, "Oklahoma," "The King and I," "Brigadoon" and other surprises.

Will someone please do "Peter Pan" as James M. Barrie wrote it?

(King Features Syndicate)

Marx Was Wrong

By Victor Riesel

Old Karl Marx, who started all the trouble, would be surprised to discover that in these United States there are more signs of the class struggle during prosperity than in less booming times. We fight each other only when we can afford to.

VICTOR RIESEL

As jobs tightened up all over the country this past year, a new phenomenon developed. Unions began saving beleaguered companies — and millionaires began buying up mills to have jobs in beleaguered communities.

Oregon pilots raised funds to keep an airline flying. St. Louis teamsters yielded a 44 cents an hour package increase to keep their company in business. CIO electrical workers voted to trim expenses at the Otis Elevator Co. plant to keep it from leaving New York in search of lower costs.

But suddenly the "mutuality of interests between the union and the boss" was dramatized by Alex Rose's AFL Hat, Camp and Millinery Workers Union, which has been hard hit by the modern women's head 'kerchief craze.

—:—

ALEX ROSE, six-foot veteran of Allenby's legion in Arabia, has long set fashions in labor relations and is one of the background policy makers for the national AFL itself. After weeks of negotiating with his hard-hit industry, Rose announced that the hatters would not insist that the employers increase their payments into the union pension fund from two per cent to three per cent.

By waiving the one per cent, Rose waived $350,000 a year for three years. Instead he told his industry counterparts to put the money into a new Millinery Institute of America. This institute will be run by a board of trustees on which the union wanted to be strictly a minority.

The Institute will attempt to make America, not Paris, the hat fashion center of the world — and thus popularize the wearing of hats in a nation where millions of families live in the suburbs and dress like they've gone back to the earth forever.

—:—

ROSE TOLD ME:

"We want to popularize the fashion value of millinery for the consumers of America. We are voluntarily accepting a minority role in the handling of the drive which we hope will revive the industry. This union wants no management prerogatives. We feel that the business of promoting business is the business of business people.

"We want to fight the trend toward casual dressing.

"The union feels that the younger generation especially must be educated in the value of esthetic dressing — and that includes hats. This promotion will emphasize the mutuality of interests between the union and the employer because it transcends any other diverse and conflicting interests which we may have.

"It may bring a great measure of harmony in our national industrial life — for we hope we here set a pattern which will show how both sides need each other and can help each other survive."

—:—

ALTHOUGH THIS MOVE of the Hatters' Union is the most dramatic because it yields $1,000,000 for the promotion of the industry, the labor outfit has also been helping its employers fight against the flood of cheap caps from Japan and felt hat bodies from slave labor factories in Communist Czechoslovakia. These caps and hats have hurt American industry by underselling us.

Just as labor has been helping its "boss," there are millionaires who have felt the impact of this need for "mutuality action." Among the most prominent of those who have played "economic Santa Clause" is Ohio's Cyrus Eaton. Early this year Eaton bought up the Follansbee Steel Corp. It was about to be dismantled. This would have made a ghost town of Follansbee, W. Va. Some 730 workers would have been destitute after losing a $5,000,000 annual payroll which keeps this town of 4,500 residents going.

Eaton bought the mill and kept it in business. The town will eat for a long time. This is the third time Eaton has stepped in to save vital industries in small towns.

In New England a Boston millionaire by the name of Bernard Goldfine has also saved several communities faced with the shut down of big mills. Last year, Goldfine bought up the Mabbet Mill in Plymouth, Mass., after it closed, cutting off the townsfolk's bread as well as its textile production. He rehabilitated the mill and is reopening it to give the historic community a $1,000,000 annual payroll.

In the past two decades, Goldfine has acted similarly in Lebanon, N.H., and Warren, Me.

Would Karl Marx be surprised!

(Post-Hall Syndicate)

Wonder Questions

By Hal Boyle

NEW YORK — It's a wonderful world, and here are a few things in it to wonder about:

Why are women afraid of mice, when the average mouse can run at a speed of only about four miles an hour?

HAL BOYLE

Since most men today prefer rubber heels, why do manufacturers still go on turning out so many shoes with leather heels?

Does everybody have a secret yearning to hold up a bank? If not, why do you always have a guilty feeling that the bank guard is keeping a careful eye on you as you sidle up to the teller's window to cash your paycheck?

—:—

WHAT MAKES an otherwise sensible, middle-aged dog lift up his nose and howl at a full moon? Is he bugling from an inner hurt, crying for a lost time in the past when dogs had a more important place in the universe?

Who can explain the odd fact that, as a man's hair begins to thin on his scalp, he often grows more hair on his chest? Is he just the victim of a bunch of crazy, mixed-up follicles?

How come when you go to a guy's funeral you so seldom see his doctor present among the mourners?

What makes most men feel so vaguely depressed when they see their reflection in a three-way mirror in a clothing store? Is it because they are startled to find out how they really look to other people all the time?

—:—

DO PORCUPINES actually find each other attractive, or do they marry in self-defense, realizing that nothing else on earth would put up with a porcupine except another porcupine? Would it work out if a porcupine and a skunk fell in love?

How long has it been since you heard a streetcleaner singing at his work? Or a banker?

What is the life expectancy of a mothball? And what happens to them anyway? Do they wear out, or just fade away? Is there any market in second-hand mothballs? Can you trade in old ones on new ones?

Why is it so many people want the rose named as America's national flower? Doesn't the simple homespun dandelion, the children's delight, have any supporters?

If a national organiztion were formed to discourage the custom of tipping, would the club motto be: "Show 'em no quarter?"

—:—

WHERE DO SOME girls get the foolish idea that freckles aren't a feminine asset? How many conversationally dull women have husbands today merely because the guy of their choice was so preoccupied with counting their freckles during their dates that he never really heard the nonsense they were talking, and which might have frightened him away?

If science can solve the problem of filtering radioactive wastes from atom power plants, isn't there some hope it will also be able in time to separate those old movies from our television screens?

And while we're brooding on the prospects for a better world, why doesn't Congress help the common man by inventing a self-paying tax?

Wouldn't there be fewer crowded prisons if there were more traffic jams in churches?

In later life can you ever capture a rapture as fresh as the moment when, as a child, you caught a firefly for the first time in your cupped hands on a soft summer night?

In a wonderful world, you wonder.

(By The Associated Press)

TEACHER ON LEAVE

GALION — Mrs. Frank Lutes, elementary teacher at the North School, has been given a leave of absence because of the serious illness of her husband in San Diego, Calif. Mrs. Lutes is the daughter of Dr. H. H. Hartmann of Galion. Mr. Lutes has been in California because of a serious heart and chest condition. At the North School, the vacancy will be filled by Mrs. Marvin Fogt.

WRESTLING WITH A KICK IN IT. Gama (left) seems to have a ray of hope of beating Rustom in this mule wrestling match put on by the Indian Army during three-day horse show in New Delhi. The well-trained mules began bout at sound of a whistle and they didn't stop until another whistle sounded or one of the contestants took to its heels. At this point Gama seems to be a neck in front with what appears to be a choke hold.

Erie Tests Special Locomotive Designed for Foreign Service

A diesel-electric locomotive designed for service in foreign countries is undergoing tests in Erie Railroad freight service for the General Electric Co., Milton G. McInnes, vice president for operations, announced today.

The four-unit 6,000-horsepower locomotive, built by General Electric, is powered by Cooper-Bessemer diesel engines. Except for fluted sidewalls of stainless steel, the test locomotive has been painted standard Erie colors and resembles diesels regularly used by the Erie on the east end of the line.

The Erie has been operating the test locomotive between Marion and Hornell, N. Y., in regular freight service. The manufacturers provide their own technicians who ride the "guinea pig" on its daily runs and keep necessary performance records. At the end of the one-year test, technical data will be available to compare with other locomotives in similar service.

The Erie was selected as the proving ground for the export-type locomotive because its main line between Hornell and Marion provides a variety of topographic conditions. The profile map of the test area shows a combination of flatlands and a series of sawtooth hills which challenge the power of any locomotive.

McInnes said that diesel-electric locomotive manufacturers are looking toward the export markets because American railroads have nearly completed their change from steam to diesel power. But he added that "American railroads are always alert to any new developments which may give better service at lower cost and will change again when they find it." The Erie operates all its trains with diesel power; no steam locomotives have been operated on the Erie in over a year.

The experimental locomotive consists of two 8 cylinder 1200-horsepower units and two 12 cylinder 1800-horsepower for a total of 6,000 horsepower, and makes a round trip of 794 miles between Hornell and its Marion base every 36 to 48 hours.

Second Son Born to Film Actress Elizabeth Taylor

SANTA MONICA, Calif. (AP)—It's another boy for film actress Elizabeth Taylor

The dark-haired actress celebrated her 23rd birthday yesterday by giving birth by Caesarean section to a 5-pound, 12-ounce boy. Both mother and son, named Christopher Edward, were reported "doing fine."

Miss Taylor was married to British actor Michael Wilding Feb. 21, 1952 in England. Their first son, Michael, was born Jan. 6, 1953.

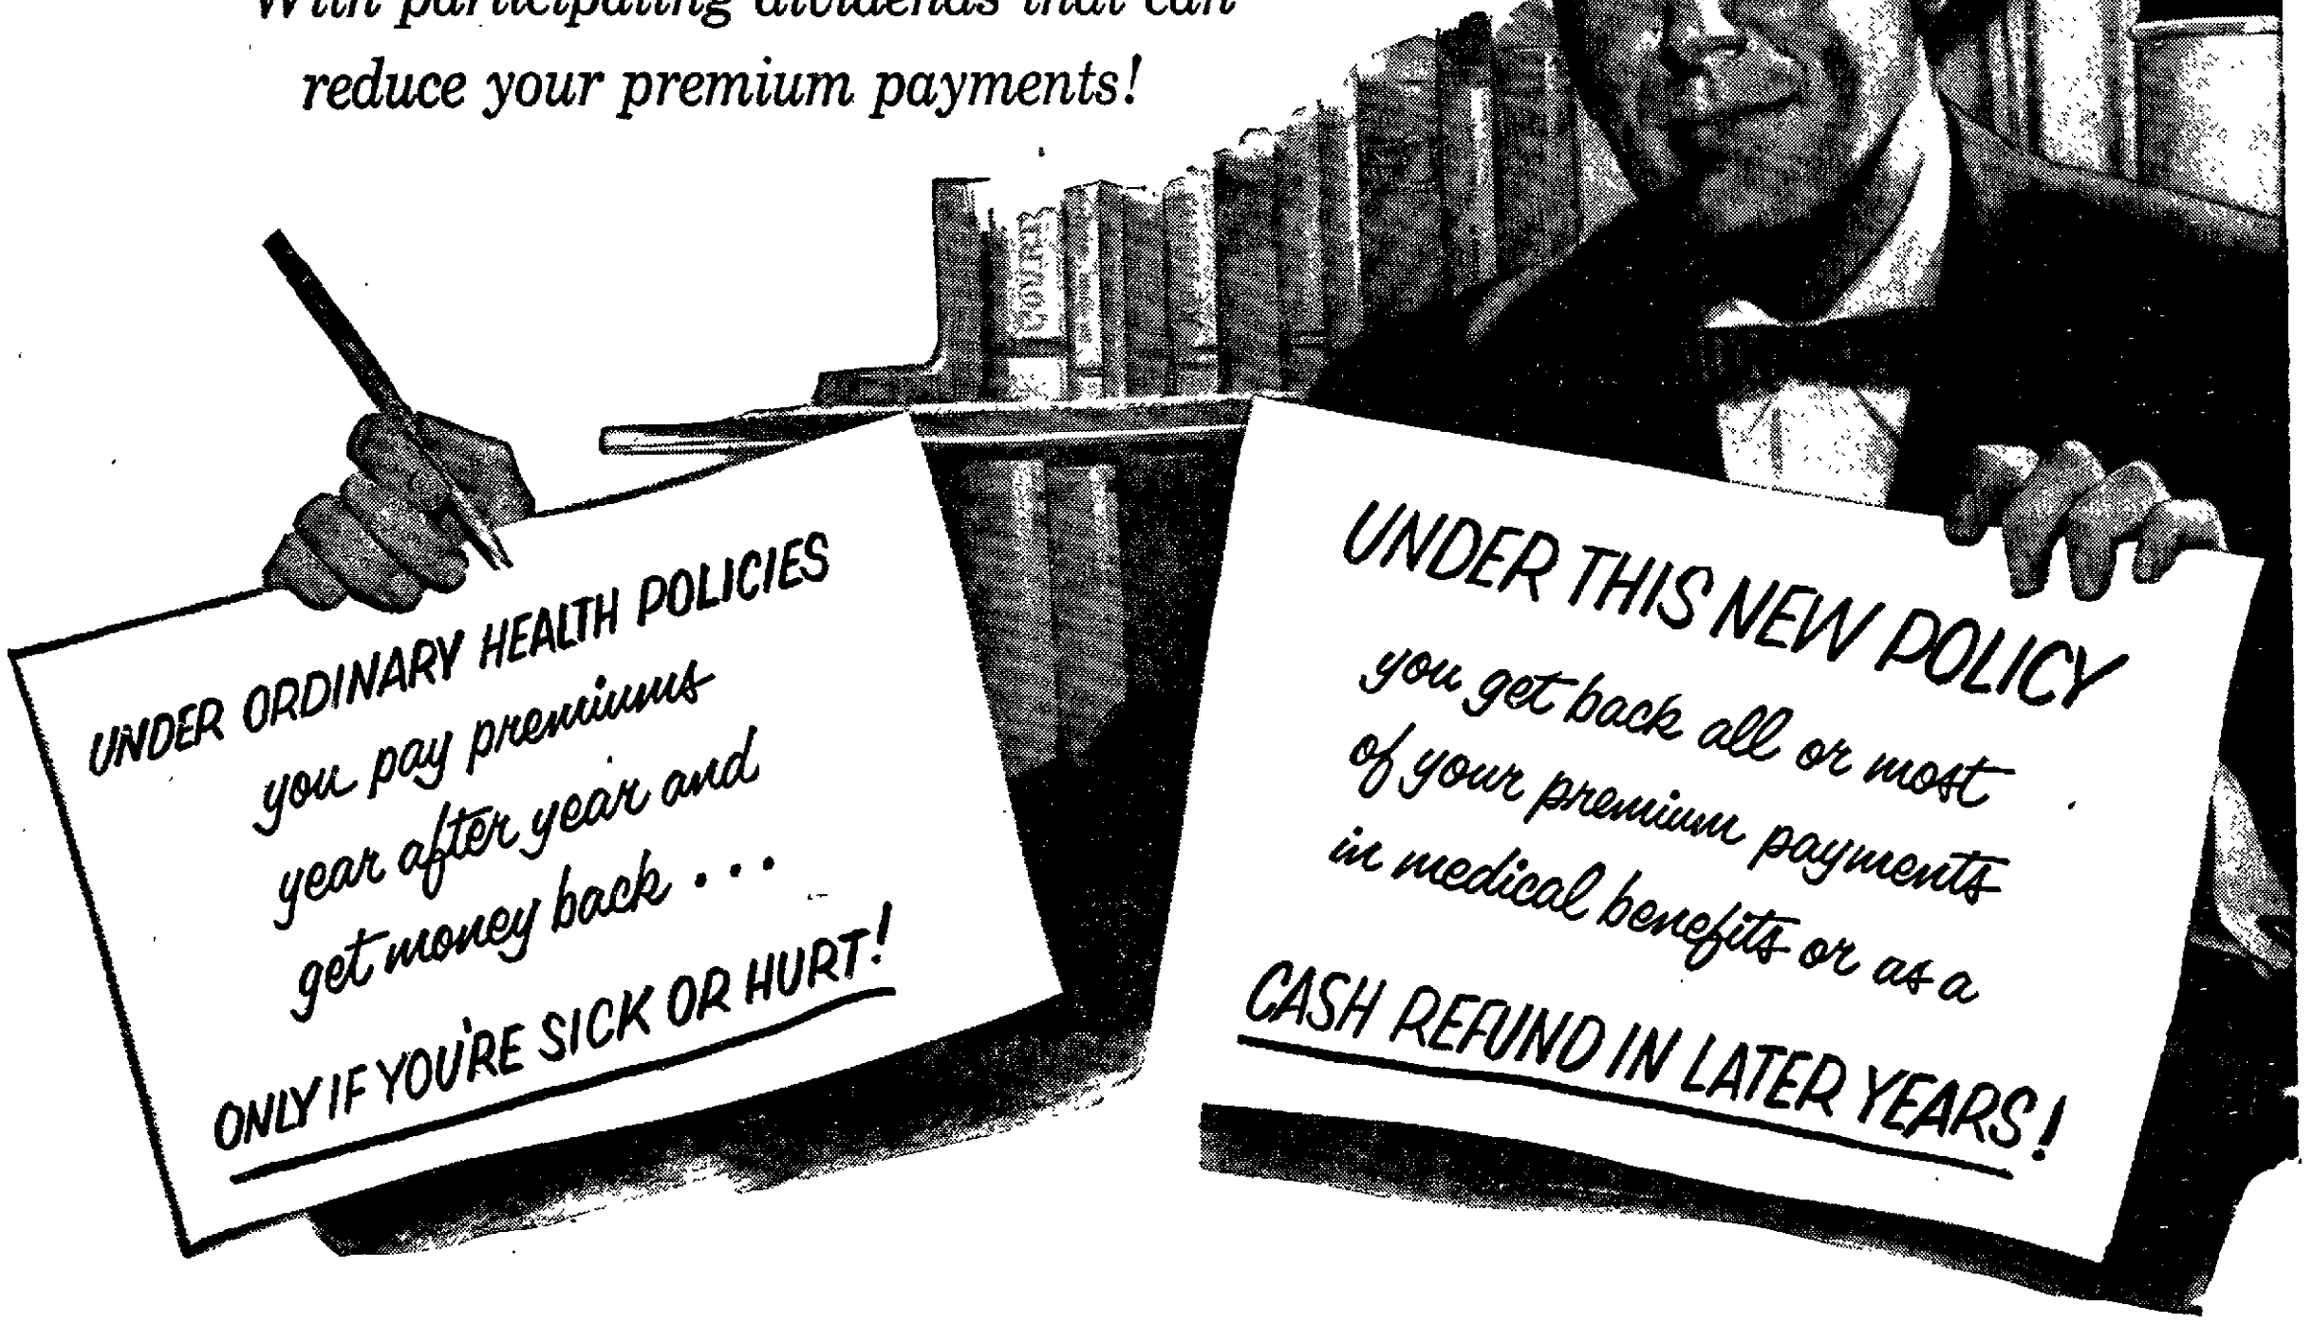
AT LAST!

NON-CANCELLABLE, GUARANTEED* RENEWABLE HOSPITAL-MEDICAL-SURGICAL INSURANCE TO AGE SEVENTY-FIVE!

With participating dividends that can reduce your premium payments!



UNDER ORDINARY HEALTH POLICIES
you pay premiums
year after year and
get money back . . .
ONLY IF YOU'RE SICK OR HURT!
UNDER THIS NEW POLICY
you get back all or most
of your premium payments
in medical benefits or as a
CASH REFUND IN LATER YEARS!

YOU MUST COLLECT, EITHER IN BENEFITS OR IN CASH REFUND!

(The Company does not reserve the right to increase the rate or alter the policy contract in any way)

Now you can be protected against hospital, medical and surgical bills without losing all your premium dollars if you stay well. This thrifty new policy not only provides liberal cash benefits to help pay your medical expenses, but builds a *guaranteed cash value* that you get back when the policy matures. We deduct only actual benefits paid to you for medical expenses . . . This new policy is non-cancellable (except by you). If you pay premiums on time you can have *full protection* to age 75. Your premium rate can NEVER be increased—It remains the same as long as you keep the policy. Benefits are not reduced at older ages. Net cost is surprisingly low, and premiums may be further reduced by possible future dividends . . . Mail the coupon below today for complete information. There is no cost or obligation.

*(*CERTAIN SPECIFIED RISKS NOT COVERED. SEE EXCEPTIONS IN THE POLICY NC701)*

YOU CAN BENEFIT 3 WAYS

1. MONEY FOR YOU *if you leave us*

Just like most life insurance policies, this new policy has accumulating cash values—money that is available to you after you have been a policyholder for as little as three years. If, for any reason, you should find it necessary to give up your protection, you are entitled to the full cash value printed clearly in your policy less a fraction of any medical-expense benefits you had received. Or, if you should die, this money would be paid to your beneficiary.

2. MONEY FOR YOU *when you are sick or hurt*

Provides cash benefits for hospital room and board ($8 per day, maximum), both minor and major surgery, and for doctor treatments at your home ($3 per day), his office or the hospital ($2 per day). Also specified payments for maternity and for use of hospital operating room and anesthetics—as well as for X-rays, laboratory examinations, medicines and many other medical services *in or out of the hospital*. Exceptions are kept to a minimum excluding only such things as war, dental treatment and simple rest cures (for which no premium is charged), and are clearly printed in the policy. TOTAL BENEFITS are the face value of your policy—from $2,500 to $5,000 depending on your age at issue, excluding only indemnity paid by Workmen's Compensation.

3. MONEY FOR YOU *if you stay healthy*

You're certain to get money back—either because you need it to help pay medical expenses or because you were fortunate enough to stay healthy. For younger persons who begin this protection early and stay reasonably healthy, this cash refund can be sizeable—as much as several thousand dollars at retirement age. Even men and women who start their protection in middle life can get a substantial sum in cash when the policy matures. Mail the coupon for full information.

Proposed Limit On University Enrollment Hit

CHICAGO (AP)—A panel of top American college educators assailed as 'nonsense' and 'rubbish' today the idea expressed by the president of Yale that colleges must keep enrollments down to prevent dilution" of education

The educators, here for the 10th National Conference on Higher Education, were asked by an Associated Press reporter to discuss college opportunities for young people They centered their fire on Dr A Whitney Griswold head of Yale, who in a Feb 18 speech said he did not think Yale should let itself get any more than 10 per cent bigger

President Francis H Horn of Pratt Institute, Brooklyn, N Y, said

'This is sheer nonsense unless you admit that Yale or Princeton already has a diluted form of education . I think they still have a highly selective group The results of their people out in front of science and technology and the humanities proves it

Other comment from the panel included

George H Hand vice president of Southern Illinois University Carbondale Ill — I consider that (Griswold's) statement sheer rubbish

Ronald B Thompson, registrar Ohio State University — A very few highly intellectual well-trained individuals can give the kind of leadership that America is going to have to have

Cleveland Mother of 2 Found Hacked to Death

CLEVELAND (AP) — A 28-year old woman was found hacked to death yesterday, her head and body stabbed 12 times Police said a butcher knife apparently had been used

Dead was Mrs Ethel Flowers, the mother of two small boys Her body was found in a blood-stained bed by her father Jerry Hardy at the woman's east side home

Homicide detectives said there were no signs of a struggle

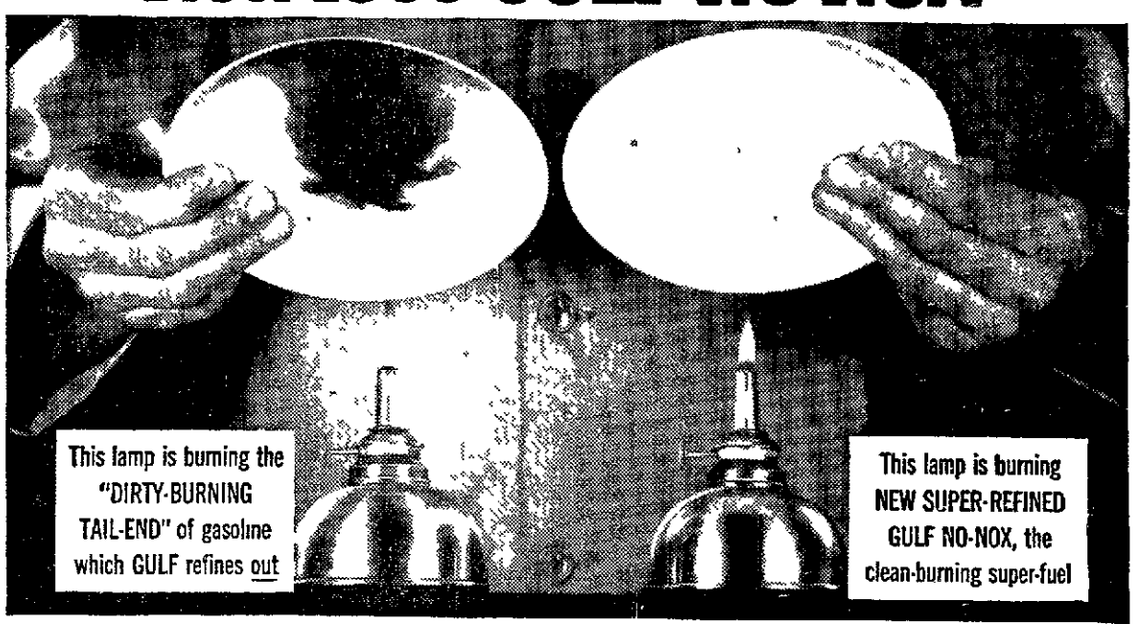
No gasoline—no, not a single one—has higher octane than

New 1955 GULF NO-NOX



This lamp is burning the "DIRTY-BURNING TAIL-END" of gasoline which GULF refines out
This lamp is burning NEW SUPER-REFINED GULF NO-NOX, the clean-burning super-fuel

and because it burns clean... New No-Nox gives you even more power-with-protection

But octane alone is not enough Only a gasoline that burns clean can make its full octane power really work for you mile after mile. That's why new Gulf NO-NOX is *super-refined* to burn clean and make this power *last thousands of miles longer!*

This lamp test above shows what a difference Gulf super-refining makes Gulf refines out the "dirty-burning tail-end" of gasoline, at the refinery, to bring you new Gulf NO-NOX. Just see how *clean* new NO-NOX burns

Fill up with new Super-Refined Gulf NO-NOX and feel the difference

- **More complete engine protection** than with so-called "miracle-additive" gasolines.
- **Extra gas mileage** in the short-trip, stop-and-go driving motorists do most
- **Stall-proof smoothness** . . . instant starts . . . fast, fuel-saving warm-up.
- **No knock, no pre-ignition**—even in today's high-compression engines.

GULF'S PLEDGE to the motoring public

- We at Gulf make this promise to America's motorists. We will not permit a single competitor—no, not a single one—to offer a gasoline superior to our own superb No-Nox.
- It is our sincere belief that No-Nox is the finest gasoline on the market today, and no matter what others do or say we will keep it the finest—in power, in performance, in engine protection.
- This is not a boast, not a claim. It is a pledge to you, the motoring public—a pledge backed by the resources—and the integrity—of the Gulf Refining Company.

GULF

New 1955 GULF NO-NOX

It's super-refined...to burn clean! The '55 gasoline for all high-compression engines

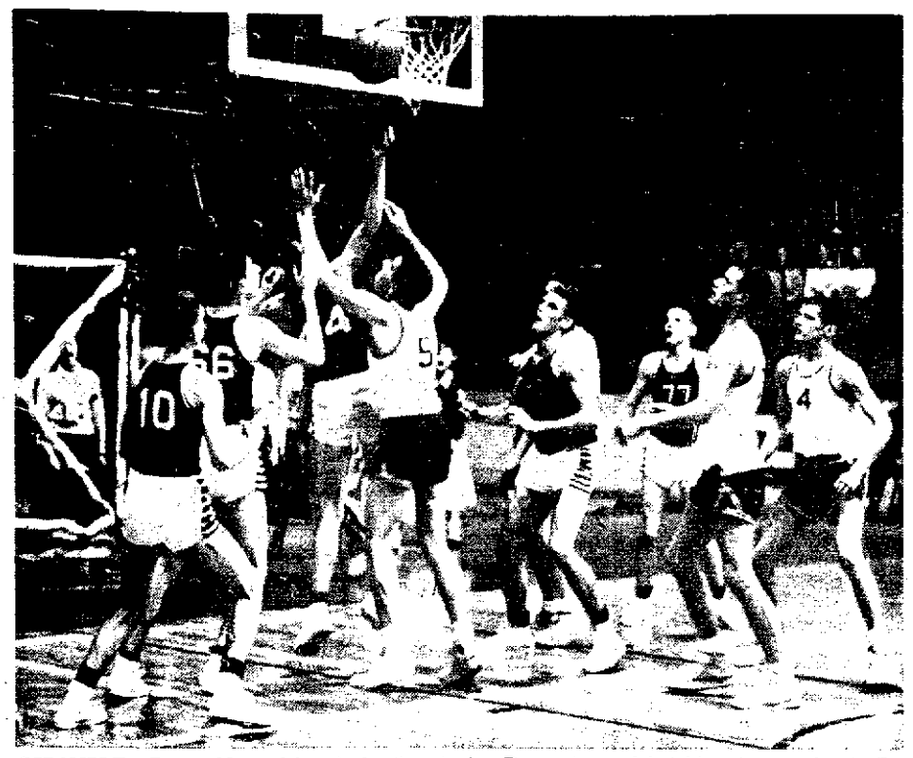
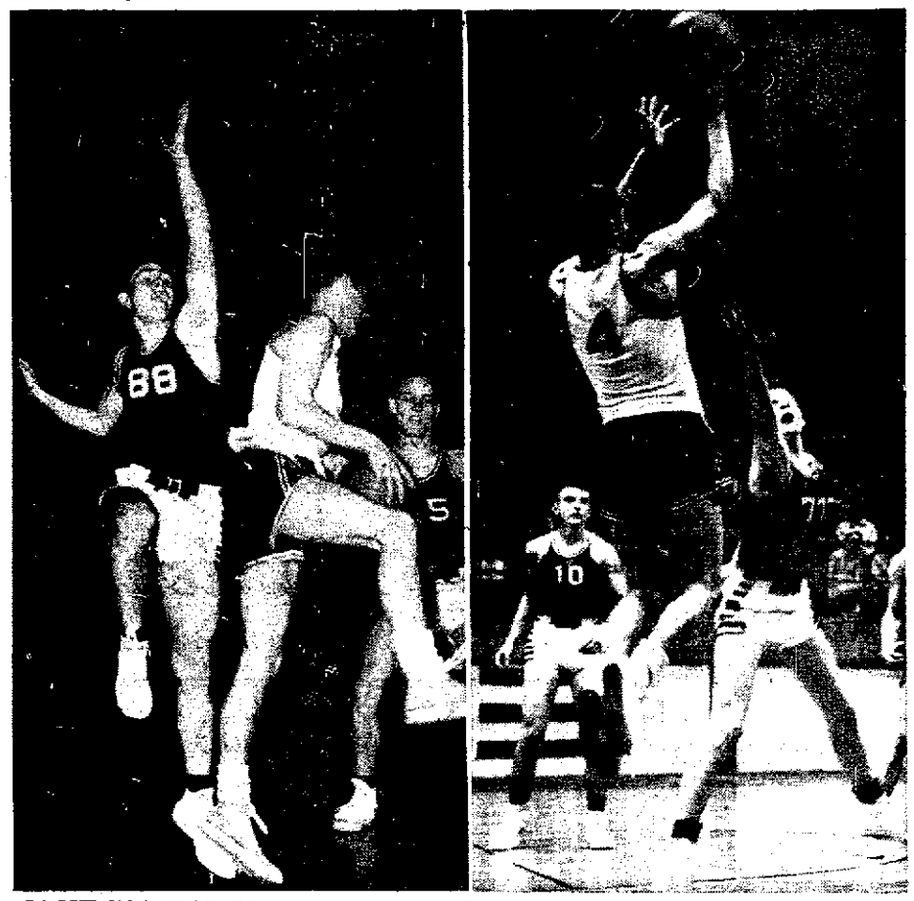
Scenes From Tourney Action



SCRAMBLE. George Moser drives in for the winning Prospect squad but his attempt missed. Bob Rodgers (99) batted in the rebound for the Bulldogs. Other Prospect players are Steve Lauer (10), Bruce Emery (66) and Roger Remlinger (77). Shown for LaRue are Bob Hughes (5), Ray Hosey (10) and Keith Cooper (4).



LA RUE ON ATTACK. Norm Buyer operates in the pivot for the LaRue team. Here, at the left, he is passing off to a team mate not shown. Richard Gix (88) and Roger Landon (55) guard him. At the right, LaRue's Keith Cooper (4) goes up for a jump shot. Roger Remlinger (77) guards him while Steve Lauer (10) comes up to help.

TEAM RAH. Prospect's cheerleaders watch play closely as their mates eke out a 57-56 win in the championship battle. Members of the squad include Shirley Laughorn, Lois Roller, Marilyn Wood, Janice Bachelder, Sue Schmid, Carlyn Mathews, Joan Bevis and Alice Krawczyk.

HOSEY SCORES. Ray Hosey scores for LaRue in the championship game before 3,200 fans at the Coliseum Saturday night. Richard Gix (88) of Prospect is up in the air trying to bat the ball down. Keith Cooper (4) and Bob Hughes (5) of LaRue watch while Prospect's Roger Remlinger (77), Bob Emery (66) stand by.

Prospect Takes Tourney Crown By Shading LaRue in 57-56 Duel

Attendance of 3,253 Reported; Claridon Wins Third Spot

By JOHN SHORT

Prospect will go into Central District tournament play this week as the Marion County tournament champions. The Bulldogs earned that title Saturday night at the Coliseum with a hard-earned 57-56 verdict over LaRue.

Both finalists will be in Central district play as well as Claridon which bumped Caledonia 51-44 in the consolation contest.

A total of 3,253 fans paid their way into the Coliseum for the final session. That was a new record for an athletic event at the Coliseum. It boosted the total admissions for the six nights of action to 11,577.

The Prospect and LaRue squads locked horns in a real thriller for the title. The lead changed hands 19 times during the 32 minutes of furious action and the score was knotted on 13 other occasions.

—:—

PROSPECT SCORED first on a foul shot by Roger Remlinger but the league co-champions came back to move into a 4-1 lead before Prospect could hit again. The teams traded point for point and the Bulldogs ended the period with a slim 11-10 edge.

The teams traded leads six times in the second stanza with six tie scores also being posted. No more than two points separated the squads with each score changing the lead. LaRue held a 25-24 edge at the half. Larry Hickman of LaRue and Prospect's Bob Rodgers were the big guns with the two scoring whizzes trading baskets throughout the first half.

A spurt in the early stages of the third quarter, gave the Bulldogs one of their biggest margins. With 4:28 left in the period, Prospect had built up a 36-31 lead. But Hickman and Ray Hosey hit from the field for the Indians and they were back in the ball game at 39-37 and ended the period deadlocked at 43-43.

Prospect again pulled into a comfortable margin in the final stanza, leading 53-47 with 4:41 left before Hickman popped in five straight points to cut the deficit to 53-52 and then scored on a drive-in to push LaRue out front 54-53 with 1:19 left to play. With one minute to play, Rodgers hit on a hook shot to push Prospect out front 55-54 and with 42 seconds left, the Bulldog ace grabbed a rebound from a shot by Hosey and was fouled in the process. He dropped in both free throw attempts to cinch the win when the Bulldogs' lead mounted to 57-54.

—:—

BOB HUGHES managed to cut his LaRue mates' deficit to 57-56 with 20 seconds left when he scored on a set shot but time ran out on the Indians before they could get the winning score. They did manage to steal the ball from Prospect but with 10 seconds to go a traveling infraction was called against LaRue and Prospect was in.

Rodgers, who rewrote the record books for Prospect during the regular season and also in tourney play, was the winners' big gun. He pumped in 31 markers. Hickman led the LaRue team with 28 while Hughes finished with 10. Remlinger was next in line for Prospect with nine.

LaRue outscored the winners from the field 24-20 but the Bulldogs held a 17-8 advantage from the foul line. Prospect dropped in 17 of 25 attempts and LaRue connected on eight of 14.

—:—

CLARIDON PULLED away in the second half in registering its win over Caledonia's scrappy midgets. The Donians rushed the Hornets off their feet in the early stages in taking a 14-10 lead after the first period and their rushing continued to pay off in the second period as they ended the half holding a 19-16 cushion.

The Hornets superior rebounding power began making itself felt in the third quarter as the Caledonia team appeared to tire. Gail Castle, Gary Row and Bob Johnston began hitting steadily and the Donians were given only one chance on each shot from the field. Every rebound was grabbed by the Hornets.

Claridon carried a 37-26 lead into the fourth quarter after holding the Donians to seven points in the third stanza.

Gary Row scored 17 points to lead the Claridon squad in its bid for a spot in district play while Johnston finshed with 13. Gene Rice was high for Caledonia with 14 and Jerry Gorby netted 11.

Following the tourney action, D. T. Mills, county superintendent of schools, made the trophy presentations for the league chase and the tourney. Prospect, LaRue and Claridon all received tourney trophies with the championship game ball going to Caledonia. LaRue and Caledonia received league championship trophies while Prospect and Claridon copped runner up honors. Waldo was given the reserve league title trophy with runner-up laurels going to Caledonia.

Following the championship battle, the Prospect team held a victory celebration at the Highway Hotel. The win gave Coach Fred McCumber his first title. He is in his first year at the Prospect helm, replacing Bob Kelly, who resigned after last season.

PROSPECT 57

Bob Emery 0-4-4; Remlinger 4-1-9; Rodgers 13-5-31; Landon 0-0-0; Gix 0-0-0; Moser 2-3-7; Laer 1-4-6; Byrd 0-0-0; Bruce Emery 0-0-0.

LARUE 56

Hosey 2-0-4 Hickman 12-4-28; Guthery 0-1-1; Hughes 5-0-10; Cooper 3-3-9; Buyer 2-0-4.

Prospect	11	24	43	57
LaRue	10	26	43	56

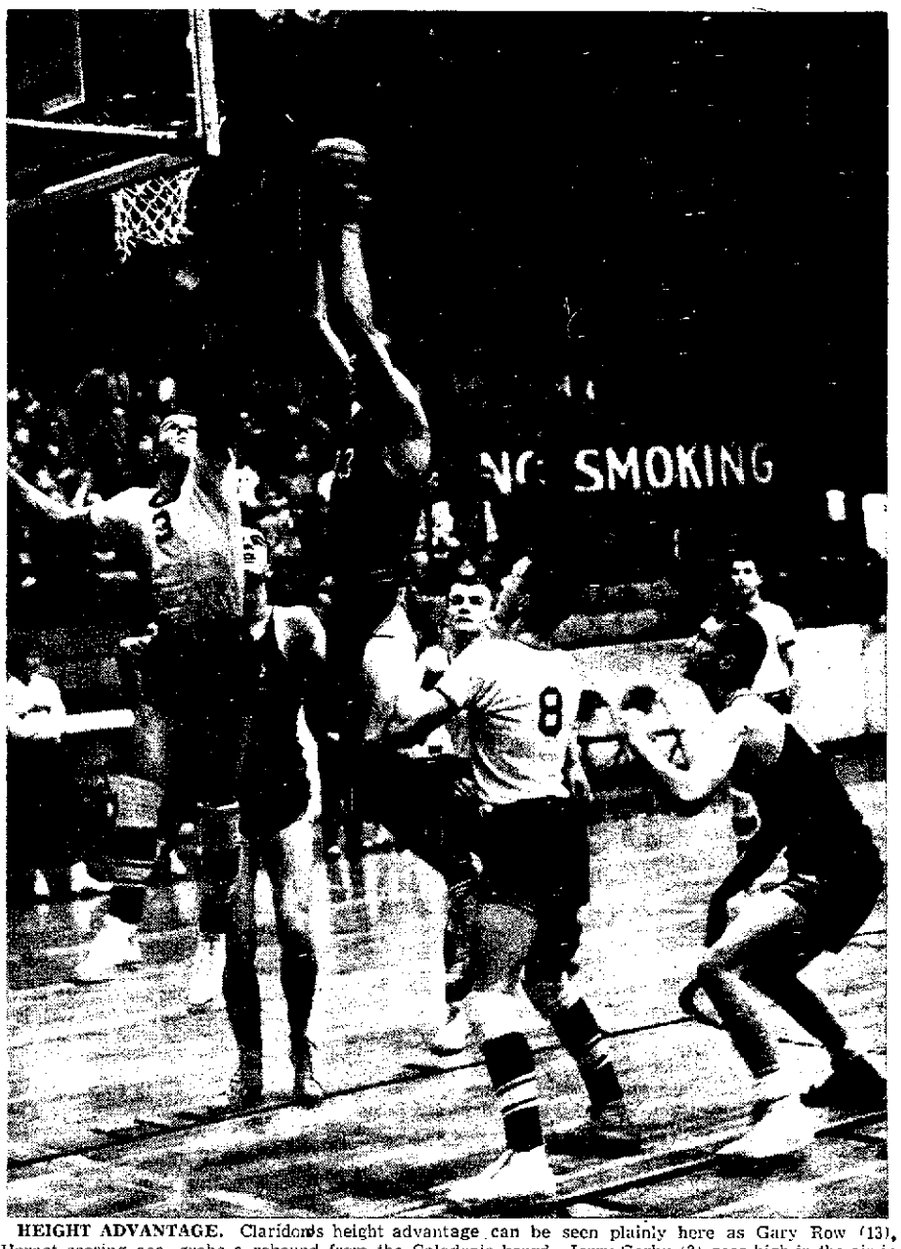
CLARIDON 51

Castle 4-1-9; Johnston 6-1-13; G. Row 8-1-17; Howser 0-6-6; L. Row 1-0-2; McCoy 1-0-2; McClenathan 1-0-2.

CALEDONIA 44

Gorby 5-1-11; Rice 5-4-14; Walker 0-3-3; Whiteamire 0-4-4; Hunt 3-2-8; Dickerson 0-0-0; Ulsh 1-2-4.

Claridon	10	16	37	51
Caledonia	14	19	26	44



HEIGHT ADVANTAGE. Claridon's height advantage can be seen plainly here as Gary Row (13), Hornet scoring ace, grabs a rebound from the Caledonia board. Jerry Gorby (3) goes high in the air in an attempt to tip the ball in. Doug Whiteamire (8) of the Donians and Bob Johnson (13) watch. (All the photos of Saturday night's games were taken by William R. Diem Jr. of The Marion Star.)

Richwood Cagers Win

The Richwood AC rolled over Meeker Ex-Hi 74-59 in a Tri-County League game Friday at Richwood. The winners overcame a 13-point deficit in the third period and continued to pull away.

The Meeker team got a fast start with its fast-breaking attack which kept the Richwood squad off balance through the first half. John Cheney netted 24 points to top the winners and was aided by Don Wood with 18. Gene Uhl scored 22 to pace the losers and Bob Wood added 21.

RICHWOOD 74

D. Wood 9-0-18; Shields 6-4-16; Wiley 2-0-4; Ransome 6-0-12; J. Cheney 12-0-24.

MEEKER 59

Uhl 10-2-22; Murphy 2-0-4; McKelvey 2-0-4; B. Wood 7-7-21; Van Meter 4-0-8.

Souchak Wins Second Major Golf Tourney

HOUSTON (AP) — Mike Souchak after winning $8,500 in 11 days, headed for Baton Rouge, La., today to try to run his winter golf tour victory string to three tournaments.

The muscular Souchak used a 7 under-par 65 fourth round yesterday to pocket the tour's richest prize, $6,000 in top money in the $30,000 Houston Open. A week earlier he won $2,500 with the Texas Open title in San Antonio.

He is the year's second leading money winner, his $10,003.33 just $37.34 behind Gene Littler.

Yesterday's performance enabled the 210-pound Souchak to win with a 72-hole 273 — 15 under par for the 7,200-yard, par-72 Memorial Park course. His 65 and early rounds of 70, 71 and 67 left him two strokes ahead of little Jerry Barber, Los Angeles, who had 70-71-63-71—275 and won $3,500.

Jack Burke Jr., the 1952 winner, and Shelley Mayfield trailed Barber by three strokes at 278. Each won $2,000.

Julius Boros, Mid Pines, N. C., and Buster Cupit, West Montore, La., with Peter Thomson, Melbourne, Australia, and Jack Harder, El Paso, Tex. each picked up $1,225.

STEAL NEW CAR

BALTIMORE (AP)—Thieves broke into an auto dealer's showroom yesterday and took $5 from the cash register. They also drove off with a new car, valued at $3,200.

Kluszewski Ready

TAMPA, Fla. (AP)—Ted Kluszewski, the Cincinnati Redleg who led the major leagues in home runs last season, is in good shape in the weight department today.

Big Ted weighed 242 pounds at the end of last season. He reported to Tampa weighing only one pound more, 243.

Marion Sectional Class A Action To Open Tonight

Shelby To Tackle Bucyrus; Ashland Takes on Madison

Shelby's undefeated Whippets and Ashland's improving Arrows are favored to capture opening round tests in tonight's Class A Sectional Tournament which opens at the Coliseum.

Ashland (10-8) faces oft-beaten Mansfield Madison (7-13) in the opener at 7 p.m. while Shelby (18-0) opposes Bucyrus (9-8) in the nightcap carded for 8:20 p.m.

The Arrows have won six of their last seven starts, the latest by an 87-80 margin over New Philadelphia last Friday. Top-seeded Shelby, highest scoring Class A quintet in Ohio with a game average of over 80 points a contest, holds a previous triumph over its Northern League rival.

Play in the other bracket of the tournament is scheduled Wednesday night with Harding seeing action in the opener. Coach Jim Lawler's Prexies (6-14) meet Galion (10-8) in the opener and second-seeded Mansfield (15-5) goes against Upper Sandusky (3-14).

The Marion tourney is one of the best sectionals in the state according to tournament manager Ken Somerlot and boasts two great ball clubs in Shelby and Mansfield.

The veteran Mansfield squad, sectional champ here last year, is paced by George Swank and Phil Tinkey, two 6-5 giants, and was rated fifth among Ohio Class A cage squads in the latest Associated Press poll. The Tygers closed out their season last Friday by whipping a rugged Middletown five. Mansfield whipped Shelby 55-42 in last year's sectional championship contest.

Harding will be out for revenge when it faces Galion in its opening tournament start. The Tigers, paced by big Tom Quay, dropped the Presidents 79-56 during the season. Harding had triumphed 61-57 in the season opener. Quay dumped in 37 points in the latest game and has gone on a scoring rampage in recent tilts to raise his season scoring average to 25.1. The 6-3 senior center has set single game and season scoring marks at Galion while pacing Galion to seven wins in its past eight starts. The Tigers dropped their last outing to Shelby 83-74 as Quay pumped in 38 tallies Friday. Prior to that, he had netted 29 against Upper Sandusky and 46 against Mansfield Madison.

Tubby Garverick with 203 points and Harry Garverick with 184 support Quay. Tubby collected 16 in the Shelby tilt last week.

The Prexies will likely go with Lowell Carlisle and Phil Sykes at forwards, Bob Messner at center, and Joe Snouffer and Phil Carroll at guards.

Carroll is top scorer on the Harding varsity with 20 points in 18 games. Snouffer has 193 in 20 while Messner has hit for 135. Carlisle 131 and Sykes 47 since moving into a varsity berth against Fostoria three weeks ago.

Gates at the Coliseum are scheduled to open tonight at 6 p.m. A total of 2,000 tickets were alloted to the four schools in tonight's session for advance sales and tickets for Harding's game Wednesday went on sale today to students at Harding and Marion's three junior high schools.

Ohio's College Cagers Ending Regular Action

By FRIT HOWELL

COLUMBUS, Ohio (AP)—Ohio's colleges wind up their basketball campaigns this week with an anti-climactic 22-game program.

The conference championships have been decided, and although a dozen league tilts are booked, the squads will just be jockeying for position.

Dayton's fancy Flyers, fresh from Saturday's 67-58 win over fourth-ranked Duquesne for their 11th straight, wind up their pre-NIT chores Thursday against Seton Hall. Cincinnati, the state's other NIT entrant, entertains Miami Wednesday in the Bearcats' final tuneup for the Madison Square Garden show.

Miami's Redskins made a deep bow of thanks to Western Reserve's lowly Red Cats today as the Oxford crew boasted the undisputed Mid-American Conference title and a spot in the NCAA tournament. Marshall, with a 10-3 record to Reserve's last-place 2-11, needed only a win over the Clevelanders Saturday night to go into a title deadlock with Miami and force a Friday playoff for the tourney berth.

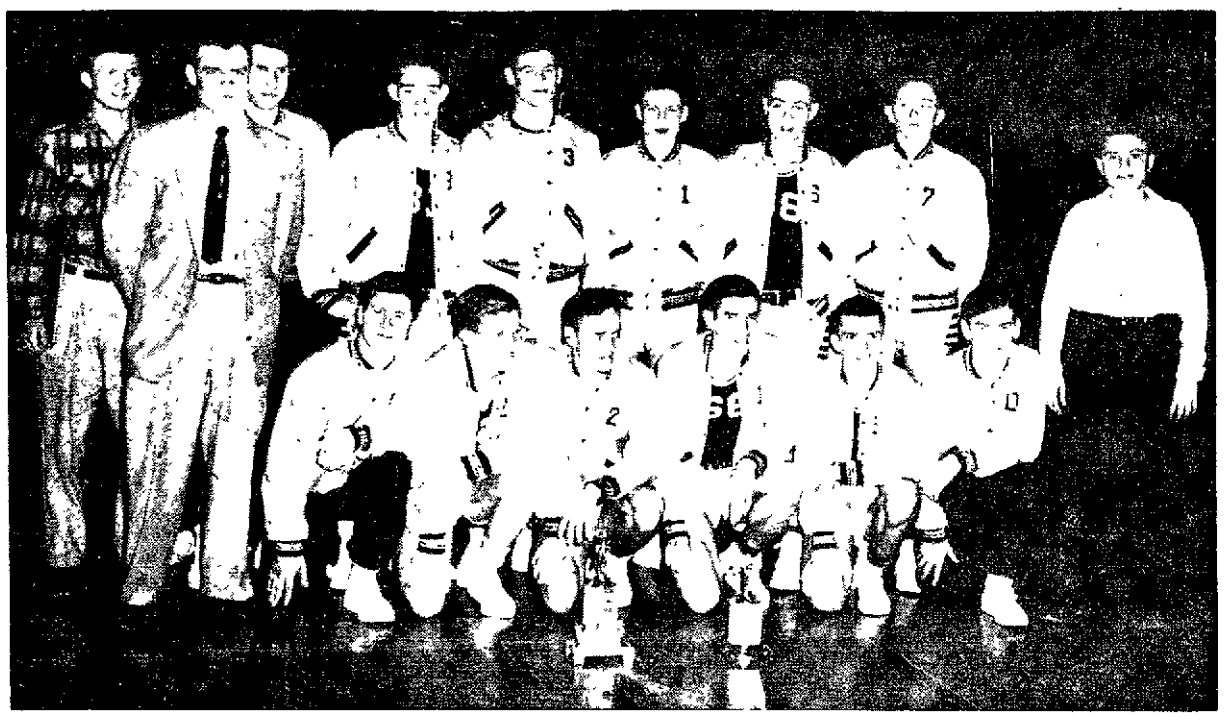
Reserve, which departs from the conference this year, bade farewell with a 70-58 conquest over the Thundering Herd. Just the week before, Reserve had dropped a 101-74 game to Toledo, just a notch above the 'Cats in the league standings.

Findlay rang up impressive wins over Cedarville and Defiance last week to smother the Mid-Ohio League with 12 straight wins, while Marietta clung to its Ohio Conference title by wrecking Hiram's Terriers, 116-72, for the Pioneers' 11th straight in the sprawling circuit.

Miami, although victorious in the Mid-American, has dropped five of its seven non-league games, the latest an 80-74 verdict to Xavier Saturday night while Reserve was beating Marshall.

Dairy products supply about 30 per cent of Americans' protein diet.

Prospect Takes Championship Contest



GUARD TROPHY. Prospect's newly-crowned Marion County tournament champs are shown grouped around their trophy following Saturday night's 57-56 win over LaRue in the championship battle. Members of the new champions include kneeling (left to right) Jay Rogers, Bruce Emery, Roger Landon, Bob Emery, Steve Lauer and Ronald Sparks. Standing (left to right) Dick Roberts, manager, Coach Fred McCumber, Bill Hedges, Dick Byrd, Bob Rodgers, Roger Remlinger, Richard Gix, George Moser and Don Lepard, manager.

Pilots To Greet Newcomers at Spring Camps

By JOE REICHLER

ST. PETERSBURG, Fla. (AP) — The opening of spring training tomorrow will mark the beginning of a new career for some 50 major leaguers involved in one of the wildest winter trading sprees in many years.

Under close scrutiny undoubtedly will be pitchers Bob Turley and Don Larsen and shortstop Billy Hunter, who came to the Yankees from Baltimore last November in a gigantic transaction involving a record 18 players. Equal attention will be focused on outfielder Gene Woodling, catcher Hal Smith, first baseman Gus Triandos, shortstop Willie Miranda and pitchers Harry Byrd and Jim McDonald, who were among those shipped by the Yankees to the Orioles.

How well Turley and Larsen perform on the mound for the Yankees may be a deciding factor in the club's efforts to regain the American League championship from Cleveland. Manager Paul Richards, in the process of rebuilding the seventh-place Orioles, is counting heavily on Woodling, Smith, Byrd and McDonald to give Baltimore a first-division finish.

Richards has added 18 players who were on other major league rosters in 1954. The list includes such veterans as Billy Cox, former Brooklyn third baseman; Johnny Pesky, Detroit infielder; Hoot Evers, Boston outfielder; and Saul Rogovin, White Sox pitcher.

The biggest National League trade of the off-season was engineered by St. Louis and Cincinnati. The Cardinals, in desperate need of relief pitching, gambled heavily in relinquishing Ray Jablonski, one of the league's better hitters, along with right-hander Gerry Staley for bullpen artist Frank Smith. The addition of the hard-hitting third baseman gives the Reds one of the strongest attacks in the circuit.

The White Sox believe the deal they made with Detroit last December has strengthened their offense considerably. Manager Marty Marion thinks first baseman Walter Dropo and outfielder Bob Nieman will supply the much-needed right-handed punch.

He also expects pitching help from Ted Gray, an ex-Tiger; Bob Chakales, an ex-Oriole; and Al Brazle, released by the Cardinals. Clint Courtney, acquired from Baltimore, will battle it out with Sherm Lollar for the first-string catching job. Outfielder Lloyd Merriman and infielder Bill Serena are National League pickups.

Ralph Kiner's progress in Cleveland's Tucson, Ariz., training camp will be followed with a great deal of interest. If the former National League slugger can regain his home run punch, the Indians' drive for their second straight pennant will be eased considerably. Also on the Indians' roster is Eddie Joost, the veteran shortstop who lost out as manager of the Athletics when the Philadelphia franchise was shifted to Kansas City.

Bowling

Marie Hamilton's 197-523 paced women keglers in the Mr. and Mrs. League at Marion Recreation Sunday. Men were led by John Kayatin's 227 and Max Roseberry's 581. Kayatin totaled 532 while Roseberry had a 223 game. Team honors went to Fire Balls, with 667-1862.

Erie Railroad League bowlers were shown the way by Earl Cottrill's 224-590. Other top scores were Paul Rice's 209-543, Earl Richards' 520, Frank Townsend's 504, Tom Lavin's 530 and Frank W. Eiseman's 518. Erie No 6 walked off with team honors by rolling 895-2513.

Mary Brown hit 177-467 to set the pace in the Ladies Commercial League. Mary Jo Swambaugh rolled 168, Mickey Carpenter 169-465, Elnor Rich 166 and Vi Avery 166-456. Splits included 5-10's by Marge Chapman and Donna Chapman, a 5-8-10 by Helen Angus and 5-7 by Charby Price. Team laurels were shared by Tanners' Decorating with 682 and Quaker Oats with 2006.

In Industrial League make-up action Sunday, Bob Daniels hit 217 and Stubby Ginder totaled 565 for top scores. Daniels had a 560 series and Ginder a 201 game. Ritz Bar & Grill fired 866 2543 to lead the teams.

FLYERS SEEDED SECOND

NEW YORK (AP)—Dayton, ranked 11th last week in the Associated Press poll, was seeded second yesterday, and Cincinnati, rated 17th, was seeded fourth fo rthe 18th National Invitation basketball tournament opening at Madison Square Garden March 12. Duquesne, topped Saturday by Dayton, 67-58, but ranked fourth in the nation, was top-seeded for the tournament.

AMBASSADOR ARRIVES

CAIRO, Egypt (AP)—Henry A. Broade, 41, former Army general and assistant secretary of state, arrived yesterday as U.S. ambassador to Egypt. He succeeds Jefferson Caffery, who retired.

Tebbetts Sees Redlegs as Top Flag Contender

TAMPA, Fla (AP)—Cincinnati Redleg Manager Birdie Tebbetts is convinced today his club is a definite pennant contender. "Anyone of six teams has a chance to win the pennant," he told reporters. "Cincinnati is one of the six."

Tebbetts and coaches Tom Ferrick and Dick Bartell are still busy planning for tomorrow's start of spring training. Forty-six players are expected and the tuneup sessions are slated to get underway at 9.30 a.m.—an early hour when you consider the number of nights they will be working during the regular season.

"We finished 23 games from first place last year and I concede nothing to the rest of the league," Tebbetts said. "To win we must have improvement and I believe we have the players with which to make this improvement."

The official Red roster lists 38 players, including 19 pitchers, 3 catchers, 8 infielders and 8 outfielders. Eight farmhands also will be on hand.

Strike at Goodrich's Akron Plants Settled

AKRON, Ohio (AP)—A strike which shut down the B. F. Goodrich Co plant here last Tuesday midnight ended today with return to work of 9,000 employes of the tire and tube manufacturer.

A supplemental working agreement negotiated by officials of the CIO United Rubber Workers and company representatives on Friday night was approved unanimously at a union meeting yesterday. Picket lines were withdrawn, and the company announced normal operations would resume with today's 6 a. m. shift.

DIES OF INJURIES

CINCINNATI (AP) — John William Hust, 32, unconscious since March 24, 1953, when he fell from a ladder, died yesterday at Our Lady of Mercy Hospital in suburban Mariemont. Hust, an electrician, toppled off a 30-foot ladder while on a job.

Sinks North Robinson

Sulphur Springs Captures Third Crawford Tourney

BUCYRUS — Sulphur Springs won its third straight Crawford County Class B tournament title and its fourth in the last five years here Saturday night by whipping North Robinson, 66-45.

Lykens romped over Holmes-Liberty 78-46, to capture the consolation bracket championship.

Advancing to the district tournament at Mansfield this week will be Sulphur Springs, North Robinson and Lykens.

Sulphur Springs became the second team in the tourney's 32-year history to win the title three years in a row. The feat was first accomplished in 1934 by Chatfield.

The smooth-working Sulphur quintet was too much for Robinson, which held the lead only briefly in the game's opening minutes. Sulphur was out front, 12-6, going into the second period. In the second half, the Yellow Jackets' lead was cut to eight points on three occasions.

The Robins scored only three field goals in each of the first, second and fourth quarters.

Leading the Sulphur attack was Jim Stuckman with 22 points followed by Larry Hoffsis with 13. Dick Gray hit four goals in the game's closing minutes and had a 12-point total.

For North Robinson, which lost last year, 79-62 in the championship finals to Sulphur, John Blackford collected 24 points, 16 of them in the third period. Brad Chandler was runner-up with 11.

From the free throw line, Sulphur hit 10 of 21 tries and Robinson had 13 of 25.

Even more lop-sided was the Lykens-Holmes-Liberty tiff. With four Lykens starters breaking into double-column scoring, Lykens coasted to its consolation bracket title. In the second half, They outscored Holmes-Liberty, 38-19.

Top scorer for Lykens was Marlow Ransom with 23, followed by Daryl Stuckey with 22, including seven goals in the fourth quarter. Al Reinhard, who had 33 points in Holmes-Liberty's 85-57 win over Chatfield, Thursday night, again topped the Holmes-Liberty scoring with 15. Lykens dropped in 18 of 26 free throws and Holmes-Liberty made eight of 19.

SULPHUR SPRINGS 66

Gray 6-0-12; B. Rossman 4-2-10; T. Miller 3-1-7; Hoffsis 5-3-13; Stuckman 10-2-22; L. Miller 0-2-2.

NORTH ROBINSON 45

Johnson 1-0-2; Kisor 2-0-4; Blackford 9-6-24; B. Chandler 4-3-11; McMichael 0-4-4; N. Chandler 0-0-0.

NEWSPAPERARCHIVE®

Toledo's Swim Squad Whips Local Mermen

The Toledo YMCA's strong swimming team cut down a vastly improved Marion tank team here Saturday afternoon, copping twenty of a possible 25 firsts in clipping Marion in all three divisions; scores were intermediates—Toledo 41, Marion 33; juniors—Toledo 40, Marion 26; preps—Toledo 43, Marion 23.

Twelve new pool records were set in the process, one by Marion, with the locals' lack of freestyle strength forcing them to drop the meets by the one-sided scores.

The losses dropped Marion's dual meet record for all three teams to 10 wins and 14 setbacks, only the intermediates are ahead with a seven and three record.

The Marion junior medley relay team of Ed Cooper, Greg Axe and Mickey Bowlin lowered the pool and team record for the junior team's only first. The score ironically was the same as in their first meet with Toledo. New records were set by Toledo's All-American AAU swimmer Chet Jastremski in his specialties, the breaststroke and individual medley; by Rex Shaw in the backstroke as he edged Marion's Cooper by a foot; and by the freestyle relay of B. Meinardi, Stevenson, Mull and Jastremski. The previous relay record was set just the night before by Sandusky, both efforts defeating the Marion juniors.

Marion's preps, minus its two top-ranking backstrokers, lost the meet in the relays when a one-two sweep in the diving put Marion within one point of Toledo, Bob Finney and Dale Kibbey finishing in that order. Bruce Kohler won the 50-yard freestyle for Marion while Toledo's Krupp set new prep marks in the breaststroke and individual medley.

Marion's intermediates, beaten 55 to 17 by Toledo earlier, made a tremendous comeback to force Toledo to win the last race for the victory. Patterson of Marion gave the home fans a thrill by racing Toledo's Cochrell neck and neck in the 50-yard freestyle sprint only to be touched out by inches as Cochrell set a new pool mark.

Fred Jones again gave the locals hope as he raced Middling on even terms the first seven laps of the 200-yard freestyle but again a Toledo man set a new pool mark. Jim Forsythe and the Marion medley team of Don Blashinsky, Ernie Garee and Boyd Wiley won its events easily to keep the local hopes up. Marion's Renn lost the diving through a lapse of memory when he failed to perform his announced dive after leading by over 10 points. Toledo's All-American Jerry Lemke swam the fastest 100-yard swim in Ohio by a high school boy since the 1954 state high school championships when he covered the course in 62.8 seconds which was good enough for first place in the high school All-American swim team last year when Bob Perry of Shaker Heights was ranked first. Huffman of the winners set still another mark in the individual medley with Fred Jones again a close second.

Needing the freestyle relay to win and with three record breakers in the line-up, it took a brilliant 23-second anchor leg by Lemke for Toledo to win as the Marion team of Forsythe, Jim Jones, Patterson and Stan Franks battled the Toledans even for the first three legs.

Marion's Intermediates will meet Fremont Ross' Reserve team in a dual next Saturday unless a change in the time of the high school district meet forces a cancellation by Fremont.

Intermediate Toledo 41, Marion 33

50-yard freestyle: 1, Cochrell (T); 2, Patterson (M) 3, J. Jones (M). Time, :26.5 seconds (new pool record).

100-yard breastroke: 1, Johnson (T); 2, Garee (M); 3, Barnes (M). Time, 1:15.1.

200-yard freestyle: 1, Middling (T); 2, F. Jones (M); 3, Wiley (M). Time: 2:19.3 (new pool record).

100-yard backstroke: 1, Forsythe (M); Huffman (T); 3, Blashinsky (M). (Time, 1:12.2.

100-yard freestyle: 1, Lemke (T); 2, Franks (M); 3, Emerson (M). Time, :52.8 (new pool record).

Diving: 1, Hutson (T); 2, Renn (M).

150-yard individual medley: 1, Huffman (T); 2, F. Jones (M); 3, Johnson (T). Time, 1:54.5 (new pool record).

150-yard medley relay: 1, Marion (Blashinsky, Garee, Wiley). Time, 1:44.2.

200-yard freestyle relay: 1, Toledo (Cochrell, Hutson, Middling, Lemke); 2, Marion. Time, 1:46.3 (new pool record).

Juniors Toledo 40, Marion 26

50-yard freestyle: 1, Mull (T); 2, Bowlin (M); 3, Silverthorn (M). Time, :30.0 seconds.

50-yard breaststroke: 1, Jastremski (T); 2, Axe (M); 3, Vischer (T). Time, :31.3 seconds (new pool record).

50-yard backstroke: 1, R. Shaw (T); 2, Cooper (M); 3, Snyder (M). Time, :34.8 seconds (new pool record).

100-yard freestyle: 1, Mull (T); 2, Silverthorn (M); 3, Rhoads (M). Time, 1:05.4.

Diving: 1, Stevenson (T); 2, Rhoads (M); 3, Vischer (T).

75-yard individual medley: 1, Jastremski; 2, Axe (M); 3, R. Shaw (T). Time, :45.6 seconds (new pool record).

150-yard medley relay: 1, Marion (Cooper, Axe, Bowlin); 2, Toledo. Time 1:47.3 (new pool and team record).

200-yard freestyle relay: 1, Toledo; 2, Marion. Time, 2:01.4 (new pool record).

Preps Toledo 43, Marion 23

25-yard freestyle: 1, K. Shaw (T); 2, (tie, Clark and Williamson (M). Time, :15.2 seconds.

25-yard breaststroke: 1, Krupp (T); 2, Kibby (M); 3, Nyler (T). Time, :18.0 (new pool record).

25-yard backstroke: 1, Schwertferger (T); 2, Wolcott (T); 3, Cochran (M). Time, :22.3 seconds.

50-yard freestyle: 1, Kohler (M); 2, K. Shaw (T); A, Williamson (M). Time, :35.0 seconds.

Diving: 1, Finney (M); 2, Kibbey (M); 3, Meinardi (T).

75-yard individual medley: 1, Krupp (T); 2, Nyler (T); 3, Cochran (M). Time, 1:04.0 (new pool record).

75-yard medley relay: 1, Toledo; 2, Marion. Time: 1:01.2

100-yard freestyle relay: 1, Toledo; 2, Marion.

2 Spots Doubtful

Braves Pretty Well Set For Season, Grimm Says

By CHARLIE GRIMM
Milwaukee Manager

ROBERTSVILLE, Mo. (AP)—The Braves are pretty well set in all positions. There are only two that might be called in doubt. These two positions are in right field and at second base. Both those positions should be settled in spring training.

We think our Milwaukee club has some good talent in our young pitchers and hitters like Chuck Tanner and George Crowe. Tanner had a fine year with Atlanta and should give us the long ball. Crowe is another who should help us. We believe we've strenghened a lot but so have the other clubs.

Cincy Tough—If

Cincinnati will be in the thick of things if it gets some pitching. You've got to consider the Giants, Dodgers and Cards in the running, and the Phils, who didn't hit too well last year, will be a fine club with the addition of several young players who are coming up.

Our club is set at first, third, shortstop, left and center field and behind the bat. There will be contention on the pitching staff, at second base and in right field. Andy Pafko, 13-year-veteran in the National League, must meet the challenge in right field of sophomore Henry Aaron, Andy's junior by 13 years. Danny O'Connell, regular second baseman in 1954, will have to win the post all over again from Jack Dittmer.

Six Outfielders?

There could be room for a sixth outfielder should we decide to go along with only two catchers after the player limit goes into effect during the middle of May. Bobby Thompson, of course, will be in left and bat in the clean-up position. Billy Bruton looks like the center fielder. Jim Pendleton is the fifth outfielder. Tanner appears to have an excellent chance to stick.

Pitching? We'll lead with Warren Spahn, Lew Burdette and Gene Conley. Chet Nichols, Bob Buhl and Ray Crone have a good chance to win starting berths. Wilson also will start but will get more rest in between assignments. Ernie Johnson, Dave Jolly and Dave Koslo will form the first line of relievers. I'm also anxious to get a look at the younger hurlers, several of whom had outstanding minor league records last year.

Epworth, Calvary Nail Victories In YMCA Church League Action

Two games were staged in the YMCA Church Basketball League Saturday night as Epworth Methodist captured its eighth straight win and Calvary defeated the Church of the Brethren in the finale. Rural Salem and Trinity were postponed to a later date.

Epworth keep its title hope high with an 88-55 victory over the First EUB in the opener. Four of Epworth's starting five hit the double figures in the scoring column as Richie Wolfe and Jo Lawrence were high by pouring in 25 and 23 points respectively. Roy Loudenslager and Merle Daum added 14 points each.

Roberts was high for EUB with 25. Epworth needs one more victory to clinch a tie for the second round and two wins in the final two weeks of play would crown a new Church League champion for the first time in the league's five-year history. Wesley Methodist, not represented this year, represented Marion for four years in succession in the Ohio West Virginia Church League championships.

Calvary, first round runners-up, stayed in the running by dumping the Church of the Brethren 65-48 Bob Reiff flipped in 25 points from his pivot position to lead the winners while Bud England followed Reiff with 14. Don Ballenger playing his last game before going into Church service for two years kept his league leading point average at 25 points by flipping in a total of 23 points for the evening.

The YMCA Church League is scheduled to complete season action March 12, leaving two weeks of competition remaining. Winner of the local league will represent the Marion Association in the district playoff's in Toledo March 19.

County Squads Draw Foes for District Action

Two area cage squads are scheduled for action tonight in district Class B tournament play which opens at Otterbein and Capital.

Magentic Springs (16-5), Union County's representative in district competition, takes on Johnstown (18-2) in the 7 p.m. opener at Otterbein while Johnsville (12-12) of Morrow County meets Columbus St. Mary (21-1) in the nightcap. A lone contest at Capital carded for 8 p.m. finds Mifflin (11-10) meeting Pleasantville (18-3).

In drawings held Sunday afternoon at Capital, Mount Gilead (17-3; was one of four quintets seeded. Also seeded were Columbus St. Mary, which eliminated St. Mary in exempted-parochial play last week, Fredericktown (21-3) and Newark St. Francis (20-2).

Claridon (17-3) will be Marion County's first representative to see action in district tourney play when it takes on Liberty Union (18-3) at 8:30 p.m. Wednesday at Otterbein.

Prospect's county tournament champs (20-2), also in Otterbein competition, oppose Atlanta (16-7) at 7 p.m. Thursday while LaRue's tournament runners - up (17-3) will meet Scioto (18-5) in their first district start at Capital Friday at 8:30 p.m.

Mount Gilead's defending district champs start an attempt to duplicate last season's feat by meeting Ashville (17-8) Thursday at 8:30 p.m. on the Otterbein court. Delaware County's Olentangy (14-9) is scheduled to take on Plain City (16-6) Wednesday at 7 p.m. at Otterbein.

Two remaining area quintets see action at Capital. Northwestern (12-11) of Union County meets Big Walnut (15-8), Delaware County's other representative, at 7 p.m. Wednesday. Thursday at 7 p.m., Chesterville (18-4), Morrow County tournament champ, goes against Dublin (17-3).

Fredericktown, a St. Mary victim during the year, drew an opening round bye and will meet the Mifflin - Pleasantville winner Friday at 7 p.m. at Capital.

LaRue and Amanda (11-11) have opportunities to make giant advances with opening round wins. A win by Coach Ted Dennison Indians over Scioto will earn them a spot in the Capital district semi-finals.

One of Marion County's two hopes at Otterbein is bound to fall early in the tournament. Wins this week by both will place them face to face in the quarter-finals Saturday at 8:30 p.m.

DIES IN COLUMBUS

COLUMBUS, Ohio (AP)—Henry D. Bruning, 79, retired president of the old Hocking Valley Brick Co. from 1930 to 1948, died yesterday at his home. Born in Germany, he graduated from Ohio State University where he taught civil engineering.

USED TRUCK Headquarters FOR Marion County A-1

1955 FORD F-100 ½ TON PICK-UP. Here's one that is just like brand new, has only 2500 miles and carries a new truck guarantee. Equipped with fresh air heater and 6 ply tires. Save several hundred dollars on this one.

1954 FORD F-100 ½ TON PICK-UP. We have used this truck in our own parts department. Equipped with Fordomatic, fresh air heater, tinted glass, deluxe cab and many other accessories. Buy this with a low down payment and take 24 months to pay.

1951 FORD F-100 ½ TON PANEL. This clean 8 cylinder one owner truck came in on a new Ford and is ready to go out and go to work. Has a brand new set of Firestone Tubeless tires. Hurry on this one.

1950 FORD F-600 2 TON CAB AND CHASSIS. We have just traded for this one. An extra long wheel base truck that will take a 14' to 16' body. Has 2 speed axle and extra good 8.25x20 10 ply tires. This truck is exceptionally clean and will not last long at our low price.

1949 STUDEBAKER 2 TON DUMP TRUCK. Act now on this money maker. Equipped with good 3 yard dump body and hydraulic hoist. Chassis has 2 speed axle and 8.25 tires. We can put you in business with a modest down payment.

1948 DODGE 2 TON STAKE TRUCK. A nice looking truck that was used by the Highway Department to haul detour signs and has not had hard use. Ready to go to work with a good 12' body complete with stake racks.

1948 FORD F-600 2 TON STAKE TRUCK. You will say you were fortunate to have found a good clean truck like this one. Equipped with 2 speed axle, good 8.25 tires and a well cared for 12' Stake Body. Act now on this one.

1948 CHEVROLET ½ TON WITH UTILITY BODY. Just the thing for a plumber or electrician who wants to haul small tools and supplies and would like to keep them locked up. This truck needs some work, however we have priced it accordingly.

1947 DODGE ½ TON WITH UTILITY BODY. This little truck has one of those handy utility bodys, complete with locks, metal drawers and other convenient features. The price we are asking for this truck is less than the value of the body alone.

1947 FORD F-100 ½ TON PICK-UP. Here's one of those hard to find low priced pickups. A very clean truck for its age, and in good mechanical condition. You'll like the price too.

Crestline Native Dies in Fremont Auto Accident

Patrol Drags Stream in Search for 2nd Victim Car Plunges Off Road;

Robert E. Eckstein, 44, a Fremont jewelry store owner and a native of Crestline, was killed instantly Saturday at 10 45 p m. when his car plunged off a bridge four and one-half miles southeast of Fremont, a few minutes after another auto crashed off the bridge.

State highway patrolmen from the Fremont post who investigated the accident said Eckstein's body was recovered from the wreckage. The body of the other driver had not been found and the creek beneath the bridge was being dragged yet today.

Patrolmen said the other auto, owned by Jack Grote of Green Springs, O., was westbound when it struck the side of the bridge, causing one end to collapse into the creek. Eckstein's car, which was traveling east, followed a few minutes later and landed upright on top of the overturned car.

Water in the creek is approximately six to eight feet deep, officials said, and has been rising since the accident. The swift current of the creek also is hindering officials attempting to locate the body of the Green Springs man The creek is located on a county road.

Eckstein, owner of Eckstein's Jewelry Store in Fremont, was a resident of Mansfield. He lived in an apartment in Fremont and drove to his Mansfield home about twice a week. He had been in Fremont for the past seven years

Born in Crestline, June 14, 1910, his parents were Henry and Blanche Topping Eckstein.

Surviving are: his mother, who resides in Crestline; and one sister, Mrs. Martha Durtschi of Wadsworth. His father died one year ago.

Eckstein was a graduate of Crestline High School, Heidelberg College in Tiffin and Bradley University in Peoria, Ill He was a member of the Crestline Calvary Evangelical and Reformed Church.

He served in the U. S. Navy in World War II from April 6, 1942, to 1945, when he was discharged Active in fraternal affairs, he was a member of the American Legion 121 and the Veterans of Foreign Wars Post in Fremont, Arcana Lodge No. 272 and the Royal Arch Masons of Crestline, the Masonic Council, the Grotto of Mansfield and the Knights Templar of Fremont.

A member of the 40 et 8 of Sandusky County and the Elks Lodge in Galion, he was a past commander of the fifth district of the American Legion.

The body was taken to the Garverick Funeral Home in Crestline where funeral services will be held at 2.30 p m. Wednesday. Rev. W. L. Margard of Calvary Evangelical and Reformed Church will officiate Burial will be in Greenlawn Cemetery. Crestline Friends may call at the funeral home tonight and until time for the service.

Mrs. Charles Nash Dies; Rites Held in Mansfield

Committment services for Mrs. Jane Nash of Evanston, Ill., a former resident of Marion, were conducted at the cemetery at Mansfield Saturday. Her death occurred Monday, Feb. 21, at Evanston, where she had made her home for the past several years. She was the widow of Charles Nash.

The family lived in Marion 32 years before moving to Mansfield a number of years ago. She was a member of the First Presbyterian Church and the women's organizations here, and was a charter member of the Delphian Club.

Surviving children are Mrs. Harris Pickett of Miami, Fla., Mrs. Stanley Smith of Evanston, Charles Nash of New York City, Mrs. Robert Ruhl of Evanston and Mrs. Charles Stillwell of Pittsburgh. One sister, Mrs. Harry Zellner of Mansfield also survives.

2 LIQUOR AGENTS RESIGN

COLUMBUS, Ohio (AP)—The state liquor department today announced resignations of two of its enforcement staff in the Cincinnati district. Joseph J. Bednar of Cleveland, a supervisor, resigned to enter private business. Investigator Ralph Cosgrave of Zanesville said he resigned so that he could be with his family.

2 CIO Unions Study Merger

Oil and Gas Groups Open Cleveland Talk

CLEVELAND (AP)—A joint convention aimed at merging two large CIO unions—the Oil Workers and the United Gas, Coke and Chemical Workers—opens today.

The two groups were reportedly in dispute over a number of clauses in a proposed constitution, though both unions endorsed the merger action in principle at separate conventions that ended yesterday.

The Oil Workers claim a membership of 120,000 and the Chemical Workers, 100,000. Representing the two groups at the joint convention are about 1,000 delegates.

At their final separate session, the Oil Workers adopted 30 amendments to the proposed constitution and asked that their present top officers be supported for similar posts in the new union. The officers are O. A. Knight, president; B. J. Schafer, vice-president, and T. M. McCormick, secretary-treasurer.

Provided in the proposed constitution are those three offices and three additional vice presidencies, enough to allow for officials of both unions.

Proposed as a name for the new group is the Oil, Chemical and Atomic Workers International Union.

CIO President Walter P. Reuther was to have opened the convention, but word was received from Detroit that he was confined with a minor illness. Richard Leonard, a Reuther lieutenant, is premanent convention chairman.

Essay Contest Prizes On Display at Gas Co.

Awards in the essay contest sponsored locally by the Marion Sales Ad Club on the subject, "How Advertising Effects Our Lives," are on display in the window of the Ohio Fuel Gas Co. at 198 W. Center St., the contest committee announced today.

This contest for high school students is national in scope and the winning essay from Marion County will be submitted to judges of the national contest sponsored by the Advertising Federation of America.

Prizes will be given at the Sales Ad Club luncheon meeting April 6 at Hotel Harding. The winning students are to be in attendance with their teachers at that time. National contest winner will be awarded $500 and an all-expense trip to the AFA convention in Chicago June 5-8.

SNAKES ALIVE!

EVANSVILLE, Ind. (AP) — "When I was a girl," says 80-year-old grandma Louise Herron, "we used to kill snakes and raise chickens." That is her reaction to grandson Mike Herron's raising of chickens to feed his two 5-foot pet boa constrictors which he keeps in his basement.

The boas are thriving, says Mike, 13.

SHERIFF WEEPS. Sheriff David T. Robertson (far left) weeps as Dr. C. G. O'Brien gives medical aid to Frank Mayberry who is charged with the slayings of Dr. David A. Christian III, and Jack Tucker near Appomattox, Va. Dr. Christian was Sheriff Robertson's next door neighbor. Appomattox Town Officer M. A. Stanley assists Dr. O'Brien.

Mansfielders Held For Crawford Jury

BUCYRUS — Two Mansfield residents have been held to the Crawford County grand jury following their arraignments before Justice of Peace W. M. King in Galion, Sheriff Elwood Jacobs announced here today.

Ellis Lee Hammond, 30, pleaded innocent to a charge of theft. He was unable to furnish bond of $500 and is being held in the county jail here.

Paul Grogg, 35, entered a plea of guilty to a charge of fraud in connection with the cashing of a bad check. He was placed in the county jail after being unable to furnish $500 bond.

An affidavit against Hammond, a former Galion resident, was signed by Mrs. Anna Mattox, Galion, who charged that Hammond, a former Mattox employe and tenant, stole a 54-inch double-drain sink, valued at $100, from the Mattox home Jan. 24.

Charles C. Gordon, manager of the Hi Hat Club near Galion filed the charge against Grogg. He claims that last August Grogg asked him to cash a $40 check made payable to Grogg, who claimed the check was issued by Walter Sargel of near Galion, a former employer of Grogg. Gordon said it later appeared that the signature was not Sargel's and that Sargel had not written the check.

'Curly' Morrison To Be Kiwanis Club Speaker

Guest speaker for the Marion Kiwanis Club meeting Thursday noon at Hotel Harding will be a well-known football player, Fred (Curly) Morrison, a former Ohio State University star.

He now is fullback for the Cleveland Browns. In addition, he also is associated with Television Station WTVN in Columbus.

Program chairman for the day is William Cowles.

Woman Sentenced In Morrow Court On Perjury Charge

MOUNT GILEAD — Mrs. Delia Johnson of near Marion was sentenced Saturday by Morrow County Common Pleas Judge Leland Rutherford to one to 10 years in Marysville Reformatory on a charge of perjury.

Mrs. Johnson, wife of Lunas Johnson, had pleaded guilty to the charge in a preliminary hearing before Judge Rutherford. The charge arose from a trial in which Everett Richendollar of near Cardington was charged with perjury. He is now serving a 1-20 year term in the Ohio State Penitentiary.

Richendollar was charged with false testimony in the trial of Mrs. Johnson's husband, Lunas, accused of shooting Richendollar with intent to kill.

Judge Rutherford, during hearings Saturday, also revoked the probation of David Doolin of Cincinnati and sentenced him to 1-20 years in the Mansfield Reformatory on an auto theft charge. Doolin had been on probation on an auto theft charge when he was arrested in Cincinnati for stealing an auto.

Mrs. Natvig's Case Presented To Grand Jury

WASHINGTON (AP)—The turnabout testimony of Mrs. Marie Natvig in the Edward Lamb case will be given to a federal grand jury today.

Justice Department spokesmen declined to say whether the 51-year-old, thrice-divorced Miami Beach grandmother will be asked to appear before the closed jury session or whether only a transcript of her testimony will be presented.

The department interested itself in the case after Mrs. Natvig testified at a Federal Communications Commission (FCC) inquiry into Lamb's background that, as a government witness, she had been coerced into lying against the Toledo, Ohio, lawyer, publisher and broadcaster.

She accused FCC lawyers of having forced her into lying, among other things, that Lamb was introduced to her as "comrade" at a Red meeting in Columbus, Ohio, in the 1930s and talked of world revolution.

Examiner Herbert Sharfman, who has heard more than a million words of testimony from 19 FCC witnesses in the hearing, has described Mrs. Natvig's testimony as "incredible" and has said he will ignore all of it.

FCC attorneys have denounced Mrs Natvig's accusations of coercion as false.

Anyone who pays 5,000 pounds a year in rail charges to the British railways is entitled to a personal pass, good on any train.

BIGGEST JOB

WASHINGTON (INS) — Coal mining is America's biggest job. Annual production tonnage of coal outweighs yearly production of food, of steel, of cotton and of cement — sometimes by several times.

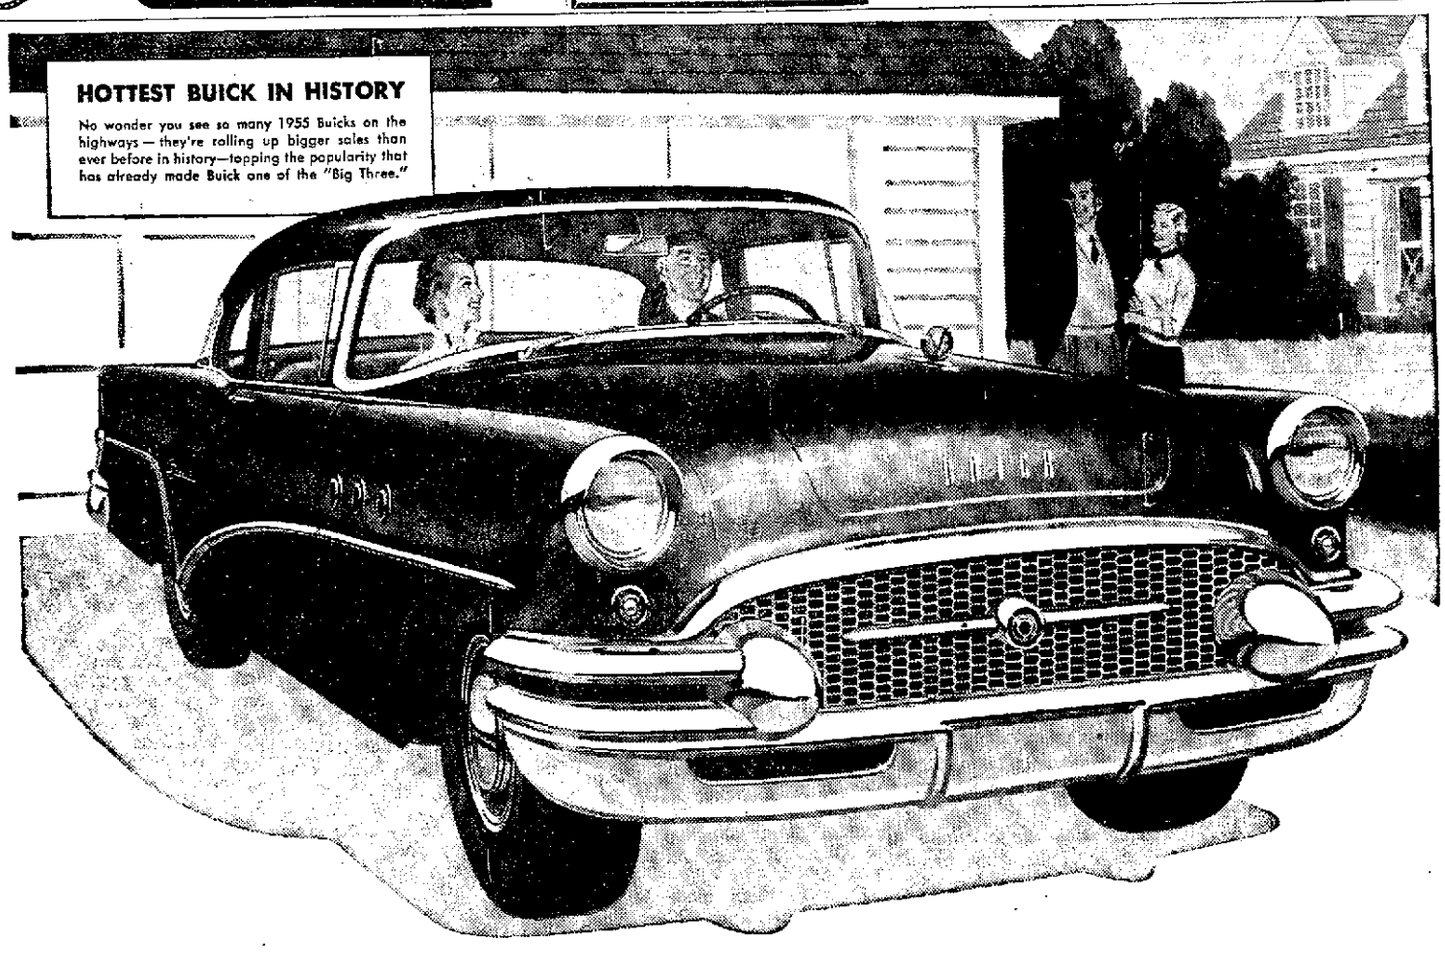
HOTTEST BUICK IN HISTORY
No wonder you see so many 1955 Buicks on the highways — they're rolling up bigger sales than ever before in history—topping the popularity that has already made Buick one of the "Big Three."



$2273.35 puts it in your driveway!

Local delivered price of the 2-door, 6-passenger Buick SPECIAL Sedan, Model 48, illustrated. Optional equipment, accessories, state and local taxes, if any, additional. Prices may vary slightly in adjoining communities. Even the factory-installed extras you may want are bargains, such as: Heater & Defroster . . . $81.70; Radio & Antenna . . . $92.50.

CHANCES are, you'll be way over if you *guess* at the local delivered price of a 1955 Buick. Most people are.

And that's easy to understand when you look at a Buick. It's big, broad, roomy—powered for thrilling action. In prestige alone, it would seem to carry a high price tag.

But when you check into things, you discover this surprising fact: Buick is in the nation's top three when it comes to sales volume—and when it comes to low prices that make such huge popularity possible.

The price we show here is one proof of that. And an even bigger one is the soaring success of the 1955 Buick—hottest car in all Buick sales history.

So why miss out on Buick style and power and room and ride when you can have it all if you can afford *any* new car?

Why do yourself out of the fun and pride and deep satisfaction of bossing a big and brawny beauty like the one pictured here, when the dollars you pay for this Buick buy you so much more sheer automobile?

And why pay extra for things like direction signals, oil-bath air cleaner, full-flow oil filter, automatic lighting in the glove compartment—when such things, and more, are yours in every new Buick as standard equipment at no extra cost?

Drop in for a visit this week and start checking things.

We believe that when you look into this great car—when you see what you get for the low price you pay—and when you discover what happens when you nudge that gas pedal—you'll say it's gospel that Buick's the thrill and the buy of the year, hands down.

Thrill of the year is Buick

"DRAGNET"
THIS CASE IS TAKEN FROM THE AUTHENTIC FILES OF
The Danner Buick Co
The Story You Are About To Read Is True Only the Customer's Name Has Been Withheld at His Request

DUM-DE DUM-DUM
THIS IS THE CITY—DANNER'S MY NAME—MY BUSINESS IS AUTOMOBILES—WE SELL 'EM

Here Are The Facts
It was Wednesday February 23 3 30 P M A short stocky built man limped into our lot in a 41 Dog—you know—banged up fenders no brakes sputtering motor really on its last legs He said he couldn't take it any longer He had a wife and 4 kids Car wasn't safe for his family—he had to have one of our Later model—Guaranteed Cars He looked around he was a tire kicker hood banger He said he couldn't understand it—read it in the papers heard it on the radio boys at the shop talked about it—about what I said — He couldn understand it—no down payment on Guaranteed Winterized Cars Nevertheless he soon settled on Used Car Number 304 A—1948 BUICK Four Door with Dynaflow priced at $445 00

4 05 P M—Went for test ride—East on Center to Viennant South to Mt Vernon Ave and back to Used Car Lot—He signed the order

4 30 P M—Changed license tags and he drove off the lot happy with a safe car for his family

4 40 P M—Called Junk Yard and got bid on his old Unsafe Car

4 50 P M—Called wrecker from our Main Garage to haul his old car to Junk Pile

P S Note—April 15th 1955 First Payment Due on His Family Safe Car

Here Are The Facts

REX MORGAN, M.D. By Dal Curtis

DISTURBED BY THE CORONER'S REFUSAL TO INVESTIGATE THE DEATH OF A WOMAN TREATED BY A SELF-APPOINTED 'CANCER SPECIALIST' KNOWN AS PROFESSOR BORRIGARD, DR. REX MORGAN VISITS THE PROFESSOR'S OFFICE!

YOU DON'T KNOW WHEN THE PROFESSOR WILL RETURN?
THAT'S RIGHT, DR. MORGAN! AREN'T YOU SATISFIED WITH THE CORONER'S DEATH CERTIFICATE ON MRS. CRANDALL?
FRANKLY, NO, MISS---MISS--
JUST CALL ME CLEO, DOCTOR!
ANY MESSAGE YOU WANT ME TO GIVE PROFESSOR BORRIGARD?
YES! TELL HIM I'LL BE BACK!
BRADLEY EDWARDS 2-28

STEVE CANYON By Milton Caniff

OH, DADDY, I'M SO SORRY YOU COULDN'T BE WITH US FOR LUNCHEON — MISS DOE REDWOOD AND STEVE CANYON WERE HERE!
MISS REDWOOD IS IN FORMOSA TO HELP SPEED UP THE NATION-ALIST JET AIRPLANES! ISN'T THAT AMAZING?
IT'S AMAZING AND DANGEROUS, HOLLY! DID CANYON TELL YOU HE WAS ATTACKED BY WHAT WE ASSUME WERE RED AGENTS?
LAW ME, NO!
I HATE TO TELL YOU THIS, HOLLY, BUT WE HAVE ORDERS FOR U.S. CITIZENS NOT TO FRATERNIZE WITH PEOPLE IN THESE 'SENSITIVE' JOBS!
SO YOU MUST NOT SEE CANYON AND MISS REDWOOD AGAIN WHILE THEY'RE HERE!
MILTON CANIFF

SCOTT'S SCRAP BOOK By R. J. Scott

SCRAPS
HARDY, INURED TO FATIGUE OR HARDSHIPS, ROBUST.
HARDY, A BLACKSMITH'S FULLER OR CHISEL HAVING A SQUARE SHANK FOR INSERTION INTO THE ANVIL.
OUR SUN
I'M JUST A RUNT
HOW LARGE IS THE BIGGEST STAR IN THE UNIVERSE?
200,000 TIMES THE SIZE OF THE SUN.
CAPE VERDEANS BUILD THE CHEAPEST HOUSES IN THE WORLD. THE WALLS ARE ERECTED WITH VOLCANIC STONES FROM THEIR FRONT YARDS AND THE ROOFS ARE MADE OF THATCH FROM A NEARBY VALLEY.
A HEAVY AIRPLANE TRAVELING EAST ALONG THE EQUATOR AT A SPEED OF 250 TO 500 MILES PER HOUR IS ALMOST 200 POUNDS LIGHTER THAN WHEN TRAVELING WEST.
2-28

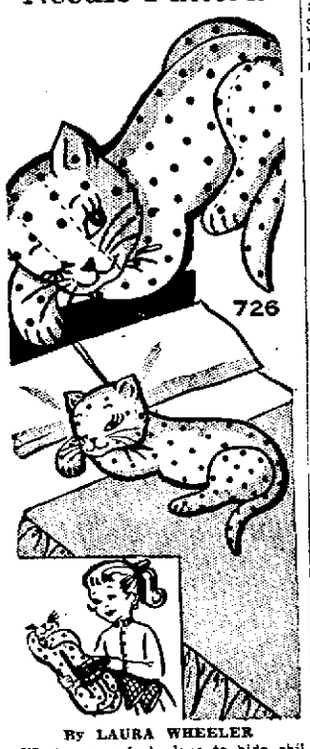
PEACE TOYS

HARROGATE, Yorkshire (INS) — Peace has moved into toyland — guns, tanks and other weapons are silent and the toy soldier is headed for demobilization. Toys at the International Toy Fair at Harrogate — the world's biggest shopwindow for playthings — revealed a distinct movement away from warlike articles and a trend towards miniature replicas of industrial, commercial and domestic equipment.

TOURIST GOAL

LONDON (INS) — Top British tourist officials are forecasting that Britain will soon be attracting a million overseas visitors a year. Sir Arthur Morse, chairman of the British Travel and Holidays Association, recently pointed out that Britain welcomed nearly 900,000 tourists in 1954 and "we are coming within sight of what was considered a few years ago to be an impossibly optimistic goal — a million overseas visitors a year."

Needle Pattern



By LAURA WHEELER

What a purr-fect place to hide children's 'jamas—inside this little kitten's plump tummy! A cute decoration for the bed by day—easy, such fun to make!

Pattern 726 for Kitten Pajama Bag. Contains pattern pieces, transfers and decorations.

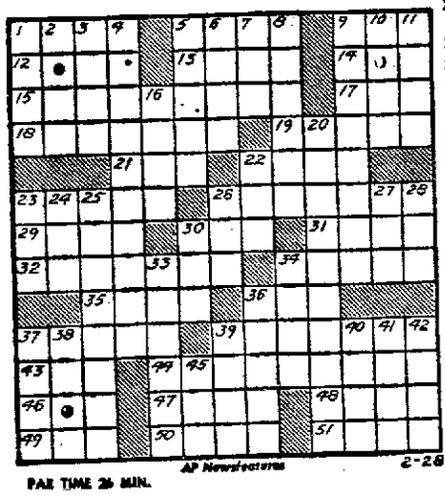
Solution of Saturday's Puzzle



PAR TIME 26 MIN.

THE HEART OF JULIET JONES By Stan Drake

HOWARD! THIS IS NO TIME FOR JOKES! I'LL JUST NOT STAND HERE WHILE YOU PRETEND TO BE...A PENNILESS SEMI-INVALID! IT'S IN VERY POOR TASTE!
I'M GENUINELY SORRY, MAVIS—
BUT I AM A PENNILESS SEMI-INVALID! OH, IT WON'T BE FOR LONG, MAVIS. I'LL BE BACK ON THE JOB MIGHTY QUICK—SOON'S DOC DAVIS GIVES ME PERMISSION!
WITH ME WORKING AGAIN, AND MAYBE LEO AND THE GIRLS CHIPPING IN, WE OUGHT TO HAVE A HAPPY HOME. MAYBE NOT ROLLING IN WEALTH—
HOWARD! WILL YOU EXCUSE ME, PLEASE?!

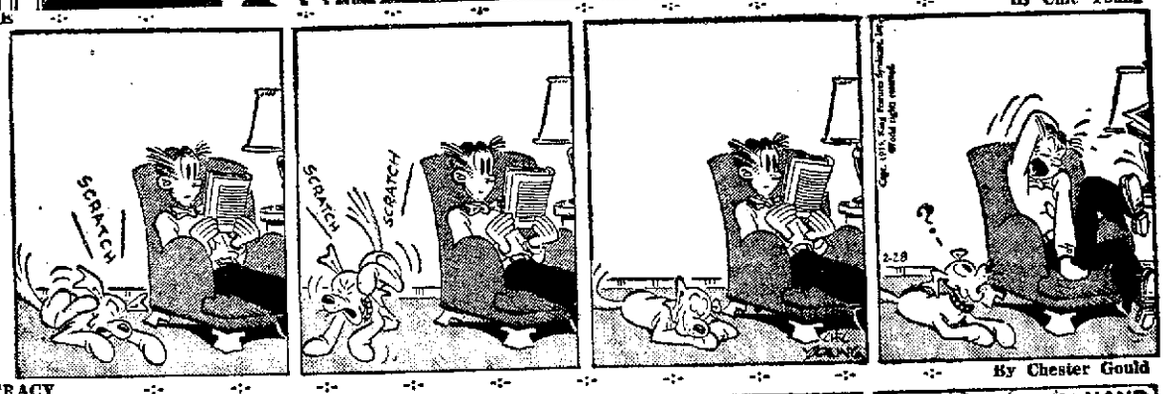
BLONDIE By Chic Young



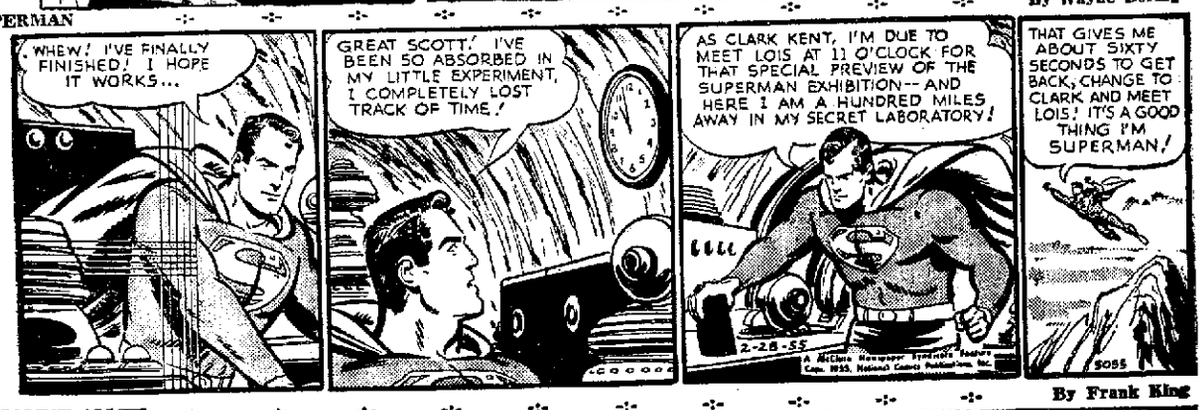
DICK TRACY By Chester Gould

THE CAMERA'S GOING AROUND THE BEND IN THE CULVERT NOW.
2-28-55
WHAT'S THIS? HUH? A GRATING? MUST BE THE GRATING WHERE THE WATER EMPTIES INTO THE SEWER.
IT IS A GRATING—AND LOOK!
THAT'S A HAND DOWN THERE IN THE CORNER!

KIP KIRBY By Alex Raymond

FIND ANYTHING UNUSUAL IN THAT C.D KILDARE FILE, MR. KIRBY?
NOT A THING, DESMOND. THEY REALLY NAILED JOHNNY KILDARE... BUT GOOD!
THERE'S SIMPLY NO DOUBT THAT KILDARE SIGNED THIS THREATENING LETTER TO GIL MATIN, THE ARTIST WHO WORKED WITH HIM AND JASPER CANBY BEFORE HE WAS MURDERED.
THEN YOU MIGHT AS WELL GIVE UP.
I'D BE INCLINED TO AGREE EXCEPT FOR THAT ATTACK ON ME. WHY DID IT HAPPEN JUST AT THIS TIME?

SUPERMAN By Wayne Boring



WHEW! I'VE FINALLY FINISHED! I HOPE IT WORKS...
GREAT SCOTT! I'VE BEEN SO ABSORBED IN MY LITTLE EXPERIMENT, I COMPLETELY LOST TRACK OF TIME!
AS CLARK KENT, I'M DUE TO MEET LOIS AT 11 O'CLOCK FOR THAT SPECIAL PREVIEW OF THE SUPERMAN EXHIBITION -- AND HERE I AM A HUNDRED MILES AWAY IN MY SECRET LABORATORY!
2-28-55
THAT GIVES ME ABOUT SIXTY SECONDS TO GET BACK, CHANGE TO CLARK AND MEET LOIS! IT'S A GOOD THING I'M SUPERMAN!

GASOLINE ALLEY By Ham Fisher

JOE PALOOKA By George Wunder

WHERE YOU GOING, MR. WALSH...
MISSIS GRAYCE... HEY!
I SWEAR IT WAS HER... MIGOSH... WHERE'D SHE GO...
WHAT'S WRONG... I DIDN'T FINISH...
I SAW SOMEBODY... I... I... GOTTA FIND 'ER...
BARBER SHOP
BUBBINGS REAL ESTATE

TERRY AND THE PIRATES By Frank King

GENERAL! SEARCH LIGHT! MACHINE GUN FIRE! IT'S THEM AND THEY'RE TRAPPED!
ON A HILL OVERLOOKING THE RED FRONTIER...
TERRY! COME BACK! THEY'VE SEEN YOU!
WHILE

ANNIE ROONEY By Darrell McClure

GOLLY, ZERO — I'M SO TERRIBLE HAPPY TO SEE YOU — BUT YOU SHOULDN'T HAVE RUN AWAY FROM MISS CALLIE AN' MR. KING TO FIND ME — BUT ONE THING I KNOW FOR SURE! I AIN'T GONNA SEND YOU AWAY AGAIN — EVER!
COURSE, YOU WOULDN'T KNOW IT'S AGAINST THE RULES TO HAVE YOU HERE, BUT DON'T YOU WORRY — TOMORROW I'LL GO SEE MR. BOGG, THE GARDENER, 'BOUT KEEPIN' YOU AT HIS COTTAGE —
YOU WERE GRAND TO SNEAK DOWN TO THE PANTRY AN' GET SOME MEAT FOR ZERO, WILHELMINA — IF YOU HAD BEEN CAUGHT —
SKIP IT, INFANT — AND IF WE DON'T DIM THESE LIGHTS WE'LL ALL BE CAUGHT, AND YOUR HAPPY REUNION WITH ZERO WILL BE A ZERO!
DARRELL McCLURE 2-28
